HOUSE DRH30199-MC-100 (03/01)

Short Title: Treasurer's Debt Issuance Accountability Act. (Public)

Sponsors: Representatives McGrady, Moffitt, R. Brown, and Murry (Primary Sponsors).

Referred to:

1 A BILL TO BE ENTITLED  
2 AN ACT TO LIMIT THE ABILITY OF STATE AGENCIES OR STATE ENTITIES TO  
3 ENTER INTO DEBT OR DEBT-LIKE ARRANGEMENTS OUTSIDE OF THE  
4 PURVIEW OF THE GENERAL ASSEMBLY.

5 The General Assembly of North Carolina enacts:

6 SECTION 1. Chapter 142 of the General Statutes is amended by adding a new  
7 Article to read:

8 "Article 1A.

9 "Issuance Accountability.

10 "§ 142-15.15. Findings.

11 The General Assembly hereby finds as follows:

- 12 (1) From time to time, the General Assembly has authorized the State and State  
13 Entities to acquire or lease assets and has structured the acquisition or  
14 leasing of those assets in ways that obligate the State to make payments  
15 similar to the obligation of the State to make payments for borrowed money.  
16 (2) Some of these arrangements have been made pursuant to specific legislative  
17 authorization of the General Assembly, such as the financing of assets  
18 pursuant to the State Capital Facilities Finance Act, the State Energy  
19 Conservation Act, and the State and Local Government Revenue Bond Act,  
20 while other arrangements have been entered pursuant to broader and more  
21 general legislative authorization, such as general powers to lease property.  
22 (3) Depending upon the terms, some arrangements may be treated as similar to  
23 obligating the State to make payments for borrowed money and, therefore,  
24 have an impact on the State's credit ratings, future debt affordability, the  
25 ability to address budgetary shortfalls, the ability to enforce its contract  
26 rights regarding the quality, durability and performance of the assets  
27 acquired, management of federal income tax compliance requirements,  
28 management of federal securities law compliance, and on other matters of  
29 State finances.  
30 (4) Due to these consequences, the General Assembly enacts this act to set forth  
31 limitations on the ability of State Entities to enter into Financing  
32 Arrangements that constitute State-Supported Financing Arrangements in  
33 order to assure that the General Assembly is involved in reviewing and  
34 authorizing these transactions and that the transactions are properly managed  
35 by State departments and officials.

18           provisions requiring that the property constructed or acquired meets  
19           specified performance or quality standards, or similar contractual provisions

21           convert an arrangement that otherwise does not constitute a Financing  
22           Arrangement into a Financing Arrangement. The term does not include any  
23           of the following:  
24           a.        A true operating lease.  
25           b.        Provisions in a construction or purchase contract in which payments

35           requires payments that are payable, whether directly or indirectly and  
36           whether or not subject to the appropriation of funds for payment, by  
37           payments from the General Fund, the Highway Fund, the Highway Trust  
38           Fund, or other funds and accounts of the State that are funded from the  
39           general revenues and other taxes and fees of the State or State entities. A  
40           State-Supported Financing Arrangement does not include a Financing  
41           Arrangement where bonds or other obligations are issued or incurred to  
42           carry out a financing program authorized by the General Assembly under  
43           which the bonds or other obligations are payable from moneys derived from  
44           specified, limited, nontax sources, such as (i) loan payments made by a  
45           non-State Entity receiving the benefit of financing by a State Entity  
46           (including an "obligor" or "participating institution" within the meaning of  
47           Chapter 159D, a "public agency" or a "nonprofit agency" within the meaning  
48           of Chapter 131A and similar entities); (ii) revenues of a revenue-producing
