PART I. CONTINUING EDUCATION REQUIREMENTS

SECTION 1.1. G.S. 143-151.64(a) reads as rewritten:

7 "(a) Requirements. - The Board may establish programs of continuing education for licensees under this Article. A licensee subject to a program under this section shall present 8 9 evidence to the Board upon the license renewal following initial licensure, and every renewal 10 thereafter, that during the 12 months preceding the annual license expiration date the licensee 11 has completed the required number of classroom hours of instruction in courses approved by 12 the Board. Annual continuing education hour requirements shall be determined by the Board, 13 but shall not be more-less than 12 credit hours. hours and no more than 20 hours. No member 14 of the Board shall provide or sponsor a continuing education course under this section while 15 that person is serving on the Board."

16 SECTION 1.2. The North Carolina Home Inspector Licensure Board has the 17 authority under G.S. 143-151.49(a)(12) and G.S. 143-151.55(a) to establish continuing 18 education requirements as a condition of licensure renewal. Under that authority, the Board 19 must require home inspectors and associate home inspectors licensed on or before September 20 30, 2011, to complete a continuing education program that focuses on inspection techniques and reporting requirements. The program must consist of 48 hours of instruction, composed of 21 22 three separate 16-hour segments. A separate segment must be offered each renewal period. A 23 licensee must complete one segment of the program for each of the three license renewal periods beginning with the license renewal period that starts on October 1, 2011. A licensee 24 25 must complete the three-year program by October 1, 2014. Completion of each program 26 segment satisfies the continuing education requirements under G.S. 143-151.64 for the renewal period in which it is completed. The Board may not allow continuing education credit for an 27 28 unapproved course under G.S. 143-151.64(c) to be substituted for the continuing education 29 requirements of this section.

SECTION 1.3. This Part becomes effective October 1, 2009.
