H 41. FIRE PROTECTION APPLICANTS/CRIMINAL HISTORY. Filed 2/3/09. *TO ALLOW NONGOVERNMENTAL FIRE PROTECTION ENTITIES TO OBTAIN CRIMINAL HISTORY DETERMINATIONS ON APPLICANTS.*

Amends GS 114-19.12 to allow a fire protection entity that is prohibited by federal law or policy from obtaining criminal history information about applicants because it is not a governmental entity to request an entity that is not under the restriction to seek to obtain criminal history information. An agency that receives a request must provide the requesting entity with only a statement as to whether or not the agency deems the applicant's criminal history information as providing just cause for not selecting the applicant for the position. The agency is not allowed to provide further criminal history information to the requesting entity. Makes a conforming change.
