4 preferred provider provisions; utilization review of medical necessity of hospital and physician
5 services; case management benefit alternatives; or other managed care provisions.

35 medical conditions otherwise covered by the health benefit plan. In the case of an eligible
36 employee or dependent of an eligible employee who, before the effective date of the plan, was
37 excluded from coverage or denied coverage by a small employer carrier in the process of
38 providing a health benefit plan to an eligible small employer, the small employer carrier shall
39 provide an opportunity for the eligible employee or dependent of an eligible employee to enroll
40 in the health benefit plan currently held by the small employer.~~

41 (e) Repealed by Session Laws 2006-154, s. 9, effective July 23, 2006.

42 (f) ~~To the extent it is required under this section and G.S. 58-68-40, every small
43 employer carrier shall fairly market all of its small group health benefit plans it offers on a
44 guaranteed issue basis to all small employers in the geographic areas in which the carrier makes
45 coverage available or provides benefits.~~

46 (g) Repealed by Session Laws 2006-154, s. 9, effective July 23, 2006.

47 (h) The provisions of subsection (d) of this section apply to every health benefit plan
48 delivered, issued for delivery, renewed, or continued in this State or covering persons residing
49 in this State on or after the date the plan becomes operational, as determined by the
50 Commissioner. For purposes of this subsection, the date a health benefit plan is continued is the
51 anniversary date of the issuance of the health benefit plan."

5 provisions:

6 (1) to (4) Repealed by Session Laws 1997-259, s. 5, effective July 14, 1997.

7 (4a) A carrier may continue to enforce reasonable employer participation and
8 contribution requirements on small employers applying for coverage;
9 however, participation and contribution requirements may vary among small
10 employers only by the size of the small employer group and shall not differ
11 because of the health benefit plan involved. In applying minimum
12 participation requirements to a small employer, a small employer carrier
13 shall not consider employees or dependents who have qualifying existing
14 coverage in determining whether an applicable participation level is met.
15 "Qualifying existing coverage" means benefits or coverage provided under:
16 (i) Medicare, Medicaid, and other government funded programs; ~~or~~ (ii) an
17 employer-based health insurance or health benefit arrangement, including a
18 self-insured plan, that provides benefits similar to or in excess of benefits
19 provided under the basic health care ~~plan~~ plan; or (iii) nongroup or
20 individual health insurance major medical coverage.

21 ~~(4b) Late enrollees may only be excluded from coverage for the greater of 18~~
22 ~~months or an 18-month preexisting condition exclusion; however, if both a~~
23 ~~period of exclusion from coverage and a preexisting condition exclusion are~~
24 ~~applicable to a late enrollee, the combined period shall not exceed 18~~
25 ~~months. If a period of exclusion from coverage is applied, a late enrollee~~
26 ~~shall be enrolled at the end of that period in the health benefit plan held at~~
27 ~~the time by the small employer.~~

28 (5) Notwithstanding any other provision of this Chapter, no small employer
29 carrier, insurer, subsidiary of an insurer, or controlled individual of an
30 insurance holding company shall act as an administrator or claims paying
31 agent, as opposed to an insurer, on behalf of small groups which, if they
32 purchased insurance, would be subject to this section. No small employer
33 carrier, insurer, subsidiary of an insurer, or controlled individual of an
34 insurance holding company shall provide stop loss, catastrophic, or
35 reinsurance coverage to small employers that does not comply with the
36 underwriting, rating, and other applicable standards in this Act.

37 (6) If a small employer carrier offers coverage to a small employer, the small
38 employer carrier shall offer coverage to all eligible employees of a small
39 employer and their dependents. A small employer carrier shall not offer
40 coverage to only certain individuals in a small employer group except in the
41 case of late enrollees as provided in G.S. 58-50-130(a)(4).

42 (7), (8) Repealed by Session Laws 1997-259, s. 5.

43 (9) The health benefit plan must meet the applicable requirements of Article 68
44 of this Chapter.

45 (b) For all small employer health benefit plans that are subject to this section, the
46 premium rates are subject to all of the following provisions:

47 (1) Small employer carriers shall use an adjusted-community rating
48 methodology in which the premium for each small employer can vary only
49 on the basis of the eligible employee's or dependent's age ~~as determined~~
50 ~~under subdivision (6) of this subsection, the gender of the eligible employee~~
51 ~~or dependent, number of family members covered, or geographic area as~~

1 determined under subdivision (7) of this subsection, ~~or industry as~~
2 ~~determined under subdivision (9) of this subsection.~~ subsection for groups
3 that are grandfathered plans, as defined within the Affordable Care Act.
4 Premium rates charged during a rating period to small employers with
5 similar case characteristics for same coverage shall not vary from the
6 adjusted community rate by more than twenty-five percent (25%) for any
7 reason, including differences in administrative costs and claims experience.
8 Small employer carriers may develop separate rates for individuals aged 65
9 years and older for coverage for which Medicare is the primary payor and
10 coverage for which Medicare is not the primary payor.

11 (2) Rating factors related to age, ~~gender,~~ number of family members covered, or
12 ~~geographic location, or industry location~~ may be developed by each carrier to
13 reflect the carrier's experience. The factors used by carriers are subject to the
14 Commissioner's review.

15 (3) A small employer carrier shall not modify the premium rate charged to a
16 small employer or a small employer group member, including changes in
17 rates related to the increasing age of a group member, for 12 months from
18 the initial issue date or renewal date, unless the group is composite rated and
19 composition of the group changed by twenty percent (20%) or more or
20 benefits are changed. The percentage increase in the premium rate charged
21 to a small employer for a new rating period shall not exceed the sum of all of
22 the following:

23 a. The percentage change in the adjusted community rate as measured
24 from the first day of the prior rating period to the first day of the new
25 rating period.

26 b. Any adjustment, not to exceed fifteen percent (15%) annually, due to
27 claim experience, health status, or duration of coverage of the
28 employees or dependents of the small employer.

29 c. Any adjustment because of change in coverage or change in case
30 characteristics of the small employer group.

31 (4), (5) Repealed by Session Laws 1995, c. 238, s. 1.

32 (6) ~~Unless the small employer carrier uses composite rating, the small employer~~
33 ~~carrier shall use the following age brackets:~~

34 a. ~~Younger than 15 years;~~

35 b. ~~15 to 19 years;~~

36 c. ~~20 to 24 years;~~

37 d. ~~25 to 29 years;~~

38 e. ~~30 to 34 years;~~

39 f. ~~35 to 39 years;~~

40 g. ~~40 to 44 years;~~

46 ~~Carriers may combine, but shall not split, complete age brackets for the~~
47 ~~purposes of determining rates under this subsection. Small employer carriers~~
48 ~~shall be permitted to develop separate rates for individuals aged 65 years and~~
49 ~~older for coverage for which Medicare is the primary payor and coverage for~~
50 ~~which Medicare is not the primary payor.~~

- 1 (7) A carrier shall define geographic area to mean medical care system. Medical
2 care system factors shall reflect the relative differences in expected costs,
3 shall produce rates that are not excessive, inadequate, or unfairly
4 discriminatory in the medical care system areas, and shall be revenue neutral
5 to the small employer carrier.
- 6 (8) The Department may adopt rules to administer this subsection and to assure
7 that rating practices used by small employer carriers are consistent with the
8 purposes of this subsection. Those rules shall include consideration of
9 differences based on all of the following:
- 10 a. Health benefit plans that use different provider network arrangements
11 may be considered separate plans for the purposes of determining the
12 rating in subdivision (1) of this subsection, provided that the different
13 arrangements are expected to result in substantial differences in
14 claims costs.
- 15 b. Except as provided for in sub-subdivision a. of this subdivision,
16 differences in rates charged for different health benefit plans shall be
17 reasonable and reflect objective differences in plan design, but shall
18 not permit differences in premium rates because of the case
19 characteristics of groups assumed to select particular health benefit
20 plans.
- 21 c. Small employer carriers shall apply allowable rating factors
22 consistently with respect to all small employers.
- 23 ~~(9) In any case where the small employer carrier uses industry as a case
24 characteristic in establishing premium rates, the rate factor associated with
25 any industry classification divided by the lowest rate factor associated with
26 any other industry classification shall not exceed 1.2.~~
- 27 (c) Repealed by Session Laws 1993, c. 529, s. 3.7.

31 employer upon request:
- 32 (1) Repealed by Session Laws 1993, c. 529, s. 3.7.
- 33 (2) Provisions concerning the small employer carrier's right to change premium
34 rates and the factors other than claims experience that affect changes in

41 complete and detailed description of its rating practices and renewal underwriting practices,
42 including information and documentation that demonstrate that its rating methods and practices
43 are based upon commonly accepted actuarial assumptions and are in accordance with sound
44 actuarial principles.
- 45 (f) Each small employer carrier shall file with the Commissioner annually on or before
46 March 15 an actuarial certification certifying that it is in compliance with this Act and that its
47 rating methods are actuarially sound. The small employer carrier shall retain a copy of the
48 certification at its principal place of business.
- 49 (g) A small employer carrier shall make the information and documentation described
50 in subsection (e) of this section available to the Commissioner upon request. Except in cases of
51 violations of this Act, the information is proprietary and trade secret information and is not

1 subject to disclosure by the Commissioner to persons outside of the Department except as
2 agreed to by the small employer carrier or as ordered by a court of competent jurisdiction.
3 Nothing in this section affects the Commissioner's authority to approve rates before their use
4 under G.S. 58-65-60(e) or G.S. 58-67-50(c).

5 (h) The provisions of subdivisions (a)(1), (3), and (5) and subsections (b) through (g) of
6 this section apply to health benefit plans delivered, issued for delivery, renewed, or continued
7 in this State or covering persons residing in this State on or after January 1, 1992. The
8 provisions of subdivisions (a)(2) and (4) of this section apply to health benefit plans delivered,
