H 973. REGULATION OF GOLF CARTS IN DEEP RUN. Filed 4/1/09. House committee substitute makes the following changes to 1st edition. Amends GS 160A-300.5 to add the community of Deep Run in Lenoir County to the localities that may, by ordinance, regulate the operation of golf carts on public streets or highways within the city limits, or on any property owned or leased by the city and require the registration of golf carts, charge a registration fee, and enforce additional regulations regarding the operation and use of golf carts. Defines the boundaries that constitute the "community of Deep Run." In the first edition, the authorization to allow the use of golf carts in Deep Run was an uncoded provision.
