29 executive officers thus exempted from the coverage of the insurance contract  
30 shall not be employees of such corporation under this Article.

31 All county agricultural extension service employees who do not receive  
32 official federal appointments as employees of the United States Department  
33 of Agriculture and who are field faculty members with professional rank as  
34 designated in the memorandum of understanding between the North

36 & T State University, and the boards of county commissioners shall be  
37 deemed to be employees of the State of North Carolina. All other county  
38 agricultural extension service employees paid from State or county funds  
39 shall be deemed to be employees of the county board of commissioners in  
40 the county in which the employee is employed for purposes of workers'  
41 compensation.

42 The term "employee" shall also include members of the Civil Air Patrol  
43 currently certified pursuant to G.S. 143B-491(a) [G.S. 143B-1031(a)] when  
44 performing duties in the course and scope of a State-approved mission  
45 pursuant to Article 11 of Chapter 143B [Subpart C of Part 5 of Article 13 of  
46 Chapter 143B] of the General Statutes.

47 "Employee" shall not include any person performing voluntary service as  
48 a ski patrolman who receives no compensation for such services other than  
49 meals or lodging or the use of ski tow or ski lift facilities or any combination  
50 thereof.

1 Any sole proprietor or partner of a business or any member of a limited  
 2 liability company may elect to be included as an employee under the  
 3 workers' compensation coverage of such business if he is actively engaged in  
 4 the operation of the business and if the insurer is notified of his election to  
 5 be so included. Any such sole proprietor or partner or member of a limited  
 6 liability company shall, upon such election, be entitled to employee benefits  
 7 and be subject to employee responsibilities prescribed in this Article.

8 "Employee" shall include an authorized pickup firefighter of the ~~Division~~  
 9 ~~of Forest Resources~~North Carolina Forest Service of the Department of  
 10 Agriculture and Consumer Services when that individual is engaged in  
 11 emergency fire suppression activities for the ~~Division of Forest~~  
 12 ~~Resources~~North Carolina Forest Service. As used in this section,  
 13 "authorized pickup firefighter" means an individual who has completed  
 14 required fire suppression training as a wildland firefighter and who is  
 15 available as needed by the ~~Division of Forest Resources~~North Carolina  
 16 Forest Service for emergency fire suppression activities, including  
 17 immediate dispatch to wildfires and standby for initial attack on fires during  
 18 periods of high fire danger.

19 It shall be a rebuttable presumption that the term "employee" shall not  
 20 include any person performing services in the sale of newspapers or  
 21 magazines to ultimate consumers under an arrangement whereby the  
 22 newspapers or magazines are to be sold by that person at a fixed price and  
 23 the person's compensation is based on the retention of the excess of the fixed  
 24 price over the amount at which the newspapers or magazines are charged to  
 25 the person.

- 26 (3) Employer. – The term "employer" means the State and all political

 32 county, or persons serving or performing the duties of a deputy sheriff,  
 33 whether such persons are appointed by the sheriff or by the board of  
 34 commissioners and whether serving on a fee basis or salary basis. Each  
 35 county is authorized to insure its compensation liability for deputy sheriffs to  
 36 the same extent it is authorized to insure other compensation liability for  
 37 employees thereof. For purposes of this Chapter, when an authorized pickup  
 38 firefighter of the ~~Division of Forest Resources~~North Carolina Forest Service  
 39 of the Department of Agriculture and Consumer Services is engaged in  
 40 emergency fire suppression activities for the ~~Division of Forest~~  
 41 ~~Resources~~North Carolina Forest Service, that individual's employer is the  
 42 ~~Division of Forest Resources~~North Carolina Forest Service.

- 43 ...  
 44 (5) Average Weekly Wages. – "Average weekly wages" shall mean the earnings  
 45 of the injured employee in the employment in which ~~he~~the employee was  
 46 working at the time of the injury during the period of 52 weeks immediately  
 47 preceding the date of the injury, including the subsistence allowance paid to  
 48 veteran trainees by the United States government, provided the amount of  
 49 said allowance shall be reported monthly by said trainee to the trainee's ~~his~~  
 50 employer, divided by 52; but if the injured employee lost more than seven  
 51 consecutive calendar days at one or more times during such period, although

1 not in the same week, then the earnings for the remainder of such 52 weeks  
2 shall be divided by the number of weeks remaining after the time so lost has  
3 been deducted. Where the employment prior to the injury extended over a  
4 period of fewer than 52 weeks, the method of dividing the earnings during  
5 that period by the number of weeks and parts thereof during which the  
6 employee earned wages shall be followed; provided, results fair and just to  
7 both parties will be thereby obtained. Where, by reason of a shortness of  
8 time during which the employee has been in the employment of his  
9 employer or the casual nature or terms of his employment, it is impractical to  
10 compute the average weekly wages as above defined, regard shall be had to  
11 the average weekly amount which during the 52 weeks previous to the injury  
12 was being earned by a person of the same grade and character employed in  
13 the same class of employment in the same locality or community.

14 But where for exceptional reasons the foregoing would be unfair, either  
15 to the employer or employee, such other method of computing average  
16 weekly wages may be resorted to as will most nearly approximate the  
17 amount which the injured employee would be earning were it not for the  
18 injury.

19 Wherever allowances of any character made to an employee in lieu of  
20 wages are specified part of the wage contract, they shall be deemed a part of  
21 his earnings.

22 Where a minor employee, under the age of 18 years, sustains a  
23 permanent disability or dies leaving dependents surviving, the compensation  
24 payable for permanent disability or death shall be calculated, first, upon the  
25 average weekly wage paid to adult employees employed by the same  
26 employer at the time of the accident in a similar or like class of work which  
27 the injured minor employee would probably have been promoted to if not  
28 injured, or, second, upon a wage sufficient to yield the maximum weekly  
29 compensation benefit. Compensation for temporary total disability or for the  
30 death of a minor without dependents shall be computed upon the average  
31 weekly wage at the time of the accident, unless the total disability extends  
32 more than 52 weeks, and then the compensation may be increased in  
33 proportion to ~~his~~ the employee's expected earnings.

34 In case of disabling injury or death to a volunteer fireman; member of an  
35 organized rescue squad; an authorized pickup firefighter, as defined in  
36 subdivision (2) of this section, when that individual is engaged in emergency  
37 fire suppression activities for the ~~Division of Forest Resources;~~ North  
38 Carolina Forest Service; a duly appointed and sworn member of an auxiliary  
39 police department organized pursuant to G.S. 160A-282; or senior members  
40 of the State Civil Air Patrol functioning under Article 11 of Chapter 143B  
41 [Subpart C of Part 5 of Article 13 of Chapter 143B] of the General Statutes,  
42 under compensable circumstances, compensation payable shall be calculated  
43 upon the average weekly wage the volunteer fireman, member of an  
44 organized rescue squad, authorized pickup firefighter of the ~~Division of~~  
45 ~~Forest Resources;~~ North Carolina Forest Service; when that individual is  
46 engaged in emergency fire suppression activities for the ~~Division of Forest~~  
47 ~~Resources;~~ North Carolina Forest Service, member of an auxiliary police  
48 department, or senior member of the State Civil Air Patrol was earning in the  
49 employment wherein he principally earned his livelihood as of the date of  
50 injury. Provided, however, that the minimum compensation payable to a  
51 volunteer fireman, member of an organized rescue squad, an authorized

1 pickup firefighter of the ~~Division of Forest Resources~~North Carolina Forest  
2 Service of the Department of Agriculture and Consumer Services, when that  
3 individual is engaged in emergency fire suppression activities for the  
4 ~~Division of Forest Resources~~North Carolina Forest Service, a sworn  
5 member of an auxiliary police department organized pursuant to  
6 G.S. 160A-282, or senior members of the State Civil Air Patrol shall be  
7 sixty-six and two-thirds percent (66 2/3%) of the maximum weekly benefit  
8 established in G.S. 97-29.

13 financial information concerning companies that are involved in the primary  
14 processing of timber products so that the Commissioner of Agriculture is  
15 able to comply with G.S. 106-1029 under the Primary Forest Product  
16 Assessment Act."

17 **SECTION 7.** G.S. 105-277.7(a)(2) reads as rewritten:

18 "(2) A representative of the ~~Division of Forest Resources~~North Carolina Forest  
19 Service of the Department of Agriculture and Consumer Services,  
20 designated by the Director of that Division."

21 **SECTION 8.** G.S. 105-296(j) reads as rewritten:

22 "(j) The assessor must annually review at least one eighth of the parcels in the county  
23 classified for taxation at present-use value to verify that these parcels qualify for the  
24 classification. By this method, the assessor must review the eligibility of all parcels classified  
25 for taxation at present-use value in an eight-year period. The period of the review process is  
26 based on the average of the preceding three years' data. The assessor may request assistance  
27 from the Farm Service Agency, the Cooperative Extension Service, the ~~Division of Forest~~  
28 ResourcesNorth Carolina Forest Service of the Department of Agriculture and Consumer  
29 Services, or other similar organizations.

30 The assessor may require the owner of classified property to submit any information,  
31 including sound management plans for forestland, needed by the assessor to verify that the  
32 property continues to qualify for present-use value taxation. The owner has 60 days from the  
33 date a written request for the information is made to submit the information to the assessor. If  
34 the assessor determines the owner failed to make the information requested available in the  
35 time required without good cause, the property loses its present-use value classification and the  
36 property's deferred taxes become due and payable as provided in G.S. 105-277.4(c). If the  
37 property loses its present-use value classification for failure to provide the requested  
38 information, the assessor must reinstate the property's present-use value classification when the  
39 owner submits the requested information within 60 days after the disqualification unless the  
40 information discloses that the property no longer qualifies for present-use value classification.  
41 When a property's present-use value classification is reinstated, it is reinstated retroactive to the  
42 date the classification was revoked and any deferred taxes that were paid as a result of the  
43 revocation must be refunded to the property owner. The owner may appeal the final decision of  
44 the assessor to the county board of equalization and review as provided in G.S. 105-277.4(b1).

45 In determining whether property is operating under a sound management program, the  
46 assessor must consider any weather conditions or other acts of nature that prevent the growing  
47 or harvesting of crops or the realization of income from cattle, swine, or poultry operations.  
48 The assessor must also allow the property owner to submit additional information before  
49 making this determination."
