1 A BILL TO BE ENTITLED
2 AN ACT TO ELIMINATE ABUSIVE PRACTICES AND PROVIDE FOR THE HUMANE
3 CARE AND TREATMENT OF DOGS AND PUPPIES BY ESTABLISHING
4 STANDARDS FOR THEIR CARE AT COMMERCIAL BREEDING OPERATIONS,
5 EXCLUDING KENNELS OR ESTABLISHMENTS OPERATED FOR THE PURPOSE
6 OF BOARDING OR TRAINING HUNTING, SPORTING, HERDING, SHOW, OR
7 WORKING DOGS.

8 Whereas, dogs are known as "man's best friend" and were first domesticated more
9 than 14,000 years ago; and

10 Whereas, dogs have been used as both working and companion animals throughout
11 history and have performed invaluable functions for people, including hunting, herding,
12 protection, and assisting ill and disabled individuals; and

13 Whereas, there is a long-standing tradition of using dogs for hunting and working in
14 this State; and

15 Whereas, nothing in this act shall be construed to interfere with an individual's right
16 to participate in hunting and working activities with dogs; and

17 Whereas, some members of society have chosen to exploit man's best friend for
18 money through the operation of breeding mills wherein large numbers of dogs and their
19 puppies are kept in intolerable and inhumane conditions in the name of maximizing profits
20 from the sale of the puppies; and

21 Whereas, significant public health and safety concerns have been raised by the
22 abusive and inhumane practice of some unregulated commercial dog breeders; and

23 Whereas, there have been substantial costs to taxpayers as a result of responding to
24 complaints regarding unregulated commercial dog breeders; and

25 Whereas, this act is intended to eliminate abusive treatment of dogs by regulating
26 commercial breeding operations only, not by restricting hunting or working rights in any way;

27 Now, therefore,

28 The General Assembly of North Carolina enacts:

29 **SECTION 1.** G.S. 19A-21 reads as rewritten:
