(e) In providing the transportation and custody required by this section, the law-enforcement officer may use reasonable force to restrain the respondent if it appears necessary to protect himself, the respondent, or others. No law-enforcement officer may be held criminally or civilly liable for assault, false imprisonment, or other torts or crimes on account of reasonable measures taken under the authority of this Article.

...

(g) The governing body of a city or county may adopt a plan for the transportation and custody of respondents in involuntary commitment proceedings in this Article. Persons so designated shall be trained and the plan shall assure adequate safety and protections for both the public and the respondent. Law enforcement, other affected agencies, and the area authority shall participate in the planning. If any person other than a law-enforcement agency is designated by a city or county, the person so designated shall provide the transportation and custody and follow the procedures in this Article. References in this Article to a law-enforcement officer apply to this person.

2 city, or a county. Provided that the county of residence provides the respondent or other
3 individual liable for the respondent's support a reasonable notice and opportunity to object to

20 the clerk or magistrate by delivering to the clerk or magistrate the original affidavit or a copy in
21 paper form that is printed through the facsimile transmission of the affidavit. If the affidavit is
22 filed through facsimile transmission, the affiant shall mail the original affidavit no later than
23 five days after the facsimile transmission of the affidavit to the clerk or magistrate to be filed
24 by the clerk or magistrate with the facsimile copy of the affidavit. This affiant's examination
25 shall comply with the requirements of the initial examination as provided in G.S. 122C-263(c).
26 If the physician or eligible psychologist recommends outpatient commitment and the clerk or
27 magistrate finds probable cause to believe that the respondent meets the criteria for outpatient
28 commitment, the clerk or magistrate shall issue an order that a hearing before a district court
29 judge be held to determine whether the respondent will be involuntarily committed. The
30 physician or eligible psychologist shall provide the respondent with written notice of any
31 scheduled appointment and the name, address, and telephone number of the proposed
32 outpatient treatment physician or center. If the physician or eligible psychologist recommends
33 inpatient commitment and the clerk or magistrate finds probable cause to believe that the
34 respondent meets the criteria for inpatient commitment, the clerk or magistrate shall issue an
35 order for transportation to or custody at a 24-hour facility described in
36 G.S. ~~122C-252~~, 122C-252, provided that if a 24-hour facility is not immediately available or
37 appropriate to the respondent's medical condition, the respondent may be temporarily detained
38 under appropriate supervision and, upon further examination, released in accordance with
39 G.S. 122C-263(d)(2). However, if If the clerk or magistrate finds probable cause to believe that
40 the respondent, in addition to being mentally ill, is also mentally retarded, the clerk or
41 magistrate shall contact the area authority before issuing the order and the area authority shall
42 designate the facility to which the respondent is to be transported. If a physician or eligible
43 psychologist executes an affidavit for inpatient commitment of a respondent, a second
44 physician shall be required to perform the examination required by G.S. 122C-266."

45 **SECTION 3.** G.S. 122C-263(d) reads as rewritten:

46 "**§ 122C-263. Duties of law-enforcement officer; first examination by physician or eligible**
47 **psychologist.**

48 ...

49 (d) After the conclusion of the examination the physician or eligible psychologist shall
50 make the following determinations:

- 51 (1) If the physician or eligible psychologist finds that:

- 1 a. The respondent is mentally ill;
- 2 b. The respondent is capable of surviving safely in the community with
- 3 available supervision from family, friends, or others;
- 4 c. Based on the respondent's psychiatric history, the respondent is in
- 5 need of treatment in order to prevent further disability or
- 6 deterioration that would predictably result in dangerousness as
- 7 defined by G.S. 122C-3(11); and
- 8 d. The respondent's current mental status or the nature of the
- 9 respondent's illness limits or negates the respondent's ability to make
- 10 an informed decision to seek voluntarily or comply with
- 11 recommended treatment.

12 The physician or eligible psychologist shall so show on the examination
13 report and shall recommend outpatient commitment. In addition the
14 examining physician or eligible psychologist shall show the name, address,
15 and telephone number of the proposed outpatient treatment physician or
16 center. The person designated in the order to provide transportation shall
17 return the respondent to the respondent's regular residence or, with the
18 respondent's consent, to the home of a consenting individual located in the
19 originating county, and the respondent shall be released from custody.

- 20 (2) If the physician or eligible psychologist finds that the respondent is mentally
21 ill and is dangerous to self, as defined in G.S. 122C-3(11)a., or others, as
22 defined in G.S. 122C-3(11)b., the physician or eligible psychologist shall
23 recommend inpatient commitment, and shall so show on the examination
24 report. If, in addition to mental illness and dangerousness, the physician or
25 eligible psychologist also finds that the respondent is known or reasonably
26 believed to be mentally retarded, this finding shall be shown on the report.
27 The law enforcement officer or other designated person shall take the
28 respondent to a 24-hour facility described in G.S. 122C-252 pending a
29 district court hearing. If there is no area 24-hour facility and if the
30 respondent is indigent and unable to pay for care at a private 24-hour
31 facility, the law enforcement officer or other designated person shall take the
32 respondent to a State facility for the mentally ill designated by the
33 Commission in accordance with G.S. 143B-147(a)(1)a. for custody,
34 observation, and treatment and immediately notify the clerk of superior court
35 of this action. If a 24-hour facility is not immediately available or
36 appropriate to the respondent's medical condition, the respondent may be
37 temporarily detained under appropriate supervision at the site of the first
38 examination, and the custody order remains in effect, provided that at
39 anytime that a physician or eligible psychologist determines that the
40 respondent is no longer in need of inpatient commitment the proceedings
41 shall be terminated and the respondent transported and released in
42 accordance with subdivision (3) of this subsection. However, if the physician
43 or eligible psychologist determines that the respondent meets the criteria for
44 outpatient commitment, as defined in subdivision (1) of this subsection, the
45 physician or eligible psychologist may recommend outpatient commitment,
46 and the respondent shall be transported and released in accordance with
47 subdivision (1) of this subsection. Any decision to terminate the proceedings
48 or to recommend outpatient commitment after an initial recommendation of
49 inpatient commitment shall be documented and reported to the clerk of
50 superior court in accordance with subsection (e) of this section. If the
51 respondent continues to meet the criteria for inpatient commitment but a

1 24-hour facility is not available or medically appropriate seven days after the
2 issuance of the custody order, a physician or psychologist shall report this
3 fact to the clerk of superior court, and the proceedings shall be terminated.

4 In the event an individual known or reasonably believed to be mentally
5 retarded is transported to a State facility for the mentally ill, in no event shall
6 that individual be admitted to that facility except as follows:

- 7 a. Persons described in G.S. 122C-266(b);
8 b. Persons admitted pursuant to G.S. 15A-1321;
9 c. Respondents who are so extremely dangerous as to pose a serious
10 threat to the community and to other patients committed to non-State
11 hospital psychiatric inpatient units, as determined by the Director of
12 the Division of Mental Health, Developmental Disabilities, and
13 Substance Abuse Services or his designee; and
14 d. Respondents who are so gravely disabled by both multiple disorders
15 and medical fragility or multiple disorders and deafness that
16 alternative care is inappropriate, as determined by the Director of the
17 Division of Mental Health, Developmental Disabilities, and
18 Substance Abuse Services or his designee.

19 Individuals transported to a State facility for the mentally ill who are not
20 admitted by the facility may be transported by law enforcement officers or
21 designated staff of the State facility in State-owned vehicles to an
22 appropriate 24-hour facility that provides psychiatric inpatient care.

23 No later than 24 hours after the transfer, the responsible professional at
24 the original facility shall notify the petitioner, the clerk of court, and, if
25 consent is granted by the respondent, the next of kin, that the transfer has
26 been completed.

- 27 (3) If the physician or eligible psychologist finds that neither condition
28 described in subdivisions (1) or (2) of this subsection exists, the proceedings
29 shall be terminated. The person designated in the order to provide
30 transportation shall return the respondent to the respondent's regular
31 residence or, with the respondent's consent, to the home of a consenting
32 individual located in the originating county and the respondent shall be
33 released from custody."
