"SECTION 28.12A. The Program Evaluation Division of the General Assembly shall
conduct a comprehensive evaluation of the North Carolina Railroad Company, a North
Carolina corporation of which the State is the sole shareholder and which is a discretely
reported component unit of the State as defined by the Governmental Accounting Standards
Board. The evaluation shall address, at a minimum, the following issues:
(1) Whether the corporation is adhering to its stated corporate mission of
maximizing the value of the corporation for the people of the State.
(2) What economic development benefits have been provided by the corporation
and for what costs.
(3) An evaluation of the use of available cash by the corporation, including the
purchase of real property used for investment purposes rather than paying
dividends to the State.
(4) The approximate value of the corporation's assets, based on a market
valuation rather than historic or book value of assets.
(5) The approximate value of the entire corporation as a going concern.
(6) The effectiveness of the provisions of Chapter 124 of the General Statutes to
allow the State to exercise its shareholder rights and to provide effective
shareholder oversight of the corporation.
(7) Whether the ownership of the corporation provides the State a reasonable
return on its investment, attempting to consider both the tangible and
intangible value provided by the corporation.
(8) Whether the corporation should be sold, transferred under the jurisdiction of
the Department of Transportation or another State agency, or maintain its
corporate structure.
(9) Whether the General Assembly should consider the possibility of repealing
the corporate charter of the corporation by a special act, as allowed under
Section 1 of Article VIII of the North Carolina Constitution.
For the purposes of this evaluation, the terms "State agency" or "agency" as used under
Article 7C of Chapter 120 of the General Statutes shall include the North Carolina Railroad
Company.
For the purposes of this evaluation, the Program Evaluation Division is hereby granted
authority to exercise the State's shareholder right to inspect the corporate books and records of
the North Carolina Railroad Company on behalf of the State.
The From funds available to the Joint Legislative Transportation Oversight Committee, the
Program Evaluation Division may hire consultants to aid it in its evaluation, including experts
in appraisal and valuation.
The Program Evaluation Division shall report the results of its study to the Joint Legislative
Program Evaluation Oversight Committee and the Joint Legislative Transportation Oversight
Committee no later than May 1, 2012.November 1, 2012."

full compliance with the State Budget Act, Chapter 143C of the General Statutes. Prior to the
award of construction contracts for projects to be financed in whole or in part with
self-liquidating appropriations, the Director of the Budget shall approve the elements of the
method of financing of those projects, including the source of funds, interest rate, and
liquidation period. Provided, however, that if the Director of the Budget approves the method
of financing a project, the Director shall report that action to the Joint Legislative Commission
on Governmental Operations at its next meeting. Provided further that this requirement shall
not apply to projects of The University of North Carolina financed with funds available to the
institutions from gifts, grants, receipts, self-liquidating indebtedness, Medicare reimbursement
for education costs, hospital receipts from patient care, or other funds, or any combination o
these funds, but not including funds received for tuition or appropriated from the General Fund
of the State.
Where direct capital improvement appropriations include the purpose of furnishing fixed
and movable equipment for any project, those funds for equipment shall not be subject to
transfer into construction accounts except as authorized by the Director of the Budget. The
expenditure of funds for fixed and movable equipment and furnishings shall be reviewed and
approved by the Director of the Budget prior to commitment of funds.
Capital improvement projects authorized by the 2011 General Assembly shall be

Capital improvement projects authorized by the 2011 General Assembly shall be completed, including fixed and movable equipment and furnishings, within the limits of the amounts of the direct or self-liquidating appropriations provided, except as otherwise provided in this act. Capital improvement projects authorized by the 2011 General Assembly for the design phase only shall be designed within the scope of the project as defined by the approved cost estimate filed with the Director of the Budget, including costs associated with site preparation, demolition, and movable and fixed equipment."

48	
49	COMMITTEE REPORT
50	SECTION 67.(a) The Senate Appropriations Committee Report on the
51	Continuation, Expansion, and Capital Budgets dated June 16, 2011, which was distributed in

the Senate and the House of Representatives and used to explain this act, shall indicate action by the General Assembly on S.L. 2011-145 and this act, and shall therefore be used to construe such acts, as provided in the State Budget Act, Chapter 143C of the General Statutes, and for these purposes shall be considered a part of such acts and as such shall be printed as a part of the Session Laws.

6 **SECTION 67.(b)** The budget enacted by the General Assembly is for the 7 maintenance of the various departments, institutions, and other spending agencies of the State 8 for the 2011-2013 biennial budget as provided in G.S. 143C-3-5. This budget includes the 9 appropriations of State funds as defined in G.S. 143C-1-1(d)(25).

10 The Director of the Budget submitted a recommended continuation budget to the 11 General Assembly on February 15, 2011, in the document "The State of North Carolina 12 Governor's Recommended Budget, 2011-2013" and in the Budget Support Document for the 13 various departments, institutions, and other spending agencies of the State. The adjustments to 14 these documents made by the General Assembly in S.L. 2011-145 and this act are set out in the 15 Committee Report.

16 **SECTION 67.(c)** The budget enacted by the General Assembly shall also be 17 interpreted in accordance with G.S. 143C-5-5, the special provisions in this act and other 18 appropriate legislation.

19 In the event that there is a conflict between the line-item budget certified by the 20 Director of the Budget and the budget enacted by the General Assembly, the budget enacted by 21 the General Assembly shall prevail.
