**S 1051. PERFORMANCE MANAGE. & ACCOUNTABILITY PROGRAM.** Filed 3/26/09. *TO ESTABLISH A COMPREHENSIVE PERFORMANCE MANAGEMENT AND ACCOUNTABILITY PROGRAM AND BUDGET SYSTEM.*

Adds new GS Chapter 143E to establish the Comprehensive Performance Management and Accountability Program and Budget System. Requires the Director, through the State Budget Office and the Governor's Policy Office, to establish the system for state government agencies. System must include strategic planning processes and submittal of plans; performance tracking of management functions using measurable goals; program performance measures for each division, program, or service area; and on-site accountability and site visits. Does not apply to the Administrative Office of the Courts or any department headed by a member of the Council of State.
