23 trust on real property in the State upon which there is to be  
24 constructed using the loan proceeds a structure or structures designed  
25 principally for occupancy of from one to four families which, when

3 12 U.S.C. § 2801, et seq. (HMDA), the difference between  
4 the annual percentage rate and the yield on Treasury

6 determined using the same procedures and calculation  
7 methods applicable to loans that are subject to the reporting  
8 requirements of HMDA, as those procedures and calculation  
9 methods are amended from time to time, provided that the  
10 yield on Treasury securities shall be determined as of the  
11 fifteenth day of the month prior to the application for the  
12 loan.

13 (b) No prepayment fees or penalties shall be charged or collected on a rate spread home  
14 loan.

15 ~~(c) No lender shall make a rate spread home loan unless the lender reasonably and in~~  
16 ~~good faith believes at the time the loan is consummated that one or more of the obligors, when~~  
17 ~~considered individually or collectively, has the ability to repay the loan according to its terms~~  
18 ~~and to pay applicable real estate taxes and hazard insurance premiums. If a lender making a rate~~  
19 ~~spread home loan knows that one or more mortgage loans secured by the same real property~~  
20 ~~will be made contemporaneously to the same borrower with the rate spread home loan being~~  
21 ~~made by that lender, the lender making the rate spread home loan must document the~~  
22 ~~borrower's ability to repay the combined payments of all loans on the same real property.~~

23 ~~(1) A lender's analysis of an obligor's ability to repay a rate spread home loan~~  
24 ~~according to the loan terms and to pay related real estate taxes and insurance~~

28 ~~that secures repayment of the rate spread home loan.~~

29 ~~(2) In determining an obligor's ability to repay a rate spread home loan, the~~  
30 ~~lender shall take reasonable steps to verify the accuracy and completeness of~~  
31 ~~information provided by or on behalf of the obligor using tax returns, payroll~~  
32 ~~receipts, bank records, reasonable alternative methods, or reasonable~~  
33 ~~third party verification.~~

34 ~~(3) In determining an obligor's ability to repay a rate spread home loan~~  
35 ~~according to its terms when the loan has an adjustable rate feature, the lender~~  
36 ~~shall take into consideration any balance increase that may accrue from any~~  
37 ~~negative amortization provision. The lender shall calculate the monthly~~  
38 ~~payment amount for principal and interest by assuming (i) the loan proceeds~~  
39 ~~are fully disbursed on the date of the loan closing, (ii) the loan is to be repaid~~  
40 ~~in substantially equal monthly amortizing payments of principal and interest~~  
41 ~~over the entire term of the loan, with no balloon payment, and (iii) the~~  
42 ~~interest rate over the entire term of the loan is a fixed rate equal to the fully~~  
43 ~~indexed interest rate at the time of the loan closing, without considering any~~  
44 ~~initial discounted rate. The "fully indexed interest rate at the time of the loan~~  
45 ~~closing" is the interest rate that would have applied at the time of the closing~~  
46 ~~had the initial interest rate been determined by the application of the same~~  
47 ~~interest rate formula, (for example, an interest rate index plus or minus a~~  
48 ~~margin) that applies under the terms of the loan documents to subsequent~~  
49 ~~interest rate adjustments, disregarding any limitations on the amount by~~  
50 ~~which the interest rate may change at any one time.~~

1           (4) ~~A lender's analysis of an obligor's ability to repay a rate spread loan may~~  
2           ~~utilize reasonable commercially recognized underwriting standards and~~  
3           ~~methodologies, including automated underwriting systems, provided the~~  
4           ~~standards and methodologies comply with the provisions of this section.~~

5           (c) No lender shall make a rate spread home loan to a borrower based on the value of  
6 the borrower's collateral without due regard to the borrower's repayment ability as of  
7 consummation, including the borrower's current and reasonably expected income, employment,  
8 assets other than the collateral, current obligations, and mortgage-related obligations. Without  
9 regard to whether the loan is a "higher-priced mortgage loan" as defined in section 226.35 of  
10 Title 12 of the Code of Federal Regulations, the methodology and standards for the  
11 determination of a borrower's repayment ability set forth in section 226.34(a)(4) of Title 12 of  
12 the Code of Federal Regulations and the related Federal Reserve Board's Official Staff  
13 Commentary on Regulation Z, as the regulation and commentary may be amended from time to  
14 time, shall be applied to determine a lender's compliance with this requirement.

15           (d) The making of a rate spread home loan which violates subsection (b) or (c) of this  
16 section is hereby declared usurious in violation of the provisions of this Chapter. In addition,  
17 any prepayment penalty in violation of this section shall be unenforceable. However, ~~an obligor~~  
18 a borrower shall not be entitled to recover twice for the same wrong. The Attorney General, the  
19 Commissioner of Banks, or any party to a rate spread home loan may enforce the provisions of  
20 this section. This section establishes specific consumer protections in rate spread home loans in  
21 addition to other consumer protections that may be otherwise available by law. A mortgage  
22 broker who brokers a rate spread home loan that violates the provisions of this section shall be  
23 jointly and severally liable with the lender.

24           (e) The provisions of this section shall apply to any person who in bad faith attempts to  
25 avoid the application of this section by (i) dividing any loan transaction into separate parts for  
26 the purpose and with the intent of evading the provisions of this section, or (ii) any other such  
27 subterfuge.

28           (f) A lender in a rate spread home loan who, when acting in good faith, fails to comply  
29 with this section, will not be deemed to have violated this section if the lender establishes that  
30 either:

31           (1) Within 90 days of the loan closing and prior to the institution of any action  
32 against the lender under this section, the borrower was notified of the  
33 compliance failure, the lender tendered appropriate restitution, the lender  
34 offered, at the borrower's option, either to (i) make the rate spread home loan  
35 comply with subsection (b) or (c), or (ii) change the terms of the loan in a  
36 manner beneficial to the borrower so that the loan will no longer be  
37 considered a rate spread home loan subject to the provisions of this section,  
38 and within a reasonable period of time following the borrower's election of  
39 remedies, the lender took appropriate action based on the borrower's choice;  
40 or

41           (2) The compliance failure was not intentional and resulted from a bona fide  
42 error notwithstanding the maintenance of procedures reasonably adopted to  
43 avoid such errors, and within 120 days after the discovery of the compliance  
44 failure and prior to the institution of any action against the lender under this  
45 section or the lender's receipt of written notice of the compliance failure, the  
46 borrower was notified of the compliance failure, the lender tendered  
47 appropriate restitution, the lender offered, at the borrower's option, either to  
48 (i) make the rate spread home loan comply with subsection (b) or (c) of this  
49 section, or (ii) change the terms of the loan in a manner beneficial to the  
50 borrower so that the loan will no longer be considered a rate spread home  
51 loan subject to the provisions of this section, and within a reasonable period

1 of time following the borrower's election of remedies, the lender took  
2 appropriate action based on the borrower's choice. Examples of a bona fide  
3 error include clerical, calculation, computer malfunction and programming,  
4 and printing errors. An error of legal judgment with respect to a person's  
5 obligations under this section is not a bona fide error.

6 (g) The provisions of this section shall be severable, and if any phrase, clause, sentence,  
7 or provision is declared to be invalid or is preempted by federal law or regulation, the validity  
8 of the remainder of this section shall not be affected thereby."
