GS 160A

April 16, 2009

H 448. MAKE OVERGROWN VEGETATION LAW STATEWIDE. Filed 3/5/09. House committee substitute makes the following changes to 1st edition. Provides that a municipality may adopt an ordinance under GS 160A-200 when this act becomes law, but that the ordinance may not become effective prior to October 1, 2009. Specifies that the repeal of any local act by this act does not affect the rights or liabilities of a municipality that arose during the time the act was in effect, or under an ordinance adopted under such an act. If any municipality adopted an ordinance under any act repealed by this act, and the ordinance would be permitted under GS 160A-200, as amended, then that ordinance remains in effect until amended or repealed by that municipality.
