29 (f) All records, papers, and other documents containing information collected and
30 compiled by or on behalf of the Board, as a result of investigations, inquiries, or interviews

32 records within the meaning of Chapter 132 of the General Statutes. However, any notice or
33 statement of charges against any licensee or applicant, or any notice to any licensee or applicant

35 proceeding, shall be a public record within the meaning of Chapter 132 of the General Statutes,
36 though the record may contain information collected and compiled as a result of the
37 investigation, inquiry, or hearing. Any identifying information concerning the treatment of or
38 delivery of services to a client who has not consented to the public disclosure of the treatment
39 or services may be redacted. If any record, paper, or other document containing information
40 collected and compiled by or on behalf of the Board, as provided in this section, is received and

51 disciplinary action as authorized by this section.

1 (i) The Board may adopt rules deemed necessary to interpret and implement this
2 section."

36 addition to the North Carolina crimes listed in this subdivision, such crimes
37 also include similar crimes under federal law or under the laws of other

39 (b) The Board may request that an applicant for licensure, an applicant seeking
40 reinstatement of a license, or a licensee under investigation by the Board for alleged criminal
41 offenses in violation of this Article consent to a criminal history record check. Refusal to
42 consent to a criminal history record check may constitute grounds for the Board to deny
43 licensure to an applicant, deny reinstatement of a license to an applicant, or revoke the license
44 of a licensee. The Board shall ensure that the State and national criminal history of an applicant
45 is checked. The Board shall be responsible for providing to the North Carolina Department of
46 Justice the fingerprints of the applicant or licensee to be checked, a form signed by the
47 applicant or licensee consenting to the criminal record check and the use of fingerprints and
48 other identifying information required by the State or National Repositories of Criminal

2 history record check.

3 (c) If an applicant or licensee's criminal history record check reveals one or more
4 convictions listed under subdivision (a)(2) of this section, the conviction shall not automatically
5 bar licensure. The Board shall consider all of the following factors regarding the conviction:

6 (1) The level of seriousness of the crime.

7 (2) The date of the crime.

8 (3) The age of the person at the time of the conviction.

9 (4) The circumstances surrounding the commission of the crime, if known.

10 (5) The nexus between the criminal conduct of the person and the duties and
11 responsibilities of a licensee.

12 (6) The person's prison, jail, probation, parole, rehabilitation, and employment
13 records since the date the crime was committed.

14 (7) The subsequent commission by the person of a crime listed in subdivision
15 (a)(2) of this section.

16 If, after reviewing these factors, the Board determines that the applicant or licensee's criminal
17 history disqualifies the applicant or licensee for licensure, the Board may deny licensure or
18 reinstatement of the license of the applicant or revoke the license of the licensee. The Board
19 may disclose to the applicant or licensee information contained in the criminal history record
20 check that is relevant to the denial. The Board shall not provide a copy of the criminal history
21 record check to the applicant or licensee. The applicant or licensee shall have the right to
22 appear before the Board to appeal the Board's decision. However, an appearance before the full
23 Board shall constitute an exhaustion of administrative remedies in accordance with Chapter
24 150B of the General Statutes.

25 (d) The Board, its officers, and employees, acting in good faith and in compliance with
26 this section, shall be immune from civil liability for denying licensure or reinstatement of a
27 license to an applicant or revoking a licensee's license based on information provided in the
28 applicant or licensee's criminal history record check."

29 **SECTION 18.** Article 4 of Chapter 114 of the General Statutes is amended by
30 adding a new section to read:

33 The Department of Justice may provide to the North Carolina Marriage and Family
34 Therapy Licensure Board from the State and National Repositories of Criminal Histories the
35 criminal history of any applicant for licensure or reinstatement of a license or licensee under
36 Article 18C of Chapter 90 of the General Statutes. Along with the request, the Board shall
37 provide to the Department of Justice the fingerprints of the applicant or licensee, a form signed
38 by the applicant or licensee consenting to the criminal record check and use of fingerprints and
39 other identifying information required by the State and National Repositories, and any
40 additional information required by the Department of Justice. The applicant or licensee's
41 fingerprints shall be forwarded to the State Bureau of Investigation for a search of the State's
42 criminal history record file, and the State Bureau of Investigation shall forward a set of
43 fingerprints to the Federal Bureau of Investigation for a national criminal history record check.
44 The Board shall keep all information obtained pursuant to this section confidential. The
