20 for public inspection in the office of the general manager of the local board. The statement shall  
21 also give notice of the time and place of the budget hearing required by subsection (f) of this  
22 section.

23 (f) Budget Hearings. – Before adopting the budget, the board shall hold a public  
24 hearing at which time any persons who wish to be heard on the budget may appear.

25 (g) Adoption of Budget. – Not earlier than 10 days after the day the budget is presented  
26 to the board and not later than July 1, the local board shall adopt a budget making  
27 appropriations for the budget year in such sums as the board may consider sufficient and  
28 proper, whether greater or less than the sums recommended in the budget. The budget shall  
29 authorize all financial transactions of the local board. The budget may be in any form that the  
30 board considers most efficient in enabling it to make the fiscal policy decisions embodied  
31 therein, but it shall make appropriations by department, function, or project and show revenues  
32 by major source. The following directions and limitations shall bind the local board in adopting  
33 the budget:

- 34 (1) The full amount estimated by the finance officer to be required for debt  
35 service during the budget year shall be appropriated.
- 36 (2) The full amount of any deficit in each fund shall be appropriated.
- 37 (3) Working capital funds set aside pursuant to G.S. 18B-805 shall be  
38 established by rule of the Commission. "Working capital" means the total of  
39 cash, investments, and inventory less all unsecured liabilities. Gross sales  
40 means gross receipts from the sale of alcoholic beverages less distributions  
41 as defined in G.S. 18B-805(b)(2), (3), (4), and (5). Any expenditure to be  
42 charged against working capital funds shall be authorized by resolution of  
43 the local board, which resolution shall be deemed an amendment to the  
44 budget setting up an appropriation for the object of expenditure authorized.  
45 The local board may authorize the budget officer to authorize expenditures  
46 from working capital funds subject to such limitations and procedures as it  
47 may prescribe. Any such expenditure shall be deemed an amendment and  
48 reported to the board at its next regular meeting and recorded in the minutes.
- 49 (4) Estimated revenues shall include only those revenues reasonably expected to  
50 be realized in the budget year.

1           (5)    Sufficient funds to meet the amounts to be paid during the fiscal year under  
2           continuing contracts previously entered into shall be appropriated unless  
3           such contract reserves to the local board the right to limit or not to make  
4           such appropriation.

5           (6)    The sum of estimated net revenues and appropriated fund balance in each  
6           fund shall be equal to appropriations in that fund. Appropriated fund balance  
7           in a fund shall not exceed the sum of cash and investments minus the sum of  
8           liabilities, encumbrances, and deferred revenues arising from cash receipts,  
9           as those figures stand at the close of the fiscal year next preceding the budget  
10          year.

11          The budget shall be entered in the minutes of the local board and within five days after  
12          adoption, and copies thereof shall be filed with the finance officer, the budget officer, the  
13          appointing authority, and the Commission.

14          (h)    Amendments to the Budget. – Except as otherwise restricted by law, the local board  
15          may amend the budget at any time after adoption, in any manner, so long as the budget, as  
16          amended, continues to satisfy the requirements of this section. The local board by appropriate  
17          resolution may authorize the budget officer to transfer monies from one appropriation to  
18          another within the same fund subject to such limitations and procedures as it may prescribe.  
19          Any such transfers shall be reported to the local board at its next regular meeting and shall be  
20          entered in the minutes. Amendments to the adopted budget shall also be provided to the  
21          appointing authority and the Commission.

22          (i)    Interim Budget. – In case the adoption of the budget is delayed until after July 1, the  
23          local board shall make interim appropriations for the purpose of paying salaries, debt service  
24          payments, and the usual ordinary expenses of the local board for the interval between the  
25          beginning of the budget year and the adoption of the budget. Interim appropriations so made  
26          shall be charged to the proper appropriations in the adopted budget.

27          (j)    Finance Officer. – Except as otherwise provided, the local board shall designate (i) a  
28          part-time or full-time employee of the board other than the general manager or (ii) the finance  
29          officer of the appointing authority with consent of the appointing authority to be the finance  
30          officer for the local board. The Commission, for good cause shown, may allow the general  
31          manager of a board also to be the finance officer. Good cause includes, but is not limited to, the  
32          fact that the board operates no more than two stores, and any approval for the general manager  
33          also to be the finance officer shall apply until the board operates more than two stores; in any  
34          event, the approval shall be effective for 36 months.

35          (k)    Duties and Powers of the Finance Officer. – The finance officer for a local board  
36          shall:

37               (1)    Keep the accounts of the local board in accordance with generally accepted

39               Commission.

40               (2)    Disburse all funds of the local board in strict compliance with this Chapter,  
41               the budget, and preaudit obligations, and disbursements as required by this  
42               section.

2           subsection (t) of this section.

6           system designed to show in detail its assets, liabilities, equities, revenues, and expenditures.  
7           The system shall also be designed to show appropriations and estimated revenues as established  
8           in the budget originally adopted and subsequently amended.

9           (m) Incurring Obligations. – No obligation may be incurred in a program, function, or  
10           activity accounted for in a fund included in the budget unless the budget includes an  
11           appropriation authorizing the obligation and an unencumbered balance remains in the  
12           appropriation sufficient to pay in the current fiscal year the sums obligated by the transaction  
13           for the current fiscal year. No obligation may be incurred for a capital project unless the budget  
14           authorizes the obligation and an unencumbered balance remains in the appropriation sufficient  
15           to pay the sums obligated by the transaction. If an obligation is evidenced by a contract or  
16           agreement requiring the payment of money or by a purchase order for supplies and materials,  
17           the contract, agreement, or purchase order shall include on its face a certificate stating that the  
18           instrument has been preaudited to assure compliance with this subsection. The certificate,  
19           which shall be signed by the finance officer or any deputy finance officer approved for this  
20           purpose by the local board, shall take substantially the following form:

21           "This instrument has been preaudited in the manner required by G.S. 18B-702.

25           The finance officer shall establish procedures to assure compliance with this subsection.

26           (n) Disbursements. – When a bill, invoice, or other claim against a local board is  
27           presented, the finance officer shall either approve or disapprove the necessary disbursement. If  
28           the claim involves a program, function, or activity accounted for in a fund included in the  
29           budget or a capital project or a grant project authorized by the budget, the finance officer may  
30           approve the claim only if:

31           (1) The finance officer determines the amount to be payable; and

32           (2) The budget includes an appropriation authorizing the expenditure and either  
33           (i) an encumbrance has been previously created for the transaction or (ii) an  
34           unencumbered balance remains in the appropriation sufficient to pay the  
35           amount to be disbursed.

36           A bill, invoice, or other claim may not be paid unless it has been approved by the finance  
37           officer or, under subsection (o) of this section, by the local board. The finance officer shall  
38           establish procedures to assure compliance with this subsection.

39           (o) Local Board Approval of Bills, Invoices, or Claims. – The local board may, as  
40           permitted by this subsection, approve a bill, invoice, or other claim against the local board that  
41           has been disapproved by the finance officer. It may not approve a claim for which no  
42           appropriation appears in the budget, or for which the appropriation contains no encumbrance  
43           and the unencumbered balance is less than the amount to be paid. The local board shall approve  
44           payment by formal resolution stating the board's reasons for allowing the bill, invoice, or other  
45           claim. The resolution shall be entered in the minutes together with the names of those voting in  
46           the affirmative. The chairman of the board or some other member designated for this purpose  
47           shall sign the certificate on the check or draft given in payment of the bill, invoice, or other  
48           claim. If payment results in a violation of law, each member of the board voting to allow  
49           payment is jointly and severally liable for the full amount of the check or draft given in  
50           payment.

1 (p) Checks or Drafts Signed by Finance Officer. – Except as otherwise provided by law,  
 2 all checks or drafts on an official depository shall be signed by the finance officer or a properly  
 3 designated deputy finance officer. The chairman of the local board or general manager of the

 6 the unit or authority will be satisfactory in the absence of dual signatures.

7 (q) Payment of a Bill, Invoice, Salary, or Claim. – A local board may not pay a bill,  
 8 invoice, salary, or other claim except by a check or draft on an official depository or by a bank
