S 701. TELEVISION LEGISLATIVE SESSION. Filed 3/13/07. *TO STUDY THE FEASIBILITY OF TELEVISIONING ALL LEGISLATIVE SESSIONS AND SELECTED COMMITTEE MEETINGS.*

Directs the Legislative Services Commission to study the feasibility of televising all House of Representatives and Senate sessions and selected committee meetings and the options for handling the project, as well as the feasibility of streaming video over the internet. Allows for the appointment of an advisory committee. The commission must report to the 2007 Regular Session of the General Assembly by May 1, 2008. Provides for the allocation of funds to conduct the study.
