**S 1446. DURHAM STORMWATER FACILITIES ASSESSMENTS.** Filed 5/26/10. House committee substitute makes the following changes to 1st edition.

Amends SL 1975-671, as amended, authorizing the Durham City Council to assess Durham's costs (was, direct and indirect costs) for projects that construct, reconstruct, or repair stormwater facilities on public or private property when the projects remediate a flooding or other public nuisance or enable compliance with State or federal water quality requirements. Adds that Durham may also consider contributions and fees already made by a property toward facility construction or repair when determining cost allocation. Deletes prohibition on assessments on property owned by the federal or state government.
