2 For purposes of this section, "sidewalk dining activities" means serving food and beverages
3 from a restaurant abutting State right-of-way to customers seated in the State right-of-way. The
4 agreement between the Department and the local government shall provide that the local
5 government is granted the administrative right to permit sidewalk dining activities that, at a
6 minimum, comply with all of the following requirements and conditions:

12 pedestrians and provides adequate passing space that complies with the
13 Americans with Disabilities Act.

51 Department, such activities cannot be conducted in a safe manner.

2 section shall:
