**S 852. ALCOHOL SCREENING DEVICE TEST RESULTS.** Filed 3/24/09. *TO ESTABLISH A THRESHOLD FOR POSITIVE ALCOHOL SCREENING TEST RESULTS.*

Amends GS 20-16.3(d) to define "positive result," as used in that section, to mean a result that registers .08 or higher on an alcohol screening device, and "negative result" to mean a result that registers lower than .08. Effective December 1, 2009, and applies to alcohol screening tests taken on or after that date.
