2 a motor vehicle sold under the provisions of this section shall be transferred from the motor
3 vehicle to the proceeds of its sale. If, at the time of hearing, or other proceeding in which the
4 matter is considered, the owner of the vehicle can establish to the satisfaction of the court that

9 issues.

10 If the owner of said motor vehicle cannot be found, the taking of the same, with a

18 equipped or modified from its original manufactured condition so as to increase its speed, the
19 court shall, prior to sale, order that the special equipment or modification be removed and
20 destroyed and the vehicle restored to its original manufactured condition. However, if the court
21 should find that such equipment and modifications are so extensive that it would be impractical
22 to restore said vehicle to its original manufactured condition, then the court may order that the
23 vehicle be turned over to such governmental agency or public official within the territorial
24 jurisdiction of the court as the court shall see fit, to be used in the performance of official duties
25 only, and not for resale, transfer, or disposition other than as junk: Provided, that nothing herein
