6 **INMATE MEDICAL COST CONTAINMENT**

7 **SECTION 6.16.(a)** Providers and facilities that deliver medically necessary 8 services to inmates in the Department's custody of the Department of Correction shall charge 9 the Department using the same schedule of charges used for other patients, and the Department 10 may reimburse those providers and facilities at up to seventy percent (70%) of the amount charged. The requirements of this subsection shall apply to all medical and facility services 11 provided outside the correctional facility, including hospitalizations, professional services, 12 13 medical supplies, and other medications provided to any inmate confined in a correctional 14 facility.

The Department shall work to ensure that care usage is distributed 21 equitably among all hospitals or other appropriate health care facilities, with no one health care 22 facility being required to admit more than five percent (5%) of all patients requiring 23 hospitalization or hospital services, unless doing so would jeopardize the health of an inmate or 24 unless otherwise agreed to by contract. 27 SECTION 6.16.(c) The Department of Correction shall consult with the Division 28 of Medical Assistance in the Department of Health and Human Services to develop protocols 29 for prisoners who would be eligible for Medicaid if they were not incarcerated to access 30 Medicaid while in custody or under extended limits of confinement. The Department shall seek 31 reimbursement from Medicaid for those health care costs incurred by the Department in those 32 instances when an inmate's Medicaid eligibility has been temporarily reinstated due to a 33 hospitalization.

34 SECTION 6.16.(d) The Department of Correction, in consultation with the Office 35 of State Budget and Management, shall study the impact on inmate medical costs resulting 36 from the measures set forth in subsections (a), (b), and (c) of this section. The Department shall 37 present its findings by March 1, 2011, to the Chairs of the House of Representatives and Senate 38 Appropriations Subcommittees on Justice and Public Safety and to the Joint Legislative 39 Corrections, Crime Control, and Juvenile Justice Oversight Committee.

40 SECTION 6.16.(e) If the findings of the Department of Correction demonstrate 41 that the Department has been unable to achieve the savings in inmate medical costs called for in 42 the 2010-2011 budget, the Office of State Budget and Management may require that any 43 hospital that provides health care services to Medicaid and Medicare patients shall also provide 44 services to any inmate confined in a correctional facility at the rates applicable under 45 subsection (a) of this section.

STUDY FINANCIAL AID CONSOLIDATION

SECTION 9.2.(a) The State Education Assistance Authority, The University of North Carolina, the North Carolina Community College System, and the Fiscal Research Division of the General Assembly shall establish a work group to study jointly the simplification and consolidation of State-funded financial aid for students. North Carolina Independent Colleges and Universities, Inc., shall also be included as a joint member of the work group if it chooses to participate in the study. The State Education Assistance Authority shall be the lead agency for the work group and study.

21 **SECTION 9.2.(b)** The purpose of the study is to develop recommendations and 22 options for simplifying and consolidating the delivery of, administration of, and access to 23 State-funded financial aid for students. In conducting the study, the work group shall consider 24 the State's current student financial aid programs and how to consolidate those programs into 25 two categories of State-funded student aid programs: one program that consolidates the State's 26 major need-based programs and one program that consolidates many of the State's scholarship 27 and forgivable loan programs currently available to students who plan to earn degrees and 28 pursue careers in certain professional areas. More specifically the work group shall do the 29 following:

30 (1) Design a unified need-based financial aid program that combines at a 31 minimum the following three programs into a single need-based financial aid 32 program: The University of North Carolina Need-Based Grant program, the North Carolina Community College Grant program, and the North Carolina 33 34 Education Lottery Scholarship program established under Article 35A of 35 Chapter 115C of the General Statutes. Currently each of these programs has 36 its own award criteria, formulas, target populations, and funding sources 37 (Escheat Fund, General Fund, and Lottery Funds). As part of its study, the 38 work group shall determine what the appropriate parameters may be for such 39 a unified program by using models that take into account income, expected 40 family contribution, college expenses, type of college attended, and any 41 other factors the work group deems relevant. In designing the program, the 42 work group shall address the issue of proportionality of funding and shall 43 take into account all of the following in its consideration of that issue: the 44 proportionality of funding that currently exists among The University of 45 North Carolina, the North Carolina Community College System, and the 46 North Carolina private colleges and universities; funding sources; 47 accounting for student enrollment change; monetary differences between 48 certain categories of students and whether based on those monetary 49 differences student financial aid should be based on cost of attendance or 50 tuition and fees. 41 SECTION 10.27. By November 1, 2010, the Department of Health and Human 42 Services, Divisions of Medical Assistance and Public Health, shall jointly study and report to 43 the Senate Appropriations Committee on Health and Human Services, the House of 44 Representatives Appropriations Subcommittee on Health and Human Services, and the Fiscal 45 Research Division on the financial and programmatic feasibility of reducing the waiting list for 46 the AIDS Drug Assistance Program (ADAP) by expanding eligibility for Medicaid to 47 HIV-positive individuals with incomes at or below one hundred thirty-three percent (133%) of 48 the federal poverty level. The study shall include an assessment of the cost-effectiveness of 49 using State dollars to expand Medicaid eligibility to this population as compared to using State dollars for ADAP. preparation for the expansion of Medicaid eligibility in calendar year 2014 to all individuals 1 2 with incomes at or below one hundred thirty-three percent (133%) of the federal poverty level. 3 If, as a result of the study, the Divisions of Medical Assistance and Public Health conclude that 4 expanding Medicaid eligibility to HIV-positive individuals with incomes at or below one 5 hundred thirty-three percent (133%) of the federal poverty level is a cost-effective means for the State to eliminate its ADAP waiting list, then the Division of Medical Assistance shall 6 7 apply to the Centers for Medicare and Medicaid Services (CMS) for an appropriate waiver to 8 implement this expansion in Medicaid eligibility. The Department shall award grants to community-based 22 23 organizations that demonstrate the ability to develop and implement linkages with local 24 departments of social services, area mental health programs, schools, and other human services 25 programs in order to provide support services and assistance to the child and family. These 26 funds may be used to fund one position within the Division of Social Services to coordinate 27 at-risk after-school programs and shall not be used for other State administration.

28 SECTION 10.37.(i) The sum of fourteen million four hundred fifty-two thousand 29 three hundred ninety-one dollars (\$14,452,391) appropriated in this section to the Department 30 of Health and Human Services, Division of Social Services, in TANF funds for the 2010-2011 31 fiscal year for child welfare improvements shall be allocated to the county departments of 32 social services for hiring or contracting staff to investigate and provide services in Child 33 Protective Services cases; to provide foster care and support services; to recruit, train, license, 34 and support prospective foster and adoptive families; and to provide interstate and postadoption 35 services for eligible families.

i	SECTION 31.6.(a) G.S. 105-164.4(a)(3) reads as rewritten:
5	"§ 105-164.4. Tax imposed on retailers.
7	(a) A privilege tax is imposed on a retailer at the following percentage rates of the
3	retailer's net taxable sales or gross receipts, as appropriate. The general rate of tax is five and
)	three-quarters percent (5.75%).
	(3) Operators of hotels, motels, tourist homes, tourist camps, and similar type
2	businesses and persons who rent private residences and cottages to transients
	are considered retailers under this Article. A tax at the general rate of tax is
Ļ	levied on the gross receipts derived by these retailers from the rental of any
	rooms, lodgings, or accommodations furnished to transients for a
)	consideration. This tax does not apply to any private residence or cottage
	that is rented for less than 15 days in a calendar year or to any room,
	lodging, or accommodation supplied to the same person for a period of 90 or
	more continuous days.
	As used in this subdivision, the term "persons who rent to transients"
L	means (i) owners of private residences and cottages who rent to transients

	General Assembly Of North CarolinaSession 2009
1	and (ii) rental agents, including "real estate brokers" as defined in
2	G.S. 93A-2, who rent private residences and cottages to transients on behalf
3	of the owners. If a rental agent is liable for the tax imposed by this
	subdivision, the owner is not liable. A tax at the general rate applies to the
	sales price of the rental of an accommodation to a transient and to other
	gross receipts derived from the rental of an accommodation to a transient.
	The sales price of the rental of an accommodation to a transient is
	determined as if the rental were a service. An "accommodation" is a hotel
	room, a motel room, a residence, a cottage, or a similar space for occupancy
	by an individual. The tax does not apply to a residence or a cottage that is
	rented for less than 15 days in a calendar year or to an accommodation
	provided to the same person for a period of 90 or more continuous days.
	A person who provides an accommodation to a transient is considered a
	retailer under this Article. A person who, by written contract, agrees to be
	the rental agent for the provider of an accommodation is considered a retailer
	under this Article and is liable for the tax imposed by this subdivision. The
	liability of a rental agent for the tax imposed by this subdivision relieves the
	provider of the accommodation from liability. A rental agent includes a real
	estate broker, as defined in G.S. 93A-2.
	A person who, by written contract, is not the rental agent of the provider
	of an accommodation but is authorized by the provider to facilitate the rental
	of the accommodation and to charge a transient for the rental is considered a
	retailer under this Article for the purpose of determining the sales price of
	the accommodation. Accordingly, charges designated as facilitation fees or
	similar fees are considered charges necessary to complete the rental of the
	accommodation and are included in the sales price. A person who enters into
	a contract with the provider of an accommodation to a transient to facilitate the reptal of an accommodation must report the sales price to the provider of
	the rental of an accommodation must report the sales price to the provider of the accommodation and must send the provider the tax due on the sales
	price. A facilitator that does not send a provider the tax due on the sales
	price of an accommodation is liable for the amount of tax the provider fails
	to send. A facilitator is not liable for tax sent to a provider but not remitted
	by the provider to the Secretary. Tax payments received by a provider from a
	facilitator are held in trust by the provider for remittance to the Secretary. A
	provider that receives a tax payment from a facilitator must remit the amount
	received to the Secretary. A provider is not liable for tax due but not
	received from a facilitator. The requirements imposed by this subdivision on
	a provider and a facilitator are considered terms of the contract between the
	provider and the facilitator."
	SECTION 31.6.(b) G.S. 105-164.4B is amended by adding a new subsection to
	read:
	"(e) Accommodations. – The rental of a transient accommodation is sourced to the
	location of the accommodation."
	SECTION 31.6.(c) G.S. 153A-155(c) reads as rewritten:
	"(c) Collection. – Every operator of a business subject to a room occupancy tax shall, on
	and after the effective date of the levy of the tax, collect the tax. The tax shall be collected as
	part of the charge for furnishing a taxable accommodation. A person who is required to remit to

	G.S. 105-164.4(a)(3) is required to remit a room occupancy tax to the taxing county on and

If a taxable accommodation is furnished as part of a package, the bundled transaction provisions in G.S. 105-164.4D apply in determining the sales price of the taxable accommodation. If those provisions do not address the type of package offered, the operator person offering the package may determine an allocated price for each item in the package based on a reasonable allocation of revenue that is supported by the operator'sperson's business records kept in the ordinary course of business and collect calculate tax on the allocated price of the taxable accommodation.

The tax shall be stated and charged separately from the sales records and shall be paid by the purchaser to the operator of the business. The provider of an accommodation must separately state the room occupancy tax. Room occupancy taxes paid to a provider of an accommodation are paid to the provider as trustee for and on account of the taxing county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business.

The taxing county shall <u>design</u>, <u>print</u>, <u>design</u> and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax. <u>An operator of a business A provider of accommodations</u> who collects a room occupancy tax may deduct from the amount remitted to the taxing county a discount equal to the discount the State allows the <u>operator provider</u> for State sales and use tax."
