**H 1286. CHRISTIAN SCIENCE NURS'G/NURSING PRACTICE ACT.** Filed 4/8/09. *ALLOWING CHRISTIAN SCIENCE NURSES TO PRACTICE CHRISTIAN SCIENCE NURSING UNDER THE LAWS REGULATING THE PRACTICE OF NURSING.*

Amends GS 90-171.43 by adding a new subdivision (6), which permits Christian Science nurses, defined as experienced Christian Scientists who provide spiritual support and physical care but do not provide any form of medical treatment, to practice Christian Science nursing and to refer to themselves as a "Christian Science Nurse," rather than a "nurse."
