1 A BILL TO BE ENTITLED
2 AN ACT REQUIRING COUNTIES AND CITIES TO HAVE REASONABLE CAUSE
3 BEFORE INSPECTING RESIDENTIAL BUILDINGS OR STRUCTURES.

4 The General Assembly of North Carolina enacts:

5 SECTION 1. G.S. 153A-364 reads as rewritten:

6 "§ 153A-364. Periodic inspections for hazardous or unlawful conditions.

7 (a) The inspection department ~~shall~~ may make periodic inspections, subject to the board
8 of commissioners' directions, for unsafe, unsanitary, or otherwise hazardous and unlawful
9 conditions in buildings or structures within its territorial jurisdiction. Except as provided in
10 subsection (b) of this section, the inspection department may make periodic inspections only
11 when there is reasonable cause to believe that unsafe, unsanitary, or otherwise hazardous or
12 unlawful conditions may exist in a residential building or structure. For purposes of this
13 section, the term 'reasonable cause' means any of the following: (i) the landlord or owner has a
14 history of more than two verified violations of the housing ordinances or codes within a
15 12-month period; (ii) there has been a complaint that substandard conditions exist within the
16 building or there has been a request that the building be inspected; (iii) the inspection
17 department has actual knowledge of an unsafe condition within the building; or (iv) violations
18 of the local ordinances or codes are visible from the outside of the property. In conducting
19 inspections authorized under this section, the inspection department shall not discriminate
20 between single-family and multifamily buildings. In addition, it shall make any necessary
21 inspections when it has reason to believe that such conditions may exist in a particular building.
22 In exercising these powers, each member of the inspection department has a right, upon
23 presentation of proper credentials, to enter on any premises within the territorial jurisdiction of
24 the department at any reasonable hour for the purposes of inspection or other enforcement
25 action.

26 (b) A county may require periodic inspections as part of a targeted effort within a
27 geographic area that has been designated by the county commissioners. The county shall not
28 discriminate in its selection or areas or properties to be targeted and shall (i) provide notice to
29 all owners and residents of properties in the affected area about the periodic inspections plan
30 and information regarding a public hearing regarding the plan; (ii) hold a public hearing
31 regarding the plan; and (iii) establish a plan to address the ability of low-income residential
32 property owners to comply with minimum housing code standards.

1 (c) In no event may a county do any of the following: (i) adopt or enforce any
2 ordinance that would require any owner or manager of rental property to obtain any permit or
3 permission from the county to lease or rent residential real property, except for those properties
4 that have more than three verified violations in a 12-month period; (ii) require that an owner or
5 manager of residential rental property enroll or participate in any governmental program as a
6 condition of obtaining a certificate of occupancy; or (iii) except as provided in subsection (d) of
7 this section, levy a special fee or tax on residential rental property that is not also levied against
8 other commercial and residential properties.

9 (d) A county may levy a fee for residential rental property registration under subsection
10 (c) of this section for those properties which have been found with more than two verified
11 violations of local ordinances within the previous 12 months. The fee shall be an amount that
12 covers the cost of operating a residential registration program and shall not be used to supplant
13 revenue in other areas. Counties using registration programs that charge registration fees for all
14 residential rental properties as of June 1, 2011, may continue levying a fee on all residential
15 rental properties as follows:

16 (1) For properties with 20 or more residential rental units, the fee shall be no
17 more than fifty dollars (\$50.00) per year.

18 (2) For properties with fewer than 20 but more than three residential rental units,
19 the fee shall be no more than twenty-five dollars (\$25.00) per year.

20 (3) For properties with three or fewer residential rental units, the fee shall be no
21 more than fifteen dollars (\$15.00) per year."

27 this section, the inspection department may make periodic inspections only when there is
28 reasonable cause to believe that unsafe, unsanitary, or otherwise hazardous or unlawful
29 conditions may exist in a residential building or structure. For purposes of this section, the term

4 section, levy a special fee or tax on residential rental property that is not also levied against
5 other commercial and residential properties.

6 (d) A city may levy a fee for residential rental property registration under subsection (c)
7 of this section for those properties which have been found with more than two verified
8 violations of local ordinances within the previous 12 months. The fee shall be an amount that
9 covers the cost of operating a residential registration program and shall not be used to supplant
10 revenue in other areas. Cities using registration programs that charge registration fees for all
11 residential rental properties as of June 1, 2011, may continue levying a fee on all residential
