H 2015. STUDY IMPACT OF TOXINS ON HEALTH. Filed 5/25/10. House committee substitute makes the following changes to 1st edition.

Authorizes (was, directs) the Environmental Review Commission (ERC), with assistance from the Department of Environment and Natural Resources and the Department of Health and Human Services (agencies added), to study the impact of environmental toxins *and chemicals* on human health. Makes a conforming change to the title. Adds two topics for inclusion in the study, and makes other linguistic changes and clarifying changes.
