37 not reveal to any individual not engaged in the actual count election results
38 before the times specified in this subdivision for the count to begin. By way
39 of illustration and not limitation, a preparatory step for the count would be

51 designed to ensure the accuracy of the count, the participation of board

1 members of both parties, and the secrecy of the results before election day.
2 This subdivision applies only in counties that use optical scan devices to
3 count absentee ballots.

4 (3) The counting of absentee ballots shall not commence until a majority and at
5 least one board member of each political party represented on the board is
6 present and that fact is publicly declared and entered in the official minutes
7 of the county board.

8 (4) The county board of elections may employ such assistants as deemed
9 necessary to count the absentee ballots, but each board member present shall
10 be responsible for and observe and supervise the opening and tallying of the
11 ballots.

12 (5) As each ballot envelope is opened, the board shall cause to be entered into a
13 pollbook designated "Pollbook of Absentee Voters" the name of the absentee
14 voter, or if the pollbook is computer-generated, the board shall check off the

16 boxes, at least one of which shall be provided for each type of ballot. The
17 "Pollbook of Absentee Voters" shall also contain the names of all persons
18 who voted under G.S. 163-227.2, but those names may be printed by
19 computer for inclusion in the pollbook.

20 After all ballots have been placed in the boxes, the counting process shall
21 begin.

22 If one-stop ballots under G.S. 163-227.2 are counted electronically, that
23 count shall commence at the time the polls close. If one-stop ballots are
24 paper ballots counted manually, that count shall commence at the same time
25 as other absentee ballots are counted.

26 If a challenge transmitted to the board on canvass day by a chief judge is
27 sustained, the ballots challenged and sustained shall be withdrawn from the
28 appropriate boxes, as provided in G.S. 163-89(e).

29 As soon as the absentee ballots have been counted and the names of the
30 absentee voters entered in the pollbook as required herein, the board
31 members and assistants employed to count the absentee ballots shall each
32 sign the pollbook immediately beneath the last absentee voter's name entered
33 therein. The county board of elections shall be responsible for the
34 safekeeping of the pollbook of absentee voters.

35 (6) Upon completion of the counting process the board members shall cause the
36 results of the tally to be entered on the absentee abstract prescribed by the
37 State Board of Elections. The abstract shall be signed by the members of the
38 board in attendance and the original mailed immediately to the State Board
39 of Elections. The county board of elections may have a separate count on the
40 abstract for one-stop absentee ballots under G.S. 163-227.2.

41 (7) One copy of the absentee abstract shall be retained by the county board of
42 elections and the totals appearing thereon shall be added to the final totals of
