Representative Braxton

1 moves to amend the bill on page 2, lines 15 through 22,  
2 by rewriting those lines to read:

3  
4 "(b) The primary operator shall designate one or more emergency response operators who  
5 are employees or agents of the primary operator and shall be on call to respond to emergencies  
6 or alarms at the facility. If an emergency response operator is not present at the facility at all  
7 times during which a regulated substance is being withdrawn from, or is capable of being  
8 withdrawn from, the underground storage tank system, the facility shall have an automated  
9 notification system in place that will alert the emergency response operator of an emergency or  
10 activated alarm at the facility. If the primary"
