Amends Section 2(f) of SL 1991-159 (Granville hunting permits), as amended, to provide that the sheriff is not required to file with the register of deeds, by September 1 of each year, (1) a listing of all tracts of land accepted for registration during the ensuing year or (2) a copy of the full description of the boundaries of each tract accepted for registration that year on which an owner agrees to grant entry-permits to any person given permission to hunt, or to possess a firearm or bow and arrow on the land, or on an adjacent highway if all registered tracts are shown as a layer in Granville County's Geographic Information System in a manner accessible to the public and the Wildlife Resources Commission free of charge. Eliminates the requirement that the sheriff must publish, by September 1 of each year, information on registration of all tracts of land by appropriate media with coverage in Granville County.
