1 A BILL TO BE ENTITLED
2 AN ACT TO CLARIFY THE IMMUNITY FROM LIABILITY OF PERSONS USING
3 AUTOMATED EXTERNAL DEFIBRILLATORS IN EMERGENCY SITUATIONS.

4 The General Assembly of North Carolina enacts:

5 SECTION 1. G.S. 90-21.14 reads as rewritten:

6 "§ 90-21.14. First aid or emergency treatment; liability limitation.

7 (a) Any person, including a volunteer medical or health care provider at a facility of a
8 local health department as defined in G.S. 130A-2 or at a nonprofit community health center or
9 a volunteer member of a rescue squad, who receives no compensation for his services as an
10 emergency medical care provider, who renders first aid or emergency health care treatment to a
11 person who is unconscious, ill or injured,

12 (1) When the reasonably apparent circumstances require prompt decisions and
13 actions in medical or other health care, and

14 (2) When the necessity of immediate health care treatment is so reasonably
15 apparent that any delay in the rendering of the treatment would seriously
16 worsen the physical condition or endanger the life of the person,

17 shall not be liable for damages for injuries alleged to have been sustained by the person or for
18 damages for the death of the person alleged to have occurred by reason of an act or omission in
19 the rendering of the treatment unless it is established that the injuries were or the death was
20 caused by gross negligence, wanton conduct or intentional wrongdoing on the part of the
21 person rendering the treatment. The immunity conferred in this section applies to any person
22 who uses an automated external defibrillator (AED) and otherwise meets the requirements of
23 this section.

24 (a1) Recodified as § 90-21.16 by Session Laws 2001-230, s. 1(a).

25 (b) Nothing in this section shall be deemed or construed to relieve any person from
26 liability for damages for injury or death caused by an act or omission on the part of such person
27 while rendering health care services in the normal and ordinary course of his business or
28 profession. Services provided by a volunteer health care provider who receives no
29 compensation for his services and who renders first aid or emergency treatment to members of
30 athletic teams are deemed not to be in the normal and ordinary course of the volunteer health
31 care provider's business or profession.
