22 becoming a Demonstration Project participating employer, the participating
23 employer shall for the duration of the Demonstration Project continue to
24 honor the contracted rates for any covered services provided to those health

7 account the impact that the Demonstration Project has on the overall insurance market. A report
8 on the Department's evaluation shall be submitted to the Joint Legislative Health Care

12 The Department of Insurance and the Demonstration Project Sponsor may submit
13 interim reports to the Joint Legislative Health Care Oversight Committee. If the Commissioner
14 of Insurance determines that the Demonstration Project or the Demonstration Project authority
15 is not in the public's interest or is detrimental to the small group or large group health insurance
16 markets, the Commissioner may recommend early termination of the Demonstration Project or
17 the Demonstration Project authority to the Joint Legislative Health Care Oversight Committee.

18 **SECTION 6.(b)** The evaluation performed by the Department of Insurance shall
19 analyze the impact that the Demonstration Project has on the small and large group insurance

30 group markets, to conduct the evaluation authorized by this act. Data collected pursuant to this
31 section shall be the minimum that the Department deems necessary to perform its evaluation,
32 and data collection shall not occur more frequently than on an annual basis during the life of
33 the Demonstration Project authority.
