A BILL TO BE ENTITLED

AN ACT TO AMEND THE GENERAL STATUTES WITH RESPECT TO COMMUNITY
THIRD PARTY TRUSTS, MEDICAID SPECIAL NEEDS TRUSTS AND MEDICAID
POOLED TRUSTS, AND TO PROVIDE FOR MEDICAID REIMBURSEMENT IN
CERTAIN CIRCUMSTANCES.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 36D of the General Statutes reads as rewritten:

"Chapter 36D.

North Carolina Community Third Party Trusts, Pooled Trusts and Special Needs Trusts.
Trust for Persons with Severe Chronic Disabilities.

"§ 36D-1. Title; findings.

(a) This ~~Article~~ ~~Chapter~~ shall be known and may be cited as the "North Carolina
Community Third Party Trusts, Pooled Trusts and Special Needs Trusts Act". ~~Trust for Persons~~
~~With Severe Chronic Disabilities Act~~".

(b) The General Assembly finds that it is in the public interest to encourage activities by
voluntary associations and private citizens that will supplement and augment those services
provided by local, State, and federal government agencies in discharge of their responsibilities
toward individuals with severe chronic disabilities. The General Assembly further finds that, as
a result of changing social, economic, and demographic trends, families of persons with severe
chronic disabilities are increasingly aware of the need for a vehicle by which they can assure
ongoing individualized personal concern for a ~~severely disabled~~ family member with a
disability who may survive ~~that disabled person's~~ his or her parents or other family members,
and provide for the efficient management of ~~small legacies or~~ trust funds to be used for the
benefit of that person with a disability. ~~disabled person~~. In a number of other states, voluntary
associations have established foundations or trusts intended to be responsive to these concerns.
Therefore, the General Assembly finds that North Carolina will benefit by the enactment of
enabling legislation expressly authorizing the formation of ~~community trusts~~ Community Third
Party Trusts, Pooled Trusts and Special Needs Trusts in accordance with 42 U.S.C. §
1396p(d)(4) and criteria set forth by statute and administered by the Secretary of ~~State~~, State
under Chapter 55A of the General Statutes. ~~These community trusts permit the pooling of~~
~~resources contributed by families or persons with philanthropic intent, along with the~~
~~reservation of portions of these funds for the use and benefit of designated beneficiaries.~~

1 (c) This ~~Article~~ Chapter shall be liberally construed and applied to promote its
2 underlying purposes and policies, which are, among others, to:

- 3 (1) ~~Encourage the orderly establishment of community trusts for the benefit of~~
4 ~~persons with severe chronic disabilities;~~
- 5 (2) Ensure that ~~community trusts~~ Community Third Party or Pooled Trusts for
6 the benefit of persons with severe chronic disabilities are established and
7 administered properly and that the managing boards of the trusts are free
8 from conflicts of interest; ~~interest.~~
- 9 (3) Facilitate sound administration of trust funds for persons with severe chronic
10 disabilities by allowing family ~~members~~ members, persons with disabilities,
11 and others to pool resources in order to make professional management
12 investment more efficient; ~~efficient.~~
- 13 (4) Provide parents of persons with severe chronic disabilities peace of mind in
14 knowing that a means exists to ensure that the interests of their children who
15 have severe chronic disabilities are properly looked after and managed after
16 the parents die or become ~~incapacitated;~~ incapacitated.
- 17 (5) ~~Help make~~ Assist in making guardians available for persons with severe
18 chronic disabilities who are incompetent, when no other family member is
19 available for this ~~purpose;~~ purpose.
- 20 (6) Encourage the availability of private resources to purchase for persons with
21 severe chronic disabilities goods and services that are not available through
22 any governmental or charitable program and to conserve these resources by
23 limiting purchases to those that are not available from other ~~sources;~~ sources.
- 24 (7) Encourage the inclusion, as beneficiaries of ~~community~~ Community Third
25 Party or Pooled Trusts, ~~trusts,~~ of persons who lack resources and whose
26 families are indigent, in a way that does not diminish the resources available
27 to other beneficiaries whose families have contributed to the ~~trust;~~ trust; and
- 28 (8) Remove the disincentives that discourage parents and others from setting
29 aside funds for the future protection of persons with severe chronic
30 disabilities by ensuring that the interest of beneficiaries ~~in community~~ of
31 trusts that meet the rules set forth by the Department are not considered
32 assets or income that would disqualify them from any governmental or
33 charitable entitlement program with an economic means test.
- 34 (9) Require, pursuant to 42 U.S.C. § 1396p(d)(4), the payback of monies from
35 Pooled Trusts and Special Needs Trusts up to an amount equal to the total
36 amount of assistance paid for by the Department on behalf of or to the
37 beneficiary from any funds remaining in the beneficiary's individual trust
38 account upon the death of the individual or the termination of the individual
39 trust account.

40 (d) Nothing in this Chapter shall affect the establishment, interpretation, or construction
41 of Pooled or Special Needs Trust instruments which do not conform with the provisions of this
42 Chapter, nor shall this Chapter impair the State's authority to be paid from or seek
43 reimbursement from any Pooled or Special Needs Trust which does not conform with the
44 provisions of this Chapter or to deem the principal or income of any nonconforming 36D Trust

30 improper disposition of assets.

31 **"§ 36D-13. Special Needs Trust Termination.**

32 (a) Following execution or approval of a trust as a special needs trust, the special needs
33 trust may not be terminated, changed, or converted to any other form of trust, including a trust
34 formed pursuant to 42 U.S.C. § 1396p(d)(4)(C) and this Chapter unless the Department first
35 receives an amount equal to the total medical assistance paid on behalf of the individual up to
36 the date of the termination, change or conversion from the funds remaining in the special needs
37 trust.

38 (b) If a special needs trust is found to be invalid or the beneficiary no longer qualifies
39 for Medicaid services, the special needs trust shall be deemed to have terminated, and the
40 termination provision mandating reimbursement to the Department shall apply.

41 (c) Upon termination of the trust, due to the death of the beneficiary or otherwise, only
42 the following may be paid from the special needs trust prior to the payment to the Department
43 required under this Chapter:

44 (1) Taxes due from the special needs trust to the State or federal government
45 due to the death of the beneficiary;

46 (2) Reasonable fees payable to the trustee for administration of the special needs

48 **"§ 36D-14. Special Needs Trust Purchases, Payments, and Disbursements.**

49 (a) The trustee shall have sole discretion in all purchases, payments, and disbursements
50 from the special needs trust in accordance with 42 U.S.C. § 1396p(d)(4)(A) and the rules set
51 forth for special needs trusts by the Department.

1 **(b)** The trustee of a special needs trust shall make only those payments and
2 disbursements that are for the sole benefit of the beneficiary. Distributions, in cash or
3 otherwise, shall not directly or indirectly benefit family members of the beneficiary.
4 Distributions to family members for care and services provided to the beneficiary are not for
5 the sole benefit of the beneficiary. The trustee of a special needs trust shall not make cash
6 distributions to a beneficiary.

7 **(c)** Any real or personal property purchased by the trustee which is capable of being
8 titled to someone or to some entity shall be titled solely in the name of the trust.

9 **(d)** The trustee of a special needs trust may authorize the expenditure of funds for any
10 goods or services, including recreational services, which the trustee, in its sole discretion,
11 determines will promote the well-being of any beneficiary. The trustee shall not expend funds
12 for any goods or services of comparable quality to those available to any particular beneficiary
13 through any governmental or charitable program, insurance, or other sources. The trustee may
14 expend funds to meet the reasonable costs of administering the trust.

15 **(e)** The trustee shall not make purchases, payments, or disbursements for services of a
16 nature or in a manner that would be contrary to the public policy of this State at the time the
17 services are to be provided. The trustee shall not make purchases, payments, or disbursements
18 which are contrary to the purpose of special needs trusts as that purpose is made evident by
19 federal law and policy, this Chapter, and the rules adopted by the Department pursuant to this
20 Chapter."
