23 protection and comfort for sports, health, and leisure activities and is available throughout the  
24 United States and over 33 countries around the world; and

26 and

27 Whereas, THORLO maintains an outlet store in Statesville, which attracts thousands  
28 of people each year; and

29 Whereas, THORLO has been operating for 60 years, growing from knitting one  
30 military style sock to a line of over 54 patented and engineered activity specific sock products
