**H 417. DRIVERS LICENSE CHANGES/YOUNG DRIVERS.** Filed 3/4/09. *TO MAKE CHANGES TO LIMITED PROVISIONAL LICENSES.*

Amends GS 20-11 to modify the requirements for a person who is between 16 and 18 years of age before receiving a full provisional license as follows: (1) that the driver held a limited provisional license for at least 12 (was, six) months and (2) that the driver has not been convicted of a motor vehicle moving violation or seat belt infraction or a violation of GS 20-137.3 during the preceding 12 (was, six) months.

Modifies the exception to requirements for a person who is between 16 and 18 years of age who has an unrestricted out-of state license seeking a full provisional license as follows: (1) that the driver held both a learner's permit and a restricted license for at least 12 (was, six) months (existing law already requires a license issued by another state to be held for at least 12 months) and (2) that the driver has not been convicted of a motor vehicle moving violation or seat belt infraction or a similar offense committed in another jurisdiction during the preceding 12 (was, six) months. Makes similar conforming changes to the provisions related to exceptions to obtaining a limited provisional license or a limited learner's permit for restricted out-of-state licenses, persons under age 15 with an out-of-state unrestricted or restricted license, and persons less than 18 who have a federally issued unrestricted or restricted license to require that the driver has not been convicted of a motor vehicle moving violation or seat belt infraction or a similar offense committed in another jurisdiction during the preceding 12 (was, six) months.

Effective for limited provisional licenses issued on or after October 1, 2009.
