21 support the facility's continuing provision of services to the resident. The monthly payment
22 provided by the Department to an adult care home pursuant to this subsection shall not exceed
23 six hundred ninety-four dollars (\$694) per month per resident for a period not to exceed three
24 months for each resident. At the expiration of this three-month period, the monthly payment
25 shall be reduced by twenty-five percent (25%) and shall not exceed five hundred twenty dollars
26 and fifty cents (\$520.50) per month per resident. Upon implementation of the home-and
27 community-based services program for elderly individuals typically served in special care or
28 memory care units, to be developed by the Department under Medicaid State Plan 1915(i)

30 payments pursuant to this subsection for continuing services provided to residents of special
31 care or memory care units. The Department shall terminate all monthly payments pursuant to
