Representative Barnhart

1 moves to amend the bill on page 1, line 32, by inserting at the end of the sentence the
2 following:

3 "The county, the Board of Education or any trustee or fiduciary responsible for disbursing
4 funds for the school facilities constructed under to this section shall obtain certification
5 acceptable to the county or Board of Education in the amount due for work done or materials
6 supplied for which payment will be paid from such disbursements. If the county, Board of

9 but for the fact that the claim relates to work performed on or supplies provided to the school
10 facilities constructed under to this section, then either no disbursement of funds may be made
