**H 392. PLUMBERS ALLOWED TO INSTALL WELL PUMPS.** Filed 3/3/09. *TO PERMIT PLUMBING CONTRACTORS TO ENGAGE IN INSTALLATION OF WELL PUMPS.*

Under GS Chapter 87, Article 7A, certification is required for persons who perform, manage, or supervise well contractor activity. Amends GS 87-98.4(b)(4) to add persons licensed as plumbing contractors under Article 2 of GS Chapter 87 to those persons that are exempt from the certification requirements under GS Chapter 87, Article 7A. The exemption does not apply to the construction of a monitoring well.
