A BILL TO BE ENTITLED

AN ACT TO CONTINUALLY APPLY THE SPECIAL RULES FOLLOWING A FEDERAL
DECENNIAL CENSUS TO MUNICIPAL REDISTRICTING AFTER THAT CENSUS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 160A-23.1 reads as rewritten:

"§ **160A-23.1. Special rules for redistricting after 2000-a federal decennial census.**

(a) As soon as possible after receipt of federal decennial census information ~~information in 2001~~
information, the council of any city which elects the members of its governing board on a
district basis, or where candidates for such office must reside in a district in order to run, shall
evaluate the existing district boundaries to determine whether it would be lawful to hold the
next election without revising districts to correct population imbalances. If such revision is
necessary, the council shall consider whether it will be possible to adopt the changes (and
obtain approval from the United States Department of Justice, if necessary) before the third day
before opening of the filing period for the municipal election. The council shall take into
consideration the time that will be required to afford ample opportunities for public input. If the
council determines that it most likely will not be possible to adopt the changes (and obtain
federal approval, if necessary) before the third business day before opening of the filing period,
and determines further that the population imbalances are so significant that it would not be
lawful to hold the next election using the current electoral districts, it may adopt a resolution
delaying the election so that it will be held on the timetable provided by subsection (d) of this
section. Before adopting such a resolution, the council shall hold a public hearing on it. The
notice of public hearing shall summarize the proposed resolution and shall be published at least
once in a newspaper of general circulation, not less than seven days before the date fixed for
the hearing. Notwithstanding adoption of such a resolution, if the council proceeds to adopt the
changes, (and federal approval is obtained, if necessary) by the end of the third business day
before the opening of the filing period, the election shall be held on the regular schedule under
the revised electoral districts. Any resolution adopted under this subsection, and any changes in
electoral district boundaries made under this section shall be submitted to the United States
Department of Justice (if the city is covered under Section 5 of the Voting Rights Act of 1965),
the State Board of Elections, and to the board conducting the elections for that city.

(b) In adopting any revisal under this section, if the council determines that in order for
the plan to conform to the Voting Rights Act of 1965, the number of district seats needs to be
increased or decreased, it may do so by following the procedures set forth in Part 4 of Article 5
of Chapter 160A of the General Statutes, except that the ordinance under G.S. 160A-102 may

* H 8 0 - P C S 3 0 2 0 7 - S R R - 4 *

1 be adopted at the same meeting as the public hearing, and any referendum on the change under
2 G.S. 160A-103 shall not apply to the municipal election in ~~2001 or 2002~~the two years
3 following a federal decennial census.

4 (c) If the resolution provided for in subsection (a) of this section is not adopted and:

5 (1) Proposed changes to the electoral districts are not adopted, or

6 (2) Such changes are adopted, but approval under the Voting Rights Act of
7 1965, as amended, is required, and notice of such approval is not received,

8 by the end of the third business day before the opening of the filing period, the election shall be
9 held on the regular schedule using the current electoral districts.

10 (d) If the council adopts the resolution provided for in subsection (a) of this section and
11 does not adopt the changes, or does adopt the changes, but approval under the Voting Rights
12 Act of 1965, as amended, is required, and notice of such approval is not received, by the end of
13 the third day before the opening of the filing period, the municipal election shall be rescheduled
14 as provided in this subsection and current officeholders shall hold over until their successors
15 are elected and qualified. For cities using the:

16 (1) Partisan primary and election method under G.S. 163-291, the primary shall
17 be held on the primary election date for county officers in ~~2002~~the second
18 year following a federal decennial census, the second primary, if necessary,
19 shall be held on the second primary election date for county officers in
20 ~~2002~~that year, and the general election shall be held on the general election
21 date for county officers in ~~2002~~that year.

22 (2) Nonpartisan primary and election method under G.S. 163-294, the primary
23 shall be held on the primary election date for county officers in ~~2002~~ the
24 second year following a federal decennial census, and the election shall be
25 held on the date for the second primary for county officers in ~~2002~~that year.

26 (3) Nonpartisan plurality election method under G.S. 163-292, the election shall
27 be held on the primary election date for county officers in ~~2002~~the second
28 year following a federal decennial census.

30 the primary election date for county officers in ~~2002~~the second year
31 following a federal decennial census, and the runoffs, if necessary, shall be
32 held on the date for the second primary for county officers in ~~2002~~that year.

33 The organizational meeting of the new council may be held at any time after the results of
34 the election have been officially determined and published, but not later than the time and date
35 of the first regular meeting of the council in November ~~2002~~of the second year following a
36 federal decennial census, except in the case of partisan municipal elections, when the
37 organizational meeting shall be held not later than the time and date of the first regular meeting
38 of the council in December of ~~2002~~the second year following a federal decennial census.

39 (e) This section does not apply to any municipality that, under its charter, is not
40 scheduled to hold an election in the year following a federal decennial census."

47 seeking party nomination for municipal or district office in any city
48 which elects members of its governing board on a district basis, or

6 candidacy with the board of elections at the same time as notices of
7 candidacy for county officers are required to be filed under
8 G.S. 163-106.

9 No person may file a notice of candidacy for more than one municipal
10 office at the same election. If a person has filed a notice of candidacy for one
11 office with the county board of elections under this section, then a notice of
12 candidacy may not later be filed for any other municipal office for that
13 election unless the notice of candidacy for the first office is withdrawn first."
