H 29. ALLOW UM/UIM STACKING. Filed 2/2/09. *TO ALLOW INTERPOLICY STACKING OF UNDERINSURED AND UNINSURED MOTORIST COVERAGE.*

Amends GS 20-279.21 to add a new subsection allowing interpolicy stacking of underinsured and uninsured motorist coverage. Provides criteria for determining the limits of motorist coverage to which a claimant is legally entitled under uninsured and underinsured motorist coverage in claims against uninsured and/or underinsured motorists. Provides that the proposed new subsection only applies to insurance or nonfleet private passenger motor vehicles as described in GS 53-40-10. Effective January 1, 2010, and applies to policies issued or renewed after that date.
