12 child. Each local school administrative unit shall receive funds for the lesser of (i) all children
13 who are identified as children with disabilities or (ii) twelve and five-tenths percent (12.5%) of
14 its 2012-2013 allocated average daily membership in the local school administrative unit. The
15 dollar amounts allocated under this section for children with disabilities shall also adjust in

29 30 **SCHOOL IMPROVEMENT PLANS AT RESIDENTIAL SCHOOLS**

31 **SECTION 7.3.(a)** In order to improve student performance, the Eastern North
32 Carolina School for the Deaf, the Governor Morehead School for the Blind, and the North
33 Carolina School for the Deaf each shall develop a school improvement plan that takes into
34 consideration the annual performance goal for that school that is set by the State Board of
35 Education. The principal of each school, instructional personnel and residential life personnel
36 assigned to that school, and a minimum of five parents of children enrolled in the school shall
37 constitute a school improvement team to develop a school improvement plan to improve
38 student performance.

39 Representatives of the instructional and residential life personnel shall be elected by
40 their respective groups by secret ballot.

41 Parents shall be elected by parents of children enrolled in the school in an election
42 conducted by the parent and teacher organization of the school or, if none exists, by the largest
43 organization of parents formed for this purpose. To the extent possible, parents serving on
44 school improvement teams shall reflect the composition of the students enrolled in that school.
45 No more than two parents on the team may be employees of the school. Parental involvement is
46 a critical component of school success and positive student achievement; therefore, it is the
47 intent of the General Assembly that parents, along with instructional and residential life
48 personnel, have a substantial role in developing school improvement plans. To this end, school
49 improvement team meetings shall be held at a convenient time to assure substantial parent
50 participation. Parents who are elected to serve on school improvement teams and who are not
51 employees of the school shall receive travel and subsistence expenses in accordance with
52 G.S. 138-5 and, if appropriate, may receive a stipend.

53 All school improvement plans shall be, to the greatest extent possible, data driven.
54 School improvement teams shall use the Education Value Added Assessment System
55 (EVAAS), or a compatible and comparable system approved by the State Board of Education,
56 to analyze student data to identify root causes for problems and to determine actions to address
57 them. School improvement plans shall contain clear, unambiguous targets, explicit indicators
58 and actual measures, and expeditious time frames for meeting the measurement standards.

1 **SECTION 7.3.(b)** The strategies for improving student performance shall include
2 the following:

- 3 (1) A plan for the use of staff development funds that may be made available to
4 the school to implement the school improvement plan. The plan may provide
5 that a portion of these funds is used for mentor training and for release time
6 and substitute teachers while teachers are meeting with mentors.
7 (2) A plan for preparing students to read at grade level by the time they enter
8 second grade. The plan shall require kindergarten and first grade teachers to
9 notify parents or guardians when a child is not reading at grade level and is
10 at risk of not reading at grade level by the time the child enters second grade.
11 The plan may include the use of assessments to monitor students' progress in
12 learning to read and strategies for teachers and parents to implement that will
13 help students improve and expand their reading ability, as well as provide
14 for the recognition of teachers and strategies that appear to be effective at
15 preparing students to read at grade level.
16 (3) A comprehensive plan to encourage parent involvement.
17 (4) A plan designed to provide that the school is safe, secure, and orderly; that
18 there is a climate of respect in the school; and that appropriate personal
19 conduct is a priority for all students and all residential school personnel.
20 (5) A plan that specifies the effective instructional practices and methods to be
21 used to improve the academic performance of students identified as at risk of
22 academic failure or at risk of dropping out of school.

23 **SECTION 7.3.(c)** Support among affected staff members is essential to successful
24 implementation of a school improvement plan to address improved student performance at that
25 school. The principal of the school shall present the proposed school improvement plan to all of
26 the instructional personnel assigned to the school for their review and vote. The vote shall be
27 by secret ballot. The principal shall submit the school improvement plan to the State Board of
28 Education only if the proposed school improvement plan has the approval of a majority of the
29 instructional personnel who voted on the plan.

30 **SECTION 7.3.(d)** The State Board of Education shall accept or reject the school
31 improvement plan within 60 days after the submission plan. If the State Board rejects a school
32 improvement plan, the State Board shall state with specificity the reasons for rejecting the plan
33 to the principal and shall direct that the principal work with the school improvement team to
34 resolve the disagreements. The school improvement team may then prepare another plan,
35 present it to the instructional personnel assigned to the school for a vote, and submit it to the
36 State Board to accept or reject. If there is no resolution within 30 days, then the State Board
37 may develop a school improvement plan for the school; however, the General Assembly urges
38 the State Board to utilize the school's proposed school improvement plan to the maximum
39 extent possible when developing this plan.

40 **SECTION 7.3.(e)** A school improvement plan shall remain in effect for no more
41 than three years; however, the school improvement team may amend the plan as often as is
42 necessary or appropriate. If, at any time, any part of a school improvement plan becomes
43 unlawful or the State Board finds that a school improvement plan is impeding student
44 performance at a school, the State Board may vacate the relevant portion of the plan and may
45 direct the school to revise that portion. The procedures set out in this section shall apply to
46 amendments and revisions to school improvement plans.

47 **SECTION 7.3.(f)** Any funds the State Board makes available to a school to meet
48 the goals for that school under the ABCs Program and to implement the school improvement
49 plan at that school shall be used in accordance with those goals and the school improvement
50 plan.

51 **SECTION 7.3.(g)** The State Board shall develop a list of recommended strategies
52 that it determines to be effective, which building-level committees may use to establish parent
53 involvement programs designed to meet the specific needs of their schools.

54 **SECTION 7.3.(h)** Once the plan is developed, the principal shall ensure the plan is
55 available and accessible to parents and the school community.

56 **SCHOOL CALENDAR PILOT PROGRAM**

57 **SECTION 7.4.** The State Board of Education shall establish a school calendar pilot
58 program in the Wilkes County Schools, the Montgomery County Schools, and the Stanly
59

1 County Schools. The purpose of the pilot program is to determine whether and to what extent a
2 local school administrative unit can save money during this extreme fiscal crisis by
3 consolidating the school calendar.

4 Notwithstanding G.S. 115C-84.2(a)(1), the school calendar for the 2012-2013
5 calendar year for the pilot school systems shall include a minimum of 185 days or 1025 hours
6 of instruction covering at least nine calendar months.

7 If the local board of education in a pilot school system adds instructional hours to
8 previously scheduled days under this section, the local school administrative unit is deemed to
9 have a minimum of 185 days of instruction, and teachers employed for a 10-month term are
10 deemed to have been employed for the days being made up and shall be compensated as if they
11 had worked the days being made up.

12 The State Board of Education shall report to the Joint Legislative Education
13 Oversight Committee by March 15, 2013, on the administration of the pilot program, cost
14 savings realized by it, and its impact on student achievement.

For each benchmark, there shall be three examples of

1 student work demonstrating mastery by a grade of seventy percent (70%) or
2 above.

3 (9) "Summer reading camp" means an additional educational program outside of
4 the instructional calendar provided by the local school administrative unit to
5 any student who does not demonstrate reading proficiency. Parents or

21 empirical research in reading development. The plan shall be developed with the active
22 involvement of teachers, college and university educators, parents and guardians of students,
23 and other interested parties. The plan shall, when appropriate to reflect research, include

27 Education Oversight Committee by October 1 of each even-numbered year on the
28 implementation, evaluation, and revisions to the comprehensive plan for reading achievement
29 and shall include recommendations for legislative changes to enable implementation of current
30 empirical research in reading development.

31 **"§ 115C-83.1E. Developmental screening and kindergarten entry assessment.**

33 shall be administered a developmental screening of early language, literacy, and math skills
34 within 30 days of enrollment.

35 (b) The State Board of Education shall ensure that every student entering kindergarten
36 shall complete a kindergarten entry assessment within 60 days of enrollment.

37 (c) The developmental screening instrument may be composed of subsections of the
38 kindergarten entry assessment.

39 (d) The kindergarten entry assessment shall address the five essential domains of school
40 readiness: language and literacy development, cognition and general knowledge, approaches
41 toward learning, physical well-being and motor development, and social and emotional
42 development.

43 (e) The kindergarten entry assessment shall be (i) administered at the classroom level in
44 all local school administrative units; (ii) aligned to North Carolina's early learning and
45 development standards and to the standard course of study; and (iii) reliable, valid, and
46 appropriate for use with all children, including those with disabilities and those who are
47 English language learners.

48 (f) The results of the developmental screening and the kindergarten entry assessment
49 shall be used to inform the following:

50 (1) The status of children's learning at kindergarten entry.

51 (2) Instruction of each child.

52 (3) Efforts to reduce the achievement gap at kindergarten entry.

53 (4) Continuous improvement of the early childhood system.

55 (a) Kindergarten, first, second, and third grade students shall be assessed with valid,
56 reliable, formative, and diagnostic reading assessments made available to local school
57 administrative units by the State Board of Education pursuant to G.S. 115C-174.11(a).
58 Difficulty with reading development identified through administration of formative and
59 diagnostic assessments shall be addressed with instructional supports and services. To the

1 greatest extent possible, kindergarten through third grade reading assessments shall yield data
2 that can be used with the Education Value-Added Assessment System (EVAAS), or a
3 compatible and comparable system approved by the State Board of Education, to analyze
4 student data to identify root causes for difficulty with reading development and to determine
5 actions to address them.

6 (b) Formative and diagnostic assessments and resultant instructional supports and
7 services shall address oral language, phonological and phonemic awareness, phonics,
8 vocabulary, fluency, and comprehension using developmentally appropriate practices.

9 (c) Local school administrative units are encouraged to partner with community
10 organizations, businesses, and other groups to provide volunteers, mentors, or tutors to assist
11 with the provision of instructional supports and services that enhance reading development and
12 proficiency.

13 **"§ 115C-83.1G. Elimination of social promotion.**

14 (a) The State Board of Education shall require that a student be retained in the third
15 grade if the student fails to demonstrate reading proficiency appropriate for a third grade
16 student, as demonstrated on a State-approved standardized test of reading comprehension
17 administered to third grade students. The test may be readministered once prior to the end of
18 the school year.

19 (b) Students may be exempt from mandatory retention in third grade for good cause but
20 shall continue to receive instructional supports and services and reading interventions
21 appropriate for their age and reading level. Good cause exemptions shall be limited to the
22 following:

23 (1) Limited English Proficient students with less than two years of instruction in

26 individualized education program indicates the use of alternative
27 assessments and reading interventions.

28 (3) Students who demonstrate reading proficiency appropriate for third grade
29 students on an alternative assessment approved by the State Board of
30 Education. Teachers may administer the alternative assessment following the
31 administration of the State-approved standardized test of reading
32 comprehension typically given to third grade students at the end of the
33 school year, or after a student's participation in the local school
34 administrative unit's summer reading camp.

35 (4) Students who demonstrate, through a student reading portfolio, reading
36 proficiency appropriate for third grade students. Teachers may submit the
37 student reading portfolio at the end of the school year or after a student's
38 participation in the local school administrative unit's summer reading camp.
39 The student reading portfolio and review process shall be established by the
40 State Board of Education.

41 (5) Students who have (i) received reading intervention and (ii) previously been
42 retained more than once in kindergarten, first, second, or third grades.

43 (c) The superintendent shall determine whether a student may be exempt from
44 mandatory retention on the basis of a good cause exemption. The following steps shall be taken
45 in making the determination:

46 (1) The teacher of a student eligible for a good cause exemption shall submit
47 documentation of the relevant exemption and evidence that promotion of the
48 student is appropriate based on the student's academic record to the
49 principal. Such evidence shall be limited to the student's personal education
50 plan, individual education program, if applicable, alternative assessment, or
51 student reading portfolio.

52 (2) The principal shall review the documentation and make an initial
53 determination whether the student should be promoted. If the principal
54 determines the student should be promoted, the principal shall make a
55 written recommendation of promotion to the superintendent for final
56 determination. The superintendent's acceptance or rejection of the
57 recommendation shall be in writing.

58 **"§ 115C-83.1H. Successful reading development for retained students.**

1 (a) Students not demonstrating reading proficiency shall be enrolled in a summer
2 reading camp provided by the local school administrative unit prior to being retained. Students
3 who demonstrate reading proficiency on an alternative assessment of reading comprehension or
4 student reading portfolio after completing a summer reading camp shall be promoted to the
5 fourth grade. Students who do not demonstrate reading proficiency on these measures after
6 completing a summer reading camp shall be retained under G.S. 115C-83.1G(a) and provided
7 with the instruction listed in subsection (b) of this section during the retained year.

8 (b) Students retained under G.S. 115C-83.1G(a) shall be provided with a teacher
9 selected based on demonstrated student outcomes in reading proficiency and placed in an
10 accelerated reading class or a transitional third and fourth grade class combination, as
11 appropriate. Classroom instruction shall include at least 90 minutes of daily, uninterrupted,
12 evidence-based reading instruction, not to include independent reading time, and other
13 appropriate instructional supports and services and reading interventions.

14 (c) The State Board of Education shall establish a midyear promotion policy for any
15 student retained under G.S. 115C-83.1G(a) who, by November 1, demonstrates reading
16 proficiency through administration of the alternative assessment of reading comprehension or
17 student reading portfolio review.

18 (d) Parents or guardians of students who have been retained once under the provisions
19 of G.S. 115C-83.1G(a) shall be provided with a plan for reading at home, including
20 participation in shared and guided reading workshops for the parent or guardian, and outlined
21 in a parental or guardian contract.

22 (e) Parents or guardians of students who have been retained twice under the provisions
23 of G.S. 115C-83.1G(a) shall be offered supplemental tutoring for the retained student in
24 evidence-based reading services outside the instructional day.

25 **"§ 115C-83.1I. Notification requirements to parents and guardians.**

26 (a) Parents or guardians shall be notified in writing, and in a timely manner, that the
27 student shall be retained, unless he or she is exempt from mandatory retention for good cause,
28 if the student is not demonstrating reading proficiency by the end of third grade. Parents or
29 guardians shall receive this notice when a kindergarten, first, second, or third grade student (i)
30 is demonstrating difficulty with reading development; (ii) is not reading at grade level; or (iii)
31 has a personal education plan under G.S. 115C-105.41.

32 (b) Parents or guardians of any student who is to be retained under the provisions of
33 G.S. 115C-83.1G(a) shall be notified in writing of the reason the student is not eligible for a
34 good cause exemption as provided in G.S. 115C-83.1G(b). Written notification shall also
35 include a description of proposed reading interventions that will be provided to the student to
36 remediate identified areas of reading deficiency.

37 (c) Parents or guardians of students retained under G.S. 115C-83.1G(a) shall receive at
38 least monthly written reports on student progress toward reading proficiency. The evaluation of
39 the student's progress shall be based upon the student's classroom work, observations, tests,
40 assessments, and other relevant information.

41 (d) Teachers and principals shall provide opportunities to discuss with parents and
42 guardians the notifications listed in this section.

43 **"§ 115C-83.1J. Accountability measures.**

44 (a) Each local board of education shall publish annually on a Web site maintained by
45 that local school administrative unit and report in writing to the State Board of Education by
46 September 1 of each year the following information on the prior school year:

2 education to report the required information listed in subsections (a) and (b) of this section and
3 shall provide the format to local boards of education no later than 90 days prior to the annual
4 due date. The State Board of Education shall compile annually this information and submit a
5 State-level summary to the Governor, the President Pro Tempore of the Senate, the Speaker of
6 the House of Representatives, and the Joint Legislative Education Oversight Committee by

8 (d) The State Board of Education and the Department of Public Instruction shall
9 provide technical assistance as needed to aid local school administrative units to implement all
10 provisions of this Part."

11 **SECTION 7A.1.(c)** G.S. 115C-105.27(b)(1a) is repealed.

12 **SECTION 7A.1.(d)** G.S. 115C-105.41 reads as rewritten:

13 **"§ 115C-105.41. Students who have been placed at risk of academic failure; personal**

17 successfully progressing toward grade promotion and graduation, beginning ~~no later than the~~
18 ~~fourth grade in kindergarten.~~ Identification shall occur as early as can reasonably be done and
19 can be based on grades, observations, diagnostic and formative assessments, State assessments,
20 and other factors, including reading on grade level, that impact student performance that
21 teachers and administrators consider appropriate, without having to await the results of
22 end-of-grade or end-of-course tests. No later than the end of the first quarter, or after a teacher
23 has had up to nine weeks of instructional time with a student, a personal education plan for
24 academic improvement with focused intervention and performance benchmarks shall be
25 developed or updated for any student at risk of academic failure who is not performing at least
26 at grade level, as identified by the State end-of-grade test and other factors noted above.
27 Focused instructional supports and services, reading intervention interventions, and accelerated
28 activities should include ~~research-based best evidence-based~~ practices that meet the needs of
29 students and may include coaching, mentoring, tutoring, summer school, Saturday school, and

31 students. Local school administrative units shall also provide transportation free of charge to all
32 students for whom transportation is necessary for participation in these activities.

33 Local school administrative units shall give notice of the personal education plan and a
34 copy of the personal education plan to the student's parent or guardian. Parents should be
35 included in the implementation and ongoing review of personal education plans.

36 Local school administrative units shall certify that they have complied with this section
37 annually to the State Board of Education. The State Board of Education shall periodically
38 review data on the progress of identified students and report to the Joint Legislative Education
39 Oversight Committee.

41 implement a personal education plan under this section."

42 **SECTION 7A.1.(e)** G.S. 115C-174.11(a) reads as rewritten:

47 Chapter for the ~~first and second grades, rather than standardized tests.~~ kindergarten, first,
48 second, and third grades. Local school administrative units ~~may~~ shall use these assessment
49 instruments provided to them by the State Board for ~~first and second grade students,~~
50 kindergarten, first, second, and third grade students to assess progress, diagnose difficulties,

3 reading deficiency, which may include 90 minutes of daily, uninterrupted,
4 evidence-based reading instruction, accelerated reading classes, transition
5 classes containing third and fourth grade students, and summer reading
6 camps.

7 (2) Students may be exempt from mandatory retention in third grade for good
8 cause but shall continue to receive instructional supports and services and

33 description of proposed reading interventions that will be provided to the
34 student to remediate identified areas of reading deficiency.

35 (4) The charter school shall annually publish on the charter school's Web site
36 and report in writing to the State Board of Education by September 1 of each
37 year the following information on the prior school year:

55 grade for a pupil who is already attending a public school, the principal shall consider the
56 pupil's classroom work and grades, the pupil's scores on standardized tests, and the best
57 educational interests of the pupil. The principal shall not make the decision solely on the basis
58 of standardized test scores. If a principal's decision to retain a child in the same grade is

1 partially based on the pupil's scores on standardized tests, those test scores shall be verified as
2 accurate.

3 A principal shall not require additional testing of a student entering a public school from a
4 school governed under Article 39 of this Chapter if test scores from a nationally standardized
5 test or nationally standardized equivalent measure that are adequate to determine the
6 appropriate placement of the child are available."

24 students in each school and taking into account progress over the
25 previous years' level of performance and the State's performance in
26 comparison with other states. This assessment shall take into account
27 factors that have been shown to affect student performance and that
28 the State Board considers relevant to assess the State's efforts to
29 improve student performance. As a part of the annual "report card"

46 proficient on annual assessments for mathematics in grades
47 three through eight.
48 2. One point for each percent of students who score at or above
49 proficient on annual assessments for reading in grades three
50 through eight.
51 3. One point for each percent of students who score at or above
52 proficient on annual assessments for science in grades five

43 **"SECTION 10.8.(b)** Of the funds appropriated in this act to the Department of Health and

51 expend nine million dollars (\$9,000,000) of the funds appropriated in this section for the
52 2012-2013 fiscal year until January 1, 2013, pending a determination by the Office of State
53 Budget and Management that there is adequate funding for the Medicaid budget for the
54 2012-2013 fiscal year, as provided in Section 10.9G of House Bill 950, 2012 Regular Session.
55 In addition, at the discretion of the Secretary of Health and Human Services, existing funds

13 as evidenced by beds or bed days in the local hospital not being utilized while demand for
14 services at the State psychiatric hospitals has not reduced, or (ii) the LME has failed to comply
15 with the prompt payment provisions of this subsection, the Department may contract with
16 another LME to manage the beds or bed days, or, notwithstanding any other provision of law to

24 than March 1, 2012, the Department shall report to the House of Representatives
25 Appropriations Subcommittee on Health and Human Services, the Senate Appropriations
26 Committee on Health and Human Services, the Joint Legislative Oversight Committee on
27 Mental Health, Developmental Disabilities, and Substance Abuse Services, and the Fiscal
28 Research Division on a uniform system for beds or bed days purchased (i) with local funds, (ii)
29 from existing State appropriations, (iii) under the Hospital Utilization Pilot, and (iv) purchased
30 using funds appropriated under this subsection."

59 pregnancy prevention activities with providers other than local health departments. Upon the

1 expiration of any contracts in effect during the 2011-2012 fiscal year between the Division of

16 nets that provide primary and preventive medical services to uninsured or medically indigent
17 patients, including free clinics, community health care centers, rural health centers,

27 ~~services through the ACH PCS exceed the average cost of the services as determined by the~~

16 the plans required in subsections (e) and (f) of this section.

17 **SECTION 10.23A.(e)** Of the amount appropriated to the Fund established in
18 subsection (d) of this section, the sum of ten million three hundred thousand dollars
19 (\$10,300,000) is appropriated to support the Department of Health and Human Services in its
20 plan for transitioning individuals with severe mental illness and severe and persistent mental
21 illness into community living arrangements, including establishing a rental assistance program.
22 If the State executes an agreement with the U.S. Department of Justice (USDOJ) in response to
23 the USDOJ findings dated July 28, 2011, or implements a plan in response to the USDOJ
24 findings, these funds shall be used to implement the requirements of the first year of the
25 agreement or the plan. In the event such an agreement is reached, a recurring appropriation will
26 be necessary to fully implement it. The Department may issue temporary rules to implement
27 this subsection.

28 **SECTION 10.23A.(f)** Of the amount appropriated to the Fund established in
29 subsection (d) of this section, the sum of thirty-nine million seven hundred thousand dollars
30 (\$39,700,000) is designated for implementation of the State's plan to provide temporary,
31 short-term assistance to adult care homes as they transition into the State's Transitions to
32 Community Living Initiative. The General Assembly recognizes that while transformation of
33 the system is being undertaken, adult care homes provide stable and safe housing and care to
34 many of North Carolina's frail and elderly population, and it is necessary during this time of
35 transition and transformation of the statewide system that the industry remain able to provide
36 such care.

37 Upon certification by the Department of Health and Human Services, in consultation with a
38 local adult care home resident discharge team, as defined in G.S. 131D-2.1(3a), that a resident
39 who is no longer eligible to receive Medicaid reimbursable assistance and for whom a
40 community placement has not yet been arranged cannot be safely and timely discharged into
41 the community, the Department may make a monthly payment to the adult care home to
42 support the facility's continuing provision of services to the resident. The monthly payment
43 provided by the Department to an adult care home pursuant to this subsection shall not exceed
44 six hundred ninety-four dollars (\$694) per month per resident for a period not to exceed three
45 months for each resident. At the expiration of this three-month period, the monthly payment
46 shall be reduced by twenty-five percent (25%) and shall not exceed five hundred twenty dollars
47 and fifty cents (\$520.50) per month per resident. Upon implementation of the home-and
48 community-based services program for elderly individuals typically served in special care or
49 memory care units, to be developed by the Department under Medicaid State Plan 1915(i)
50 authority pursuant to Section 10.9E of this act, the Department shall terminate all monthly
51 payments pursuant to this subsection for continuing services provided to residents of special
52 care or memory care units. The Department shall terminate all monthly payments pursuant to
53 this subsection on June 30, 2013. Notwithstanding any other provision of this subsection, the
54 Department is prohibited from making any monthly payments under this subsection to an adult
55 care home for services provided to any resident during the pendency of an appeal by or on
56 behalf of the resident under G.S. 108A-70.9A.

57 The Department of Health and Human Services shall administer these funds but
58 may, as needed, contract with a vendor for administration.

1 **SECTION 10.23A.(g)** The Department shall report its progress in complying with
 2 subsection (e) of this section to the Joint Legislative Oversight Committee on Health and

52 shall allocate the increase proportionally across the program and activity appropriations
53 identified for that Block Grant in this section. In allocating an increase in federal fund
54 availability, the Office of State Budget and Management shall not approve funding for new
55 programs or activities not appropriated in this section.

56 If the Congress of the United States decreases the federal fund availability for any of
57 the Block Grants or contingency funds and other grants related to existing Block Grants
58 administered by the Department of Health and Human Services from the amounts appropriated

1 in this section, the Department shall develop a plan to adjust the block grants based on reduced
2 federal funding.

3 Notwithstanding the provisions of this subsection, for the 2012-2013 fiscal year,
4 increases in the federal fund availability for the Temporary Assistance to Needy Families
5 (TANF) Block Grant shall be used for the North Carolina Child Care Subsidy program to pay
6 for child care in four- or five-star rated facilities for four-year-old children.

7 Prior to allocating the change in federal fund availability, the proposed allocation
8 must be approved by the Office of State Budget and Management. If the Department adjusts the
9 allocation of any Block Grant due to changes in federal fund availability, then a report shall be
10 made to the Joint Legislative Commission on Governmental Operations, the House of
11 Representatives Appropriations Subcommittee on Health and Human Services, the Senate
12 Appropriations Committee on Health and Human Services, and the Fiscal Research Division.

13 **SECTION 10.25.(d)** Appropriations from federal Block Grant funds are made for
