Also adds a special registration plate issuable to a municipal council member, commissioner, or alderman, that bears the words "Council Member," "Commissioner," or "Alderman" followed by a number representing the council member's municipality and a number or letter that distinguishes plates issued to council members of the same municipality. Provides that the number of a municipality is assigned from a corresponding alphabetical list. The council member plate may not be issued unless the Division of Motor Vehicles receives at least 300 plate applications. Effective July 1, 2009.
