41 The voter may use the electronic transmission system or any other approved method to register
42 to vote.

43 **(d)** A covered voter's registration to vote by any method authorized by this section may

5 described in G.S. 163-258.4(c) is capable of accepting the submission of both a federal

7 to the appropriate election official. The voter may use the electronic transmission system or any
8 other approved method to apply for a military-overseas ballot.

10 ballot, as prescribed under the Uniformed and Overseas Citizens Absentee Voting Act, section

25 **"§ 163-258.8. Timeliness and scope of application for military-overseas ballot.**

26 An application for a military-overseas ballot is timely if received by the appropriate
27 election official by 5:00 P.M. of the day before the election or primary. An application from a
28 covered voter for a military-overseas ballot shall be considered a valid absentee ballot request
29 for any election covered under G.S. 163-258.3 held during the calendar year in which the
30 application was received.

31 **"§ 163-258.9. Transmission of unvoted ballots.**

32 **(a)** Not later than 60 days before the statewide general election in even-numbered years
33 and not later than 50 days before any other election, the county board of elections shall transmit
34 a ballot and balloting materials to all covered voters who by that date submit a valid
35 military-overseas ballot application, except for a second primary. However, in the case of
36 municipal elections, absentee ballots shall be made available no later than 30 days before an
37 election. For a second primary which includes a candidate for federal office, the county board
38 of elections shall transmit a ballot and balloting material to all covered voters who by that date
39 submit a valid military-overseas ballot application no later than 45 days before the second
40 primary. For a second primary which does not include a candidate for federal office, the
41 transmission of the ballot and ballot materials shall be as soon as practicable, and shall be
42 transmitted electronically no later than three business days and by mail no later than 15 days
43 from the date the appropriate board of elections orders that the second primary be held pursuant
44 to G.S. 163-111. If additional offices are added to the ballot to fill a vacancy occurring after the
45 deadline provided by this subsection, those ballots shall be transmitted as soon as practicable.

46 **(b)** A covered voter who requests that a ballot and balloting materials be sent to the
47 voter by electronic transmission may choose facsimile transmission or electronic mail delivery,
48 or, if offered by the voter's jurisdiction, Internet delivery. The election official in each
49 jurisdiction charged with distributing a ballot and balloting materials shall transmit the ballot
50 and balloting materials to the voter using the means of transmission chosen by the voter.

1 (c) If a ballot application from a covered voter arrives after the jurisdiction begins
2 transmitting ballots and balloting materials to voters, the official charged with distributing a
3 ballot and balloting materials shall transmit them to the voter not later than two business days
4 after the application arrives.

5 **"§ 163-258.10. Timely casting of ballot.**

6 To be valid, a military-overseas ballot shall either be received by the appropriate county
7 board of elections no later than the close of the polls or the covered voter shall submit the ballot
8 for mailing, electronic transmission, or other authorized means of delivery not later than 12:01
9 A.M., at the place where the voter completes the ballot, on the date of the election.

10 **"§ 163-258.11. Federal write-in absentee ballot.**

11 A covered voter may use the federal write-in absentee ballot, in accordance with the
12 Uniformed and Overseas Citizens Absentee Voting Act, section 103, 42 U.S.C. § 1973ff-2, to
13 vote for all offices and ballot measures in a covered election.

14 **"§ 163-258.12. Receipt of voted ballot.**

15 (a) A valid military-overseas ballot cast in accordance with G.S. 163-258.10 shall be
16 counted if it is delivered to the address that the appropriate State or local election office has
17 specified by the end of business on the business day before the canvass conducted by the
18 county board of elections held pursuant to G.S. 163-182.5 to determine the final official results.

19 (b) If the ballot is timely received, it may not be rejected on the basis that it has a late
20 postmark, an unreadable postmark, or no postmark.

21 **"§ 163-258.13. Declaration.**

22 Each military-overseas ballot shall include or be accompanied by a declaration signed by
23 the voter declaring that a material misstatement of fact in completing the document may be
24 grounds for a conviction of perjury under the laws of the United States or this State.

25 **"§ 163-258.14. Confirmation of receipt of application and voted ballot.**

26 The State Board of Elections, in coordination with local election officials, shall implement
27 an electronic free-access system by which a covered voter may determine by telephone,
28 electronic mail, or Internet whether:

- 29 (1) The voter's federal postcard application or other registration or
30 military-overseas ballot application has been received and accepted; and
31 (2) The voter's military-overseas ballot has been received and the current status
32 of the ballot.

33 **"§ 163-258.15. Use of voter's electronic mail address.**

34 (a) The county board of elections shall request an electronic-mail address from each
35 covered voter who registers to vote after January 1, 2012. An electronic-mail address provided
36 by a covered voter is not a public record under Chapter 132 of the General Statutes. The
37 address may be used only for official communication with the voter about the voting process,
38 including transmitting military-overseas ballots and election materials if the voter has requested
39 electronic transmission, and verifying the voter's mailing address and physical location, as
40 needed. The request for an electronic-mail address shall describe the purposes for which the
41 electronic-mail address may be used and include a statement that any other use or disclosure of
42 the electronic-mail address is prohibited.

43 (b) A covered voter who provides an electronic-mail address may request that the
44 voter's application for a military-overseas ballot be considered a standing request for electronic
45 delivery of a ballot for all elections held through December 31 of the year following the
46 calendar year of the date of the application or another shorter period the voter specifies,
47 including for any runoff elections that occur as a result of such elections. An election official
48 shall provide a military-overseas ballot to a voter who makes a request for each election to
49 which the request is applicable. A covered voter entitled to receive a military-overseas ballot
50 for a primary election under this subsection is also entitled to receive a military-overseas ballot
51 for the general election.

"§ 163-258.16. Publication of election notice.

(a) Not later than 100 days before a regularly scheduled election to which this Article applies, and as soon as practicable in the case of an election or vacancy election not regularly scheduled, each county board of elections shall prepare an election notice for that jurisdiction to be used in conjunction with the federal write-in absentee ballot described in G.S. 163-258.11. For a second primary required by G.S 163-111, the county board of elections shall prepare, no later than the day following the date the appropriate board of elections orders that a second primary be held, an election notice for that jurisdiction to be used in conjunction with the federal write-in absentee ballot. The election notice shall contain a list of all of the ballot measures and federal, State, and local offices that as of that date the official expects to be on the ballot on the date of the election. The notice also shall contain specific instructions for how a voter is to indicate on the federal write-in absentee ballot the voter's choice for each office to be filled and for each ballot measure to be contested.

(b) A covered voter may request a copy of an election notice. The official charged with preparing the election notice shall send the notice to the voter by facsimile, electronic mail, or regular mail, as the voter requests.

(c) As soon as ballot styles are printed, the county board of elections shall update the notice with the certified candidates for each office and ballot measure questions and make the updated notice publicly available.

(d) A county board of elections that maintains an Internet Web site shall make updated versions of its election notices regularly available on the Web site.

"§ 163-258.17. Prohibition of nonessential requirements.

(a) If a voter's mistake or omission in the completion of a document under this Article does not prevent determining whether a covered voter is eligible to vote, the mistake or omission does not invalidate the document. Failure to satisfy a nonessential requirement, such as using paper or envelopes of a specified size or weight, does not invalidate a document submitted under this Article. In any write-in ballot authorized by this Article or in any vote for a write-in candidate on a regular ballot, if the intention of the voter is discernable under this State's uniform definition of what constitutes a vote, as required by the Help America Vote Act, 42 U.S.C. § 15481(a)(6), an abbreviation, misspelling, or other minor variation in the form of the name of a candidate or a political party shall be accepted as a valid vote.

(b) An authentication, other than the declaration specified in G.S. 163-278.13 or the declaration on the federal postcard application and federal write-in absentee ballot, is not required for execution of a document under this Article. The declaration and any information in the declaration may be compared against information on file to ascertain the validity of the document.

"§ 163-258.18. Issuance of injunction or other equitable relief.

A court may issue an injunction or grant other equitable relief appropriate to ensure substantial compliance with, or enforce, this Article on application by:

(1) A covered voter alleging a grievance under this Article; or

(2) An election official in this State.

"§ 163-258.19. Uniformity of application and construction.

In applying and construing this uniform act, consideration shall be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

"§ 163-258.20. Relation to Electronic Signatures in Global and National Commerce Act.

This Article modifies, limits, and supersedes the federal Electronic Signatures in Global and National Commerce Act, 15 U.S.C. § 7001, et seq., but does not modify, limit, or supersede section 101(c) of that act, 15 U.S.C. § 7001(c), or authorize electronic delivery of any of the notices described in section 103(b) of that act, 15 U.S.C. § 7003(b)."

SECTION 2. Article 21 of Chapter 163 of the General Statutes is repealed, except that G.S. 163-251, 253, 254, 255, 256, and 258 are recodified as G.S. 163-258.21 through G.S. 163-258.26, respectively, and as such read as rewritten:
