- (f) Certification That Mediation Concluded. Immediately upon a waiver of mediation under subsection (e) of this section or upon the conclusion of mediation required by subsection (a) of this section, the mediator shall prepare a certification stating the date on which the mediation was concluded and the general results of the mediation, including, as applicable, that the participants waived the mediation, that an agreement was reached, that mediation was attempted but an agreement was not reached, or that one or more participants to be specified in the certification failed or refused without good cause to attend one or more mediation meetings or otherwise participate in the mediation.
