**H 1108. CLARIFY LIC REQ/OUT-OF-STATE WEIGHMASTERS.** Filed 4/6/09. *TO CLARIFY LICENSURE REQUIREMENTS FOR OUT-OF-STATE WEIGHMASTERS UNDER THE LAWS REGULATING PUBLIC WEIGHMASTERS.*

Under current law, all weighmasters must be licensed. Amends GS 81A-52 to provide that a person seeking licensure as a public weighmaster in North Carolina, who is operating as a public weighmaster in another state, must include with the person's application for a NC license a copy of the most recent weighing device inspection report performed by the state weights and measures official in the person's former state within the 12-month period immediately preceding the date of the application.

Amends GS 81A-61 to provide that a public weighmaster is to use a weighing device that is suitable for weighing the product and that has been tested and approved by the NC Commissioner of Agriculture *or* by the public weighmaster's local or state weights and measures officials within the 12-month period immediately preceding the date of the weighing.

Effective October 1, 2009 and applies to applicants for licenses on or after that date.
