**S 694. STANDARDS FOR CODE-ENFORCEMENT OFFICIALS.** Filed 3/12/07. *TO CLARIFY STANDARDS FOR CODE-ENFORCEMENT OFFICIALS.*

Amends GS 143-151.13 directing the North Carolina Code Officials Qualification Board (board) to issue standard certificates in one or more of five specialized inspection areas to each qualified code-enforcement official. The certificates may be issued for different levels of proficiency. Under current law, the board establishes performance levels and develops exams for the various levels and classes, grants certificates of qualification providing the performance level an individual has qualified for, and may limit the officials' jurisdiction based on the performance level they are qualified for. Amends GS 143-151.17 to allow the board to demote certificates to a lower level. Amends GS 143-151.18 to make it unlawful for an individual to practice code enforcement except as allowed by the certificate issued to the individual by the board. Makes technical and conforming changes. Effective for offenses committed on or after December 1, 2007.
