20                   the member organizations of an association, and that also may insure the

23                   (6)     Branch business. – Any insurance business transacted by a branch captive

30                   Commissioner.  
31                   (8)     Branch operations. – Any business operations of a branch captive insurance

43                   nonmanagement services, or otherwise; provided that such power is not the  
44                   result of an official position or corporate office held by the person. Control  
45                   shall be presumed to exist if a person, directly or indirectly, owns, controls,

48                   may be rebutted by a showing that control does not exist. Notwithstanding  
49                   this definition, for purposes of this Part, the fact that an SPFC exclusively

44 **"§ 58-10-430. Examinations.**

45 (a) Whenever the Commissioner determines it to be prudent, the Commissioner shall  
46 visit a captive insurance company and inspect and examine its affairs to ascertain its financial

6 such information to public officials having jurisdiction over the regulation of insurance in any  
7 other state or country, or to law enforcement officers of this State, or any other state or agency

10 subsection.

11 **"§ 58-10-435. License suspension or revocation.**

12 (a) The license of a captive insurance company may be suspended or revoked if the

14 company has committed the violations described in subdivisions (1) through (7) of this  
15 subsection, or met the criteria in subdivisions (8) through (10) of this subsection, and that the  
16 suspension or revocation is in the best interest of the public and the policyholders of such  
17 captive insurance company, notwithstanding any other provision of this Chapter:

- 19 (2) Failure to meet the requirements of G.S. 58-10-370.

- 31 (8) Failure to commence business according to its plan of operation within two  
32 years of being licensed.

37 captive insurance company notice in writing of the grounds on which the Commissioner  
38 proposes to suspend or revoke the license, and shall afford the captive insurance company an  
39 opportunity to make objection in writing within the period of 30 days after receipt of notice.  
40 The Commissioner shall take into consideration any objection received by the Commissioner  
41 within that period and, if the Commissioner decides to suspend or revoke the license, cause the  
42 order of suspension or revocation to be served on the captive insurance company.

45 insurance companies and risk retention groups shall comply with the investment requirements  
46 contained in G.S. 58-7-167, 58-7-170, 58-7-172, 58-7-173, 58-7-178, 58-7-179, 58-7-180,  
47 58-7-183, 58-7-185, 58-7-187, 58-7-188, 58-7-192, 58-7-193, 58-7-197, 58-7-200, and  
48 58-7-205, as applicable. Notwithstanding any other provision of this Chapter, the  
49 Commissioner may approve the use of alternative reliable methods of valuation and rating.

50 (b) No pure captive insurance company, industrial insured captive insurance company,  
51 protected cell captive insurance company, incorporated cell captive insurance company, or

1 special purpose financial captive insurance company shall be subject to any restrictions on  
2 allowable investments, provided that the Commissioner may prohibit or limit any investment  
3 that threatens the solvency or liquidity of any such company.

4 (c) No pure captive insurance company shall make a loan to or an investment in its  
5 parent company or affiliates without prior written approval of the Commissioner, and any such  
6 loan or investment shall be evidenced by documentation approved by the Commissioner. Loans  
7 of minimum capital and surplus funds required by G.S. 58-10-370 are prohibited.

8 (d) Notwithstanding this section or G.S. 58-7-167, 58-7-170, 58-7-172, 58-7-173,  
9 58-7-178, 58-7-179, 58-7-180, 58-7-183, 58-7-185, 58-7-187, 58-7-188, 58-7-192, 58-7-193,  
10 58-7-197, 58-7-200, and 58-7-205, an association captive insurance company of an association  
11 described in G.S. 58-10-340(4)(b) may hold any interest in qualified headquarters property, and  
12 the qualified headquarters property shall be admitted assets and authorized investments of the  
13 association captive insurance company. The net book value of the qualified headquarters  
14 property deemed admitted and authorized under this subsection may not exceed two million  
15 five hundred thousand dollars (\$2,500,000), and an association captive insurance company  
16 holding qualified headquarters property pursuant to this subsection shall at all times maintain  
17 total surplus, without regard to the qualified headquarters property, of at least the sum of (i)  
18 fifty percent (50%) of the net book value of the qualified headquarters property and (ii) the  
19 minimum capital and surplus requirements. For purposes of this subsection, "qualified  
20 headquarters property" includes the real property and the building in which the principal office  
21 of the association captive insurance company is located and also includes any improved and  
22 unimproved real property of the association captive insurance company that is located within  
23 1,500 feet of the company's principal office.

24 **"§ 58-10-445. Reinsurance.**

25 (a) Any captive insurance company may provide reinsurance as authorized by this  
26 Chapter on risks ceded by any other insurer.

27 (b) Any captive insurance company may take credit for the reinsurance of risks or  
28 portions of risks ceded to reinsurers complying with this Chapter. If the reinsurer is licensed as  
29 a risk retention group, then the ceding risk retention group or its members must qualify for  
30 membership with the reinsurer. The Commissioner shall have the discretion to allow a captive  
31 insurance company to take credit for the reinsurance of risks or portions of risks ceded to an  
32 unauthorized reinsurer, after review, on a case-by-case basis. The Commissioner may require  
33 any documents, financial information, or other evidence that such an unauthorized reinsurer  
34 will be able to demonstrate adequate security for its financial obligations.

35 (c) In addition to reinsurers authorized by this Chapter, a captive insurance company  
36 may take credit for the reinsurance of risks or portions of risks ceded to a pool, exchange, or  
37 association to the extent authorized by the Commissioner. The Commissioner may require any  
38 documents, financial information, or other evidence that such a pool, exchange, or association  
39 will be able to provide adequate security for its financial obligations. The Commissioner may  
40 deny authorization or impose any limitations on the activities of a reinsurance pool, exchange,  
41 or association that in the Commissioner's judgment are necessary and proper to provide  
42 adequate security for the ceding captive insurance company and for the protection and  
43 consequent benefit of the public at large.

44 (d) Insurance by a captive insurance company of any workers' compensation or accident  
45 and health-qualified self-insured plan shall only be in the form of reinsurance.

46 (e) No credit shall be allowed for reinsurance where the reinsurance contract does not  
47 result in the complete transfer of the risk or liability to the reinsurer.

48 (f) No credit shall be allowed, as an asset or a deduction from liability, to any ceding  
49 insurer for reinsurance unless the reinsurance is payable by the assuming insurer on the basis of  
50 the liability of the ceding insurer under the contract reinsured without diminution because of  
51 the insolvency of the ceding insurer.

1       (g) Reinsurance under this section shall be effected through a written agreement of  
2 reinsurance setting forth the terms, provisions, and conditions governing such reinsurance. The  
3 Commissioner may require that complete copies of all reinsurance treaties and contracts be  
4 filed and approved by the Commissioner.

5 **"§ 58-10-450. Membership in rating organizations; exemption from compulsory**  
6 **associations.**

7       (a) No captive insurance company shall be required to join a rating organization.

8       (b) No captive insurance company shall be permitted to join or contribute financially to  
9 any plan, pool, association, or guaranty or insolvency fund in this State, nor shall any such  
10 captive insurance company, or any insured or affiliate thereof, receive any benefit from any  
11 such plan, pool, association, or guaranty or insolvency fund for claims arising out of the  
12 operations of such captive insurance company.

13 **"§ 58-10-455. Taxation.**

14       (a) Each captive insurance company shall pay to the Department of Revenue, on or  
15 prior to March 1 of each year, a tax at the rate of four-tenths of one percent (0.4%) on the first  
16 twenty million dollars (\$20,000,000), and three-tenths of one percent (0.3%) on each dollar  
17 thereafter on the direct premiums collected or contracted for on policies or contracts of  
18 insurance written by the captive insurance company during the year ending December 31 next  
19 preceding, after deducting from the direct premiums subject to the tax the amounts paid to  
20 policyholders as return premiums. Return premiums shall include dividends on unabsorbed  
21 premiums or premium deposits returned or credited to policyholders.

22       (b) Each captive insurance company shall pay to the Department of Revenue, on or  
23 prior to March 1 of each year, a tax at the rate of two hundred twenty-five thousandths of one  
24 percent (0.225%) on the first twenty million dollars (\$20,000,000) of assumed reinsurance  
25 premium, and one hundred fifty thousandths of one percent (0.150%) on the next twenty  
26 million dollars (\$20,000,000), and fifty thousandths of one percent (0.050%) on the next twenty  
27 million dollars (\$20,000,000), and twenty-five thousandths of one percent (0.025%) of each  
28 dollar thereafter. However, no reinsurance tax applies to premiums for risks or portions of risks  
29 that are subject to taxation on a direct basis pursuant to subsection (a) of this section. No  
30 reinsurance premium tax shall be payable in connection with the receipt of assets in exchange  
31 for the assumption of loss reserves and other liabilities of another insurer under common  
32 ownership and control, provided that the Commissioner verifies that such transaction is part of  
33 a plan to discontinue the operations of such other insurer, and that the intent of the parties to  
34 such transaction is to renew or maintain such business with the captive insurance company.

35       (c) Except with regard to a protected cell captive insurance company, as defined in  
36 G.S. 58-10-340, with more than 10 cells, the annual minimum aggregate tax to be paid by a  
37 captive insurance company calculated under subsections (a) and (b) of this section shall be five  
38 thousand dollars (\$5,000), and the annual maximum aggregate tax shall be one hundred  
39 thousand dollars (\$100,000). For a protected cell captive insurance company with more than 10  
40 cells, the annual minimum aggregate tax to be paid under subsections (a) and (b) of this section  
41 shall be ten thousand dollars (\$10,000), and the annual maximum aggregate tax shall be the  
42 lesser of (i) one hundred thousand dollars (\$100,000) plus five thousand dollars (\$5,000)  
43 multiplied by the number of cells over 10 and (ii) two hundred thousand dollars (\$200,000). If a  
44 captive insurance company is a special purpose financial captive and if such captive insurance  
45 company is subject to subsection (e) of this section as a captive insurance company under  
46 common ownership and control with one or more other captive insurance companies  
47 (collectively the "consolidated group"), the premium tax calculated with respect to the  
48 consolidated group under subsections (a) and (b) of this section shall be allocated to each  
49 member of the consolidated group in the same proportion that the premium allocable to such  
50 member bears to the total premium of all members. The consolidated group shall pay an

1 aggregate premium tax equal to the greater of the sum of the premium tax allocated to the  
2 members and five thousand dollars (\$5,000), provided that:

3 (1) If the total of premium tax allocated to all members of a consolidated group  
4 that are special purpose financial captives exceeds one hundred thousand  
5 dollars (\$100,000), then the total premium tax allocated to such members  
6 shall be one hundred thousand dollars (\$100,000).

7 (2) If the total of premium tax allocated to all members of the consolidated  
8 group that are not special purpose financial captive insurance companies  
9 exceeds one hundred thousand dollars (\$100,000), then the total of premium  
10 tax allocated to such members shall be one hundred thousand dollars  
11 (\$100,000).

12 (d) The tax provided for in this section shall constitute all taxes collectible under the  
13 laws of this State from any captive insurance company and from any insured on its payments to  
14 a captive insurance company, and no other occupation tax or other taxes shall be levied or  
15 collected from any captive insurance company by this State or any county, city, or municipality  
16 within this State, except ad valorem taxes on real and personal property used in the production  
17 of income.

18 (e) Subject to subsection (c) of this section, two or more captive insurance companies  
19 under common ownership and control shall be taxed as though they were a single captive  
20 insurance company.

21 (f) There shall be created a special fund known as the Captive Insurance Regulatory  
22 Fund which shall receive appropriations to cover cost of staff and other expenses incurred by  
23 the Commissioner in both regulating captive insurance companies and promoting North  
24 Carolina's captive insurance industry. All premium taxes paid to the Department of Revenue  
25 under this Part shall be deposited in the Captive Insurance Regulatory Fund. At the end of each  
26 fiscal year, the balance in the Captive Insurance Regulatory Fund, in excess of such amount  
27 reasonably necessary to fund the Commissioner's administration of this Part and the promotion  
28 of North Carolina's captive insurance industry during the upcoming fiscal year, shall be  
29 transferred to the General Fund. Within 30 days after the end of each fiscal year, the  
30 Commissioner shall submit to the Joint Legislative Commission on Governmental Operations  
31 and the Fiscal Research Division of the General Assembly a written report stating:

32 (1) The total amount of funds paid into the Captive Insurance Regulatory Fund,  
33 including taxes paid, as reported to the Commissioner by the Department of  
34 Revenue.

35 (2) The total amount of the Commissioner's costs to administer this Part and  
36 promote North Carolina's captive insurance industry during such fiscal year.

37 (3) The Commissioner's estimate of the total amount of the Commissioner's  
38 costs to administer this Part and promote North Carolina's captive insurance  
39 industry during the current fiscal year.

40 (g) The tax provided for in this section shall be calculated on an annual basis,  
41 notwithstanding policies or contracts of insurance or contracts of reinsurance issued on a  
42 multiyear basis. In the case of multiyear policies or contracts, the premium shall be prorated for  
43 purposes of determining the tax under this section.

44 (h) Nothing in this section shall be construed to provide an exemption from sales and  
45 use tax.

46 (i) In the case of a branch captive insurance company, the tax provided for in this  
47 section shall apply only to the branch business of such company.

48 **"§ 58-10-460. Adoption and amendment of rules by Commissioner.**

49 The Commissioner may adopt and, from time to time, amend such rules relating to captive  
50 insurance companies as are necessary to enable the Commissioner to carry out the provisions of  
51 this Part.

**"§ 58-10-465. Applicable provisions.**

No provisions of this Chapter, other than those contained in this Part or as expressly provided in this Part, shall apply to captive insurance companies. Risk retention groups shall have the privileges and be subject to Article 22 of this Chapter in addition to the applicable provisions of this Part.

**"§ 58-10-470. Establishment of standards regarding risk management.**

The Commissioner may adopt rules establishing standards to ensure that a parent or its affiliated company, or an industrial insured or its affiliated company, is able to exercise control of the risk management function of any controlled unaffiliated business to be insured by a pure captive insurance company or an industrial insured captive insurance company, respectively; provided, however, that until such time as rules under this section are adopted, the Commissioner may approve the coverage of such risks by a pure captive insurance company or an industrial insured captive insurance company.

**"§ 58-10-475. Supervision; rehabilitation; liquidation.**

Except as otherwise provided in this Part, the terms and conditions set forth in Article 30 of this Chapter shall apply in full to captive insurance companies formed or licensed under this Part.

**"§ 58-10-480. Authority for expenditure of public funds.**

Any municipality, county, authority, utility district, or other public body generally classified as a governmental body or governmental entity whether chartered or organized by local act or public act of the General Assembly, or otherwise, or any agency, board, or commission of any municipality, metropolitan government, county, authority, utility district, or other public body generally classified as a governmental body or governmental entity may expend public funds for the purchase of capital stock in a captive insurance company or to provide guaranty capital in a mutual captive insurance company, provided that at the time of authorization of expenditure of public funds adequate insurance markets in the United States are not available to cover the risks, hazards, and liabilities of the public body or that the needed coverage is only available at excessive rates or with unreasonable deductibles.

**"§ 58-10-485. Violations and penalties.**

(a) If, after providing the opportunity for a contested case hearing held in accordance with the provisions of Article 3A of Chapter 150B of the General Statutes, the Commissioner finds that any insurer, person, or entity required to be licensed, permitted, or authorized to transact the business of insurance under this Part has violated any provision of this Part or any rule or regulation authorized by this Part, the Commissioner may order:

- (1) The insurer, person, or entity to cease and desist from engaging in the act or practice giving rise to the violation.
- (2) Payment of a monetary penalty pursuant to G.S. 58-2-70.
- (3) The suspension or revocation of the insurer's, person's, or entity's license.

(b) Whenever the Commissioner has evidence that any person has violated or is violating any provisions of this Part, or has violated or is violating any order or requirement of the Commissioner issued by the Commissioner under this Part, and that the interests of policyholders, creditors, or the public may be irreparably harmed by delay, the Commissioner may issue an emergency cease and desist order that shall become effective on the date specified in the order. The emergency cease and desist order shall also include a notice of hearing, which shall be conducted as provided under Article 3A of Chapter 150B of the General Statutes. However, the person ordered to cease and desist under this subsection may request and shall be granted an expedited review of the order. The emergency order shall remain in effect prior to and during the proceedings, unless modified by the Commissioner.

**"§ 58-10-495. Captive insurance companies reinsuring life insurance policies.**

(a) A captive insurance company that reinsures life insurance policies, including term, universal, and variable life policies, and related guarantees and riders, shall maintain reserves

1 that are actuarially sufficient to support the liabilities incurred by the captive insurance  
2 company in reinsuring life insurance policies.

3 (b) For purposes of the annual report required pursuant to G.S. 58-10-405, a captive  
4 insurance company described by subsection (a) of this section shall comply with the following  
5 requirements:

6 (1) If the company uses statutory accounting principles, it shall submit the  
7 annual report in the form of the annual statement approved by the NAIC for  
8 life insurers, as modified or supplemented by the Commissioner, unless the  
9 Commissioner requires or approves a different form of annual report.

10 (2) If the company uses generally accepted accounting principles, including any  
11 appropriate modifications or adaptations thereto approved by the  
12 Commissioner, it shall submit the annual report in a form approved by the  
13 Commissioner.

14 "Subpart 2. Protected Cell Captive Insurance Companies.

15 **"§ 58-10-500. Forming a protected cell captive insurance company.**

16 (a) One or more sponsors may form a protected cell captive insurance company under  
17 this Subpart.

18 (b) A protected cell captive insurance company shall be incorporated as a stock insurer  
19 with its capital divided into shares and held by the stockholders, as a mutual corporation, as a  
20 nonprofit corporation with one or more members, or as a manager-managed limited liability  
21 company.

22 **"§ 58-10-505. Additional filing requirements for applicant protected cell captive**  
23 **insurance companies.**

24 In addition to the information required by G.S. 58-10-345(c), each applicant protected cell  
25 captive insurance company shall file with the Commissioner all of the following:

26 (1) Materials demonstrating how the applicant will account for the loss and  
27 expense experience of each protected cell at a level of detail found to be  
28 sufficient by the Commissioner, and how it will report such experience to  
29 the Commissioner.

30 (2) A statement acknowledging that all records of the applicant, including  
31 records pertaining to any protected cells, shall be made available for  
32 inspection or examination by the Commissioner or the Commissioner's  
33 designated agent.

34 (3) All contracts or sample contracts between the applicant and any participants.

35 (4) Evidence that expenses shall be allocated to each protected cell in a fair and  
36 equitable manner.

37 **"§ 58-10-510. Establishment of protected cells.**

38 (a) A protected cell captive insurance company formed or licensed under this Part may  
39 establish and maintain one or more incorporated or unincorporated protected cells, to insure  
40 risks of one or more participants, subject to the following conditions:

41 (1) A protected cell captive insurance company may establish one or more  
42 protected cells if the Commissioner has approved in writing a plan of  
43 operation or amendments to a plan of operation submitted by the protected  
44 cell captive insurance company with respect to each protected cell. A plan of  
45 operation shall include, but is not limited to, the specific business objectives  
46 and investment guidelines of the protected cell, provided that the  
47 Commissioner may require additional information in the plan of operation.

48 (2) Upon the Commissioner's written approval of the plan of operation, the  
49 protected cell captive insurance company may attribute insurance obligations  
50 with respect to its insurance business to the protected cell in accordance with  
51 the approved plan of operation.

- 1           (3)    A protected cell shall have its own distinct name or designation that shall  
2           include the words "protected cell" or "incorporated cell."
- 3           (4)    The protected cell captive insurance company shall transfer all assets  
4           attributable to a protected cell to one or more separately established and  
5           identified protected cell accounts bearing the name or designation of that  
6           protected cell. Protected cell assets must be held in the protected cell  
7           accounts for the purpose of satisfying the obligations of that protected cell.
- 8           (5)    An incorporated protected cell may be organized and operated in any form  
9           of business organization authorized by the Commissioner. Each incorporated  
10           protected cell of a protected cell captive insurer shall be treated as a captive  
11           insurer for purposes of this Part. Unless otherwise permitted by the  
12           organizational documents of a protected cell captive insurer, each  
13           incorporated protected cell of the protected cell captive insurer must have  
14           the same directors, secretary, and registered office as the protected cell  
15           captive insurer.
- 16           (6)    All attributions of assets and liabilities between a protected cell and the  
17           general account shall be in accordance with the plan of operation and  
18           participant contracts approved by the Commissioner. No other attribution of  
19           assets or liabilities shall be made by a protected cell captive insurance  
20           company between the protected cell captive insurance company's general  
21           account and its protected cells. Any attribution of assets and liabilities  
22           between the general account and a protected cell shall be in cash or in  
23           readily marketable securities with established market values.

24           (b)    The creation of a protected cell does not create, with respect to that protected cell, a  
25           legal person separate from the protected cell captive insurance company, unless the protected  
26           cell is an incorporated cell. Amounts attributed to a protected cell under this Part, including  
27           assets transferred to a protected cell account, are owned by the protected cell. No protected cell  
28           captive insurance company shall be, or hold itself out to be, a trustee with respect to those  
29           protected cell assets of that protected cell account. Notwithstanding this subsection, the  
30           protected cell captive insurance company may allow for a security interest to attach to protected  
31           cell assets or a protected cell account when the security interest is in favor of a creditor of the  
32           protected cell and otherwise allowed under applicable law.

33           (c)    This Part shall not be construed to prohibit the protected cell captive insurance  
34           company from contracting with or arranging for an investment advisor, commodity trading  
35           advisor, or other third party to manage the protected cell assets of a protected cell, if all  
36           remuneration, expenses, and other compensation of the third-party advisor or manager are  
37           payable from the protected cell assets of that protected cell and not from the protected cell  
38           assets of other protected cells or the assets of the protected cell captive insurance company's  
39           general account.

40           (d)    A protected cell captive insurance company shall establish administrative and  
41           accounting procedures necessary to properly identify (i) the one or more protected cells of the  
42           protected cell captive insurance company and (ii) the assets and liabilities attributable to each  
43           protected cell. The directors of a protected cell captive insurance company shall keep protected  
44           cell assets and liabilities:

- 45           (1)    Separate and separately identifiable from the assets and liabilities of the  
46           protected cell captive insurance company's general account.
- 47           (2)    Attributable to one protected cell separate and separately identifiable from  
48           protected cell assets and protected cell liabilities attributable to other  
49           protected cells.

50           If this subsection is violated, then the remedy of tracing is applicable to protected cell assets  
51           when commingled with protected cell assets of other protected cells or the assets of the

1 protected cell captive insurance company's general account. The remedy of tracing shall not be  
2 construed as an exclusive remedy.

3 (e) When establishing a protected cell, the protected cell captive insurance company  
4 shall attribute to the protected cell assets a value at least equal to the reserves and other  
5 insurance liabilities attributed to that protected cell.

6 (f) Each protected cell shall be accounted for separately on the books and records of the  
7 protected cell captive insurance company to reflect (i) the financial condition and results of  
8 operations of such protected cell, (ii) net income or loss, (iii) dividends or other distributions to  
9 participants, and (iv) such other factors as may be provided in the participant contract or  
10 required by the Commissioner.

11 (g) No asset of a protected cell shall be chargeable with liabilities arising out of any  
12 other insurance business the protected cell captive insurance company may conduct.

13 (h) No sale, exchange, or other transfer of assets shall be made by such protected cell  
14 captive insurance company between or among any of its protected cells without the consent of  
15 such protected cells.

16 (i) No sale, exchange, transfer of assets, dividend, or distribution shall be made from a  
17 protected cell to a protected cell captive insurance company or participant without the  
18 Commissioner's approval. In no event shall the Commissioner's approval be given if the sale,  
19 exchange, transfer, dividend, or distribution would result in the insolvency or impairment of a  
20 protected cell.

21 (j) All attributions of assets and liabilities to the protected cells and the general account  
22 shall be in accordance with the plan of operation approved by the Commissioner. No other  
23 attribution of assets or liabilities shall be made by a protected cell captive insurance company  
24 between its general account and any protected cell, or between any protected cells. The  
25 protected cell captive insurance company shall attribute all insurance obligations, assets, and  
26 liabilities relating to a reinsurance contract entered into with respect to a protected cell to such  
27 protected cell. The performance under such reinsurance contract and any tax benefits, losses,  
28 refunds, or credits allocated pursuant to a tax allocation agreement to which the protected cell  
29 captive insurance company is a party, including any payments made by or due to be made to  
30 the protected cell captive insurance company pursuant to the terms of such agreement, shall  
31 reflect the insurance obligations, assets, and liabilities relating to the reinsurance contract that  
32 are attributed to such protected cell.

33 (k) In connection with the conservation, rehabilitation, or liquidation of a protected cell  
34 captive insurance company, the assets and liabilities of a protected cell shall, to the extent the  
35 Commissioner determines they are separable, at all times be kept separate from and shall not be  
36 commingled with those of other protected cells and the protected cell captive insurance  
37 company.

38 (l) Each protected cell captive insurance company shall annually file with the  
39 Commissioner such financial reports as required by the Commissioner. Any such financial  
40 report shall include without limitation accounting statements detailing the financial experience  
41 of each protected cell.

42 (m) Each protected cell captive insurance company shall notify the Commissioner in  
43 writing within 10 business days of any protected cell that is insolvent or otherwise unable to  
44 meet its claim or expense obligations.

45 (n) No participant contract shall take effect without the Commissioner's prior written  
46 approval. The addition of each new protected cell, the withdrawal of any participant, or the  
47 termination of any existing protected cell shall constitute a change in the plan of operation  
48 requiring the Commissioner's prior written approval.

49 (o) The business written by a protected cell captive insurance company, with respect to  
50 each protected cell, must be secured by one of the following methods:

51 (1) Fronted by an insurance company licensed under the laws of any state.

1           (2)    Reinsured by a reinsurer authorized or approved by this State.  
2           (3)    Secured by a trust fund in the United States for the benefit of policyholders  
3           and claimants, funded by an irrevocable letter of credit, or other arrangement  
4           that is acceptable to the Commissioner. The amount of security provided  
5           shall be no less than the reserves associated with those liabilities which are  
6           neither fronted nor reinsured, including reserves for losses, allocated loss  
7           adjustment expenses, incurred but not reported losses, and unearned  
8           premiums for business written through the participant's protected cell. The  
9           Commissioner may require the protected cell captive insurance company to  
10          increase the funding of any security arrangement established under this  
11          subdivision. If the form of security is a letter of credit, the letter of credit  
12          shall be issued or confirmed by a bank approved by the Commissioner. A  
13          trust maintained pursuant to this subdivision shall be established in a form  
14          and upon such terms approved by the Commissioner.

15          (p)    Notwithstanding this Chapter or other laws of this State, and in addition to  
16          G.S. 58-10-525, in the event of an insolvency of a protected cell captive insurance company  
17          where the Commissioner determines that one or more protected cells remain solvent, the  
18          Commissioner may separate such cells from the protected cell captive insurance company and  
19          may allow, on application of the protected cell captive insurance company, for the conversion  
20          of such protected cells into one or more new or existing protected cell captive insurance  
21          companies, or one or more other captive insurance companies, pursuant to such plan of  
22          operation as the Commissioner deems acceptable.

23          **"§ 58-10-515. Participation in a protected cell captive insurance company.**

24          (a)    Associations, corporations, limited liability companies, partnerships, trusts, and  
25          other business entities may be participants in any protected cell captive insurance company  
26          formed or licensed under this Part.

27          (b)    A sponsor may be a participant in a protected cell captive insurance company.

28          (c)    A participant need not be a shareholder of the protected cell captive insurance  
29          company or any affiliate thereof.

30          (d)    A participant shall insure only its own risks through a protected cell captive  
31          insurance company.

32          **"§ 58-10-520. Combining assets of protected cells.**

33          Notwithstanding G.S. 58-10-510, the assets of two or more protected cells may be  
34          combined for purposes of investment and such combination shall not be construed as defeating  
35          the segregation of such assets for accounting or other purposes. Protected cell captive insurance  
36          companies shall comply with the investment requirements contained in G.S. 58-7-167,  
37          58-7-170, 58-7-172, 58-7-173, 58-7-178, 58-7-179, 58-7-180, 58-7-183, 58-7-185, 58-7-187,  
38          58-7-188, 58-7-192, 58-7-193, 58-7-197, 58-7-200, and 58-7-205, as applicable; provided that  
39          compliance with such investment requirements shall be waived for protected cell captive  
40          insurance companies to the extent that credit for reinsurance ceded to reinsurers is allowed  
41          pursuant to G.S. 58-10-445 or to the extent otherwise deemed reasonable and appropriate by  
42          the Commissioner. Notwithstanding any other provision of this Chapter, the Commissioner  
43          may approve the use of alternative reliable methods of valuation and rating.

44          **"§ 58-10-525. Application of supervision, rehabilitation, and liquidation provisions to**  
45          **protected cell captive insurance companies.**

46          (a)    Except as otherwise provided in this Part, Article 30 of this Chapter shall apply to a  
47          protected cell captive insurance company.

48          (b)    Upon any order of supervision, rehabilitation, or liquidation of a protected cell  
49          captive insurance company, the Commissioner or receiver shall manage the assets and  
50          liabilities of the protected cell captive insurance company pursuant to this Part.

51          (c)    Notwithstanding Article 30 of this Chapter:

1           (1) No assets of a protected cell shall be used to pay any expenses or claims  
2           other than those attributable to such protected cell.

3           (2) A protected cell captive insurance company's capital and surplus shall at all  
4           times be available to pay any expenses of, or claims against, the protected

7 **"§ 58-10-530. Establishment of branch captive insurance companies.**

8           (a) A branch captive insurance company may be established in this State, in accordance

12           written by captive insurance companies pursuant to this Part.

13           (b) No branch captive insurance company shall do any insurance business in this State  
14           unless it maintains the principal place of business for its branch operations in this State.

15 **"§ 58-10-535. Security for payment of branch captive insurance company liabilities.**

16           (a) No branch captive insurance company shall be issued a license by the  
17           Commissioner unless it possesses and maintains as security for the payment of liabilities  
18           attributable to the branch operations:

19           (1) An amount equal to the amount set forth in G.S. 58-10-370 as the minimum  
20           capital requirement for a pure captive insurance company.

22           issued or assumed by the branch captive insurance company through its  
23           branch operations, including reserves for losses, allocated loss adjustment  
24           expenses, incurred but not reported losses, and unearned premiums with  
25           regard to business written through the branch operations; provided, however,  
26           that the Commissioner may permit a branch captive insurance company to  
27           credit against any such reserve requirement any security for loss reserves  
28           that the branch captive insurance company may post with a ceding insurer or  
29           that may be posted by a reinsurer with the branch captive insurance  
30           company, and in either case if such security remains posted.

31           (b) Subject to the prior approval of the Commissioner, the amounts required in  
32           subsection (a) of this section may be held in the form of:

33           (1) A trust formed under a trust agreement and funded by assets acceptable to  
34           the Commissioner.

35           (2) An irrevocable letter of credit issued or confirmed by a bank approved by  
36           the Commissioner.

38           only, cash on deposit with the Commissioner.

39           (4) Any combination of subdivisions (b)(1) through (3) of this section.

40 **"§ 58-10-540. Petition for certificate of authority.**

41           In the case of an alien captive insurance company seeking to become licensed as a branch  
42           captive insurance company, the alien captive insurance company shall petition the  
43           Commissioner to issue a certificate setting forth the Commissioner's finding that, after  
44           considering the character, reputation, financial responsibility, insurance experience, and  
45           business qualifications of the officers and directors of the alien captive insurance company, the  
46           licensing and maintenance of the branch operations will promote the general good of the State.  
47           After the Commissioner issues a certificate of authorization, the alien captive insurance  
48           company shall comply with all other applicable State statutes or common law.

49 **"§ 58-10-545. Filing of reports and statements.**

50           Prior to March 1 of each year, or with the approval of the Commissioner within 60 days  
51           after its fiscal year-end, a branch captive insurance company shall file with the Commissioner a

1 copy of all reports and statements required to be filed under the laws of the jurisdiction in  
2 which the alien captive insurance company is formed, verified by oath of two of its executive  
3 officers. If the Commissioner is satisfied that the annual report filed by the alien captive  
4 insurance company in its domiciliary jurisdiction provides adequate information concerning the  
5 financial condition of the alien captive insurance company, the Commissioner may waive the  
6 requirement for completion of the captive annual statement for business written in the alien  
7 jurisdiction.

8 **"§ 58-10-550. Examination of a branch captive insurance company.**

9 (a) Any examination of a branch captive insurance company pursuant to  
10 G.S. 58-10-430 shall be of branch business and branch operations only so long as the branch  
11 captive insurance company files annually with the Commissioner a certificate of compliance, or  
12 its equivalent, issued by or filed with the licensing authority of the jurisdiction in which the  
13 branch captive insurance company is formed, and demonstrates to the Commissioner's  
14 satisfaction that it is operating in sound financial condition in accordance with all applicable  
15 laws and regulations of such jurisdiction.

16 (b) As a condition of licensure, an alien captive insurance company shall grant authority  
17 to the Commissioner for examination of the affairs of the alien captive insurance company in  
18 the jurisdiction in which the alien captive insurance company is formed.

19 "Subpart 4. Special Purpose Financial Captives.

20 **"§ 58-10-555. Creation of special purpose financial captives.**

21 Special purpose financial captives (SPFCs) are provided by this Subpart exclusively to  
22 facilitate the securitization of one or more risks as a means of accessing alternative sources of  
23 capital and achieving the benefits of securitization. SPFCs are created for the limited purpose  
24 of entering into SPFC contracts and insurance securitization transactions and into related  
25 agreements to facilitate the accomplishment and execution of those transactions. The creation  
26 of SPFCs is intended to achieve greater efficiencies in structuring and executing insurance  
27 securitizations, to diversify and broaden sources of capital for insurers, to facilitate access for  
28 many insurers to insurance securitization and capital markets financing technology, and to  
29 further the economic development and expand the interest of this State through its captive  
30 insurance program.

31 **"§ 58-10-560. Controlling provisions when conflict exists; exemptions.**

32 (a) No provisions of this Chapter, other than those expressly provided in this Part, shall  
33 apply to an SPFC. If any conflict occurs in this Part related to an SPFC, the provisions of this  
34 Subpart shall control.

35 (b) The Commissioner, by rule, regulation, or order, may exempt an SPFC or its  
36 protected cells, on a case-by-case basis, from this Part if the Commissioner determines  
37 regulation under this Part to be inappropriate given the nature of the risks to be insured.

38 **"§ 58-10-565. Application requirements.**

39 (a) An SPFC, when permitted by its organizational documents, may apply to the  
40 Commissioner for a certificate of authority to transact insurance or reinsurance business as  
41 authorized by this Part. An SPFC shall only insure or reinsure the risks of its counterparty.

15 its financial condition.
- 16 (7) Provide a complete set of the documentation of the insurance securitization

35 written summary of all material agreements that are entered into to  
36 effectuate the SPFC contract and, before the effectuation of the SPFC  
37 contract, the insurance securitization, to include the names of the  
38 counterparty, the nature of the risks being assumed, the proposed use  
39 of protected cells, if any, and the maximum amounts, purpose, and  
40 nature and the interrelationships of the various transactions required

8           c. The applicant SPFC's investment strategy reflects and takes into  
9 account the liquidity of assets and the reasonable preservation,

12 securitization transaction.  
13           d. The securities proposed to be issued, if any, are valid legal

18 evaluate and complete the licensing of the SPFC.
- 19       (d) In addition to the information required by subsection (c) of this section and by  
20 G.S. 58-10-585, when a protected cell is used, an applicant SPFC shall file with the  
21 Commissioner:

25 experience to the Commissioner.
- 26           (2) A statement acknowledging that all records of the SPFC, including records  
27 pertaining to any protected cells, must be made available for inspection or  
28 examination by the Commissioner.
- 29           (3) All contracts or sample contracts between the SPFC and any counterparty  
30 related to each protected cell.
- 31           (4) A description of the expenses allocated to each protected cell.
- 32       (e) Information submitted pursuant to this section shall be and remain confidential, and  
33 shall not be made public by the Commissioner or the Commissioner's designee unless  
34 disclosure is ordered by a court of competent jurisdiction. In addition, the Commissioner shall  
35 have the discretion to disclose such information to a public official having jurisdiction over the  
36 regulation of insurance in another state, provided that:
- 37           (1) Such public official shall agree in writing to maintain the confidentiality of  
38 such information.
- 39           (2) The laws of the state in which such public official serves require such  
40 information to be and to remain confidential.
- 41       (f) G.S. 58-10-430 applies to SPFCs.
- 42       (g) SPFCs are subject to any rules or regulations promulgated pursuant to  
43 G.S. 58-10-460.
- 44       (h) The Commissioner may retain legal, financial, and examination services from  
45 outside the Department to examine and investigate the application, the cost of which may be  
46 charged against the applicant. The Commissioner also may use internal resources to examine  
47 and investigate the application based upon an hourly rate for the services performed or the  
48 usual and customary fee charged by the financial services industry for similar work subject to a  
49 minimum fee of twelve thousand dollars (\$12,000), six thousand dollars (\$6,000) of which is  
50 payable upon filing of the application and the remainder upon licensure.

1 (i) An SPFC shall be subject to payment of premium taxes as required by  
2 G.S. 58-10-455.

3 (j) The Commissioner shall grant a certificate of authority authorizing the SPFC to  
4 transact insurance or reinsurance business as an SPFC in this State, upon a finding by the  
5 Commissioner that:

6 (1) The SPFC's proposed plan of operation provides a reasonable and expected  
7 successful operation.

8 (2) The terms of the SPFC contract and related transactions comply with this  
9 Part.

10 (3) The proposed plan of operation is not hazardous to any counterparty.

11 (4) To the extent required by law or regulation, the Commissioner or an  
12 equivalent regulatory authority of the state of domicile of each counterparty  
13 has notified the Commissioner in writing or otherwise provided assurance  
14 satisfactory to the Commissioner that it has approved or not disapproved the  
15 transaction.

16 (5) The certificate of authority authorizing the SPFC to transact business is  
17 limited only to the insurance or reinsurance activities that the SPFC is  
18 authorized to conduct pursuant to this Part.

19 (k) In evaluating the expectation of a successful operation, factors the Commissioner  
20 shall consider include whether the proposed SPFC and its management are of known good  
21 character and reasonably believed not to be affiliated, directly or indirectly, through ownership,  
22 control, management, reinsurance transactions, or other insurance or business relations, with a  
23 person known to have been involved in the improper manipulation of assets, accounts, or  
24 reinsurance.

25 (l) To ensure the proposed plan of operation is not hazardous to any counterparty, the  
26 Commissioner may require reasonable safeguards in the SPFC's plan of operation where  
27 applicable and appropriate in the circumstance, including, without limitation, that certain assets  
28 of the SPFC be held in a trust to secure the obligations of the SPFC to a counterparty under an  
29 SPFC contract.

30 (m) A foreign or alien corporation or limited liability company, upon approval of the  
31 Commissioner, may become a domestic SPFC after complying with G.S. 58-10-345(c)(1).  
32 After such documents are successfully filed, the foreign or alien corporation or limited liability  
33 company is entitled to the necessary or appropriate certificates or licenses to transact business  
34 as an SPFC in this State and is subject to the authority and jurisdiction of this State. In  
35 connection with this redomestication, the Commissioner may waive any requirements for  
36 public hearings. It is not necessary for a corporation or limited liability company  
37 redomesticating into this State to merge, consolidate, transfer assets, or otherwise engage in  
38 another reorganization, other than as specified in this section.

39 **"§ 58-10-570. Organization of an SPFC.**

40 (a) An SPFC may be established as a stock corporation, limited liability company,  
41 mutual, partnership, or other form of organization approved by the Commissioner.

43 business of insurance or reinsurance to those activities the SPFC conducts to accomplish its  
44 purpose as expressed in this Part.

45 (c) The SPFC shall not adopt a name that is the same as, deceptively similar to, or  
46 likely to be confused with or mistaken for another existing business name registered in this  
47 State. Any name adopted by an SPFC shall comply with State law.

48 (d) An SPFC shall have at least three incorporators or organizers, of whom at least two  
49 shall be residents of this State.

50 (e) At least one of the members of the management of the SPFC shall be a resident of  
51 this State.

1       (f) An SPFC formed pursuant to this Part has the privileges of and is subject to all other  
2 requirements of this State's law applicable to its formation, as well as the applicable provisions  
3 contained in this Part, provided that this Part controls if a conflict exists in this State's law.

4 **"§ 58-10-575. Minimum capital.**

5       (a) An SPFC shall initially possess and maintain minimum capital of not less than two  
6 hundred and fifty thousand dollars (\$250,000). All of the minimum initial capitalization shall  
7 be in cash. All other funds of the SPFC in excess of its minimum initial capitalization shall be  
8 in the form of cash, cash equivalent, or securities invested as approved by the Commissioner.

9       (b) Additional capitalization for the SPFC shall be determined, if so required, by the  
10 Commissioner after giving due consideration to the SPFC's plan of operation, feasibility study,  
11 pro formas, and the nature of the risks being insured or reinsured, which may be prescribed in  
12 formulas approved by the Commissioner.

13 **"§ 58-10-580. Authorized activities.**

14       (a) An SPFC shall only insure the risks of a counterparty.

15       (b) No SPFC shall issue a contract for assumption of risk or indemnification of loss  
16 other than an SPFC contract. However, the SPFC may cede risks assumed through an SPFC  
17 contract to third-party reinsurers through the purchase of reinsurance or retrocession protection  
18 on terms approved by the Commissioner.

19       (c) An SPFC may enter into contracts and conduct other commercial activities related  
20 or incidental to and necessary to fulfill the purposes of the SPFC contract, insurance  
21 securitization, and this Part. Those activities may include, but are not limited to:

22           (1) Entering into SPFC contracts.

23           (2) Issuing SPFC securities in accordance with applicable securities law.

24           (3) Complying with the terms of such contracts or securities.

25           (4) Entering into trust, guaranteed investment contract, letter of credit, swap,  
26 tax, administration, reimbursement, or fiscal agent transactions.

27           (5) Complying with trust indenture, reinsurance, or retrocession, and agreements  
28 necessary or incidental to effectuate an insurance securitization in  
29 compliance with this Part or the plan of operation approved by the  
30 Commissioner.

31       (d) An SPFC shall do all of the following:

32           (1) Discount its reserves at discount rates as approved by the Commissioner.

33           (2) Maintain reserves that are actuarially sufficient to support the liabilities  
34 incurred by an SPFC in reinsuring life insurance policies.

35           (3) File annually with the Commissioner an actuarial opinion on reserves  
36 provided by an approved independent actuary.

37 **"§ 58-10-585. Establishment of protected cell accounts.**

38       (a) This section and G.S. 58-10-590 provide a basis for the creation and use of  
39 protected cells by an SPFC as a means of accessing alternative sources of capital, lowering  
40 formation and administrative expenses, and generally making insurance securitizations more  
41 efficient. If a conflict exists between other provisions of this Part and either this section or  
42 G.S. 58-10-590, then this section or G.S. 58-10-515 shall control as applicable.

43       (b) An SPFC may establish and maintain one or more protected cells with prior written  
44 approval of the Commissioner and subject to compliance with the applicable provisions of this  
45 Part and all of the following conditions:

46           (1) A protected cell shall be established only for the purpose of insuring or  
47 reinsuring risks of one or more SPFC contracts with a counterparty with the  
48 intent of facilitating an insurance securitization.

49           (2) Each protected cell shall be accounted for separately on the books and  
50 records of the SPFC to reflect the financial condition and results of  
51 operations of the protected cell, net income or loss, dividends, or other

- 1 distributions to the counterparty for the SPFC contract with each cell, and  
2 other factors as may be provided in the SPFC contract, insurance  
3 securitization transaction documents, plan of operation, or business plan, or  
4 as required by the Commissioner.
- 5 (3) Amounts attributed to a protected cell under this Part, including assets  
6 transferred to a protected cell account, are owned by the SPFC, and no SPFC  
7 shall be or hold itself out to be a trustee with respect to those protected cell  
8 assets of that protected cell account.
- 9 (4) All attributions of assets and liabilities between a protected cell and the  
10 general account shall be in accordance with the plan of operation approved  
11 by the Commissioner, and no other attribution of assets or liabilities by an  
12 SPFC between the SPFC's general account and its protected cell or cells is  
13 permitted. The SPFC shall attribute all insurance obligations, assets, and  
14 liabilities relating to an SPFC contract and the related insurance  
15 securitization transaction, including any securities issued by the SPFC as  
16 part of the insurance securitization, to a particular protected cell. The  
17 insurance obligations, assets, and liabilities relating to the SPFC contract and  
18 the insurance securitization transaction that are attributed to a particular  
19 protected cell shall be consistent with:
- 20 a. The rights, benefits, obligations, and liabilities of any securities  
21 attributable to that protected cell.
- 22 b. The performance under an SPFC contract and the related  
23 securitization transaction and any tax benefits, losses, refunds, or  
24 credits allocated, at any point in time pursuant to a tax allocation  
25 agreement between the SPFC and the SPFC's counterparty, parent, or  
26 company or group company, or any of them, in common control with  
27 them, as the case may be, including any payments made by or due to  
28 be made to the SPFC pursuant to the terms of the agreement.
- 29 (5) No assets of a protected cell shall be chargeable with liabilities arising out of  
30 an SPFC contract related to or associated with another protected cell.  
31 However, one or more SPFC contracts may be attributed to a protected cell  
32 only if the SPFC contracts are intended to be and ultimately are part of a  
33 single securitization transaction.
- 34 (6) No sale, exchange, or other transfer of assets shall be made by the SPFC  
35 between or among any of the SPFC's protected cells without the consent of  
36 the Commissioner, counterparty, and each protected cell.
- 37 (7) Except as otherwise contemplated in the SPFC contract or related insurance  
38 securitization transaction documents, or both, no sale, exchange, transfer of  
39 assets, dividend, or distribution shall be made from a protected cell to a  
40 counterparty or parent without the Commissioner's approval and the sale,  
41 exchange, transfer, dividend, or distribution shall not be approved if the sale,  
42 exchange, transfer, dividend, or distribution would result in a protected cell's  
43 insolvency or impairment.
- 44 (8) An SPFC may pay interest or repay principal, or both, and make  
45 distributions or repayments with respect to any securities attributed to a  
46 particular protected cell from assets or cash flows relating to or emerging  
47 from the SPFC contract and the insurance securitization transactions that are  
48 attributable to that particular protected cell in accordance with this Part, or as  
49 otherwise approved by the Commissioner.
- 50 (c) No SPFC contract with or attributable to a protected cell shall take effect without  
51 the Commissioner's prior written approval, and the addition of each new protected cell

1 constitutes a change in the business plan requiring the Commissioner's prior written approval.  
2 The Commissioner may retain legal, financial, and examination services from outside the  
3 Department to examine and investigate the application for a protected cell, the cost of which  
4 may be charged against the applicant, or the Commissioner may use internal resources to  
5 examine and investigate the application, the cost of which may be charged against the  
6 applicant, or both.

7 (d) An SPFC utilizing protected cells shall possess and maintain minimum  
8 capitalization separate and apart from the capitalization of its protected cell or cells in an  
9 amount determined by the Commissioner after giving due consideration of the SPFC's business  
10 plan, feasibility study, and pro formas, including the nature of the risks to be insured or  
11 reinsured. For purposes of determining the capitalization of each protected cell, an SPFC shall  
12 initially capitalize and maintain capitalization in each protected cell in the amount and manner  
13 required for an SPFC in G.S. 58-10-575.

14 (e) The establishment of one or more protected cells alone shall not constitute and shall  
15 not be deemed to be a fraudulent conveyance, an intent by the SPFC to defraud creditors, or the  
16 carrying out of business by the SPFC for any other fraudulent purpose.

17 **"§ 58-10-590. Protected cell accounts.**

18 (a) All of the following shall apply to a protected cell:

19 (1) The creation of a protected cell shall not create, with respect to that protected  
20 cell, a legal person separate from the SPFC.

21 (2) Notwithstanding subdivision (a)(1) of this subsection, a protected cell shall  
22 have its own distinct name or designation that includes the words "protected  
23 cell." The SPFC shall transfer all assets attributable to the protected cell to  
24 one or more separately established and identified protected cell accounts  
25 bearing the name or designation of that protected cell.

26 (3) Although a protected cell is not a separate legal person, the property of an  
27 SPFC in a protected cell is subject to orders of the court by name as the  
28 property would have been if the protected cell were a separate legal person.

29 (4) The property of an SPFC in a protected cell shall be served with process in  
30 its own name in all civil actions or proceedings involving or relating to the  
31 activities of that protected cell or a breach by the SPFC of a duty to the  
32 protected cell or to a counterparty to a transaction linked or attributed to it by  
33 serving the SPFC.

34 (5) A protected cell exists only at the pleasure of the SPFC. At the cessation of  
35 business of a protected cell in accordance with the plan approved by the  
36 Commissioner, the SPFC shall close out the protected cell account.

37 (b) Nothing in this section shall be construed to prohibit an SPFC from contracting with  
38 or arranging for an investment advisor, commodity trading advisor, or other third party to  
39 manage the assets of a protected cell, if all remuneration, expenses, and other compensation of  
40 the third-party advisor or manager are payable from the assets of that protected cell and not  
41 from the assets of other protected cells or the assets of the SPFC's general account, unless  
42 approved by the Commissioner.

43 (c) Creditors with respect to a protected cell are not entitled to have recourse against the  
44 protected cell assets of other protected cells or the assets of the SPFC's general account. If an  
45 obligation of an SPFC relates only to the general account, the obligation of the SPFC extends  
46 only to that creditor with respect to that obligation, and the creditor is entitled to have recourse  
47 only to the assets of the SPFC's general account.

48 (d) The assets of the protected cell shall not be used to pay expenses or claims other  
49 than those attributable to the protected cell. Protected cell assets are available only to the SPFC  
50 contract counterparty and other creditors of the SPFC that are creditors only with respect to that  
51 protected cell and, accordingly, are entitled in conformity with this Part, to have recourse to the

1 protected cell assets attributable to that protected cell. The assets of the protected cell are  
2 protected from the creditors of the SPFC that are not creditors with respect to that protected cell  
3 and who, accordingly, are not entitled to have recourse to the protected cell assets attributable  
4 to that protected cell. If an obligation of an SPFC to a person or counterparty arises from an  
5 SPFC contract or related insurance securitization transaction, or is otherwise incurred with  
6 respect to a protected cell, then the obligation shall:

7 (1) Extend only to the protected cell assets attributable to that protected cell, and  
8 the person or counterparty, with respect to that obligation, is entitled to have  
9 recourse only to the protected cell assets attributable to that protected cell.

10 (2) Not extend to the protected cell assets of another protected cell or the assets  
11 of the SPFC's general account, and the person or counterparty, with respect  
12 to that obligation, is not entitled to have recourse to the protected cell assets  
13 of another protected cell or the assets of the SPFC's general account. The  
14 SPFC's capitalization held separate and apart from the capitalization of its  
15 protected cell or cells must be available at all times to pay expenses of or  
16 claims against the SPFC and may not be used to pay expenses or claims  
17 attributable to any protected cell.

18 (e) Notwithstanding any other provision of law, an SPFC may allow for a security  
19 interest in accordance with applicable law to attach to protected cell assets or a protected cell  
20 account when in favor of a creditor of the protected cell or to facilitate an insurance  
21 securitization, including, without limitation, the issuance of the SPFC contract, to the extent  
22 those protected cell assets are not required at all times to support the risk, but without otherwise  
23 affecting the discharge of liabilities under the SPFC contract, or as otherwise approved by the  
24 Commissioner.

25 (f) An SPFC shall establish administrative and accounting procedures necessary to  
26 properly identify the one or more protected cells of the SPFC and the protected cell assets and  
27 protected cell liabilities to each protected cell. An SPFC shall keep protected cell assets and  
28 protected cell liabilities:

29 (1) Separate and separately identifiable from the assets and liabilities of the  
30 SPFC's general account.

31 (2) Attributable to one protected cell separate and separately identifiable from  
32 protected cell assets and protected cell liabilities attributable to other  
33 protected cells.

34 (g) All contracts or other documentation reflecting protected cell liabilities shall clearly  
35 indicate that only the protected cell assets are available for the satisfaction of those protected  
36 cell liabilities. In all SPFC insurance securitizations involving a protected cell, the contracts or  
37 other documentation effecting the transaction shall contain provisions identifying the protected  
38 cell to which the transaction is attributed. In addition, the contracts or other documentation  
39 shall clearly disclose that the assets of that protected cell, and only those assets, are available to  
40 pay the obligations of that protected cell. Notwithstanding this subsection, and subject to this  
41 Part and other applicable laws or regulations, the failure to include this language in the  
42 contracts or other documentation shall not be used as the sole basis by creditors, insureds or  
43 reinsureds, insurers or reinsurers, or other claimants to circumvent the provisions of this  
44 section.

45 (h) An SPFC with protected cells shall annually file with the Department accounting  
46 statements and financial reports required by this Part, which shall:

47 (1) Detail the financial experience of each protected cell and the SPFC  
48 separately.

49 (2) Provide the combined financial experience of the SPFC and all protected  
50 cells.

1       (i) An SPFC with protected cells shall notify the Commissioner in writing within 10  
2 business days of a protected cell becoming insolvent.

3 **"§ 58-10-595. Issuing securities.**

4       (a) An SPFC may issue securities, including surplus notes and other forms of financial  
5 instruments, subject to and in accordance with applicable law, its approved plan of operation,  
6 and its organizational documents.

7       (b) An SPFC, in connection with the issuance of securities, may enter into and perform  
8 all of its obligations under any required contracts to facilitate the issuance of these securities.

9       (c) Subject to the approval of the Commissioner, an SPFC may lawfully:

10           (1) Account for the proceeds of surplus notes as surplus and not as debt for  
11 purposes of statutory accounting.

12           (2) Submit for prior approval of the Commissioner periodic written requests for  
13 payments of interest on and repayments of principal of surplus notes. In lieu  
14 of approval of periodic written requests for authorization to make payments  
15 of interest on and repayments of principal of surplus notes and other debt  
16 obligations issued by the SPFC, the Commissioner may approve a formula  
17 or plan, which shall be included in the SPFC's plan of operation as amended  
18 from time to time, for payment of interest, principal, or both, with respect to  
19 such surplus notes and debt obligations.

20       (d) The Commissioner, without otherwise prejudicing the Commissioner's authority,  
21 may approve formulas for an ongoing plan of interest payments or principal repayments, or  
22 both, to provide guidance in connection with the Commissioner's ongoing reviews of requests  
23 to approve the payments on and principal repayments of the surplus notes.

24       (e) The obligation to repay principal or interest, or both, on the securities issued by the  
25 SPFC must reflect the risk associated with the obligations of the SPFC to the counterparty  
26 under the SPFC contract.

27 **"§ 58-10-600. Asset management agreements.**

28       An SPFC may enter into swap agreements, or other forms of asset management agreements,  
29 including guaranteed investment contracts, or other transactions that have the objective of  
30 leveling timing differences in funding of up-front or ongoing transaction expenses, or  
31 managing asset, credit, or interest rate risk of the investments to ensure that the investments are  
32 sufficient to assure payment or repayment of the securities, and related interest or principal  
33 payments, issued pursuant to an SPFC insurance securitization transaction, or the obligations of  
34 the SPFC under the SPFC contract.

35 **"§ 58-10-605. Reinsurance.**

36       (a) An SPFC may reinsure only the risks of a ceding insurer pursuant to a reinsurance  
37 contract. No SPFC shall issue a contract of insurance or a contract for assumption of risk or  
38 indemnification of loss other than such reinsurance contract.

39       (b) Unless otherwise approved in advance by the Commissioner, no SPFC shall assume  
40 or retain exposure to insurance or reinsurance losses for its own account that are not funded by:

41           (1) Proceeds from an insurance securitization, letters of credit, or other assets  
42 described in G.S. 58-10-340(22).

43           (2) Premium and other amounts payable by the ceding insurer to the SPFC  
44 pursuant to the reinsurance contract.

45           (3) Any return on investment of the items described in subdivisions (1) and (2)  
46 of this subsection.

47       (c) The reinsurance contract shall contain all provisions required or approved by the  
48 Commissioner, which requirements shall take into account the laws applicable to the ceding  
49 insurer regarding the ceding insurer taking credit for the reinsurance provided under such  
50 reinsurance contract.

1        (d) An SPFC may cede risks assumed through a reinsurance contract to one or more  
2 reinsurers through the purchase of reinsurance, subject to the prior approval of the  
3 Commissioner.

4        (e) An SPFC may enter into contracts and conduct other commercial activities related  
5 or incidental to and necessary to fulfill the purposes of the reinsurance contract, the insurance  
6 securitization, and this Part, provided such contracts and activities are included in the SPFC's  
7 plan of operation or are otherwise approved in advance by the Commissioner. Such contracts  
8 and activities may include the following:

9            (1) Entering into SPFC contracts.

10          (2) Issuing SPFC securities in accordance with applicable securities law.

11          (3) Complying with the terms of such contracts or securities.

12          (4) Entering into trust, guaranteed investment contract, letter of credit, swap,  
13 tax, administration, reimbursement, or fiscal agent transactions.

14          (5) Complying with trust indenture, reinsurance, or retrocession and other  
15 agreements necessary or incidental to effectuate an insurance securitization  
16 in compliance with this Part or the plan of operation approved by the  
17 Commissioner.

18        (f) Unless otherwise approved in advance by the Commissioner, a reinsurance contract  
19 shall not contain any provision for payment by the SPFC in discharge of its obligations under  
20 the reinsurance contract to any person other than the ceding insurer or any receiver of the  
21 ceding insurer.

22        (g) An SPFC shall notify the Commissioner immediately of any action by a ceding  
23 insurer or any other person to foreclose on or otherwise take possession of collateral provided  
24 by the SPFC to secure any obligation of the SPFC.

25        (h) In the SPFC insurance securitization, the contracts or other relating documentation  
26 shall contain provisions identifying the SPFC.

27        (i) Unless otherwise approved by the Commissioner, no SPFC shall enter into an SPFC  
28 contract with a person that is not licensed or otherwise authorized to transact the business of  
29 insurance or reinsurance in at least its state or country of domicile.

30        (j) No SPFC shall:

31            (1) Have any direct obligation to the policyholders or reinsureds of the  
32 counterparty.

33            (2) Perform any of the following activities with anyone convicted of a felony,  
34 anyone who is untrustworthy or of known bad character, or anyone  
35 convicted of a criminal offense involving the conversion or misappropriation  
36 of fiduciary funds or insurance accounts, theft, deceit, fraud,  
37 misrepresentation, or corruption:

38            a. Lend or otherwise invest assets.

39            b. Place any assets in custody, trust, or under management.

40            c. Borrow money or receive a loan or advance, other than by issuance  
41 of the securities pursuant to an insurance securitization.

42        **"§ 58-10-610. No securities considered to be insurance or reinsurance contracts.**

43        No securities issued by an SPFC pursuant to an insurance securitization shall be considered  
44 to be insurance or reinsurance contracts. No investor in these securities or a holder of these  
45 securities, by sole means of this investment or holding, shall be considered to be transacting the  
46 business of insurance in this State. The underwriter's placement or selling agents and their  
47 partners, directors, officers, members, managers, employees, agents, representatives, and  
48 advisors involved in an insurance securitization pursuant to this Part shall not be considered to  
49 be insurance producers or brokers or conducting business as an insurance or reinsurance  
50 company or agency, brokerage, intermediary, advisory, or consulting business only by virtue of  
51 their activities in connection with an insurance securitization.

**"§ 58-10-615. Disposition of assets; investment limitations.**

(a) The assets of an SPFC shall be preserved and administered by or on behalf of the SPFC to satisfy the liabilities and obligations of the SPFC incident to the reinsurance contract, the insurance securitization, and other related agreements.

(b) In the insurance securitization, the security offering memorandum or other document issued to prospective investors regarding the offer and sale of a surplus note or other security shall include a disclosure that all or part of the proceeds of such insurance securitization will be used to fund the SPFC's obligations to the ceding insurer.

(c) No SPFC shall be subject to any restriction on investments other than the following:

(1) The Commissioner may limit investments by an SPFC to those categories and amounts of authorized investments delineated in G.S. 58-7-167, 58-7-170, 58-7-172, 58-7-173, 58-7-178, 58-7-179, 58-7-180, 58-7-183, 58-7-185, 58-7-187, 58-7-188, 58-7-192, 58-7-193, 58-7-197, 58-7-200, and 58-7-205, as applicable and as amended from time to time.

(2) No SPFC shall make a loan to any person other than as permitted under its plan of operation or as otherwise approved in advance by the Commissioner.

(3) The Commissioner may prohibit or limit any investment that threatens the solvency or liquidity of the SPFC unless the investment is otherwise approved by the Commissioner in writing.

**"§ 58-10-620. Dividends.**

(a) No SPFC shall declare or pay dividends in any form to its owners other than in accordance with the insurance securitization transaction agreements, and in no extent shall the dividends decrease the capital of the SPFC below two hundred fifty thousand dollars (\$250,000). After giving effect to the dividends, the assets of the SPFC, including assets held in trust pursuant to the terms of the insurance securitization, shall be sufficient to satisfy the Commissioner that the SPFC can meet its obligations. Approval by the Commissioner of an ongoing plan for the payment of dividends or other distribution by an SPFC must be conditioned upon the retention at the time of each payment of capital or surplus equal to or in excess of amounts specified by or determined in accordance with formulas approved for the SPFC by the Commissioner.

(b) The dividends may be declared by the management of the SPFC if the dividends do not violate this Part or jeopardize the fulfillment of the obligations of the SPFC or the trustee pursuant to the SPFC insurance securitization agreements, the SPFC contract, or any related transaction and other provisions of this Part.

**"§ 58-10-625. Changes in plan of operation; filing of audit and statement of operation; examinations.**

(a) Any material change of the SPFC's plan of operation, whether or not through an SPFC protected cell, shall require prior approval of the Commissioner. The following transactions do not constitute material change for purposes of this section:

(1) If initially approved in the plan of operation, securities subsequently issued to continue the securitization activities of the SPFC either during or after expiration, redemption, or satisfaction of all of these, of part or all of the securities issued pursuant to initial insurance securitization transactions.

(2) A change and substitution in a counterparty to a swap transaction for an existing insurance securitization as allowed pursuant to this Part if the replacement swap counterparty carries a similar or higher rating to its predecessor with two or more nationally recognized rating agencies.

(b) No later than six months after the fiscal year-end of the SPFC, the SPFC shall file with the Commissioner an audit by a certified public accounting firm of the financial statements of the SPFC and the trust accounts.

1       (c) An SPFC shall report using statutory accounting principles, unless the  
2 Commissioner requires, approves, or accepts the use of generally accepted accounting  
3 principles or other comprehensive basis of accounting. In each case the Commissioner may  
4 require, approve, or accept any appropriate or necessary modifications or adaptations to the  
5 accounting basis, and may require the report to be supplemented by additional information.

6       (d) Each SPFC shall file by March 1 a statement of operations, using either generally  
7 accepted accounting principles or, if approved, accepted, or required by the Commissioner,  
8 statutory accounting principles with useful or necessary modifications or adaptations for the  
9 type of insurance and kinds of insurers to be reported upon, and as supplemented by additional  
10 information required by the Commissioner. The statement of operations shall include a  
11 statement of income, a balance sheet, and may include a detailed listing of invested assets,  
12 including identification of assets held in trust to secure the obligations of the SPFC under the  
13 SPFC contract. The SPFC also may include with the filing risk-based capital calculations and  
14 other adjusted capital calculations to assist the Commissioner with evaluating the levels of the  
15 surplus of the SPFC for the year ending on December 31 of the previous year. The statements  
16 shall be prepared on forms required by the Commissioner. In addition, the Commissioner may  
17 require the filing of performance assessments of the SPFC contract.

18       (e) An SPFC shall maintain the SPFC's records in this State unless otherwise approved  
19 by the Commissioner and shall make its records available for examination by the  
20 Commissioner at any time. The SPFC shall keep its books and records in such manner that its  
21 financial condition, affairs, and operations can be ascertained and so that the Commissioner  
22 may readily verify its financial statements and determine its compliance with this Part.

23       (f) All original books, records, documents, accounts, and vouchers shall be preserved  
24 and kept available in this State for the purpose of examination and until authority to destroy or  
25 otherwise dispose of the records is secured from the Commissioner. The original records,  
26 however, may be kept and maintained outside this State if, according to a plan adopted by the  
27 management of the SPFC and approved by the Commissioner, the SPFC maintains suitable  
28 copies instead of the originals. The books or records may be photographed, reproduced on film,  
29 or stored and reproduced electronically.

30 **"§ 58-10-630. Cessation of business.**

31       At the cessation of business of an SPFC following termination or cancellation of an SPFC  
32 contract and the redemption of any related securities issued in connection with the SPFC  
33 contract, the authority granted by the Commissioner expires or, in the case of retiring and  
34 surviving protected cells, is modified, the SPFC is no longer authorized to conduct activities  
35 unless and until a new or modified certificate of authority is issued pursuant to a new filing  
36 under this Part or as agreed by the Commissioner.

37 **"§ 58-10-635. Supervision, rehabilitation, or liquidation of SPFC.**

38       (a) Except as otherwise provided in this section, the terms and conditions set forth in  
39 Article 30 of this Chapter pertaining to supervision, rehabilitation, and liquidation of insurers  
40 apply in full to SPFCs or each of the SPFC's protected cells, independently, or both, without  
41 causing or otherwise effecting a supervision, rehabilitation, or liquidation of the SPFC or  
42 another protected cell.

43       (b) Notwithstanding the provisions of Article 30 of this Chapter, and without causing or  
44 otherwise effecting a rehabilitation or liquidation of an otherwise solvent protected cell of an  
45 SPFC and subject to the provisions of subdivision (g)(5) of this section, the Commissioner may  
46 apply by petition to the court for an order authorizing the Commissioner to rehabilitate or  
47 liquidate an SPFC domiciled in this State on one or more of the following grounds:

- 48           (1) There has been embezzlement, wrongful sequestration, dissipation, or  
49 diversion of the assets of the SPFC intended to be used to pay amounts owed  
50 to the counterparty or the holders of SPFC securities.

1           (2)    The SPFC is insolvent and the holders of a majority in outstanding principal  
2               amount of each class of SPFC securities request or consent to rehabilitation  
3               or liquidation pursuant to the provisions of this Part.

4           (c)    Notwithstanding the provisions of Article 30 of this Chapter, the Commissioner may  
5           apply by petition to the Court for an order authorizing the Commissioner to rehabilitate or  
6           liquidate one or more of an SPFC's protected cells independently, without causing or otherwise  
7           effecting a rehabilitation or liquidation of the SPFC generally or another of its protected cells  
8           on one or more of the following grounds:

9           (1)    There has been embezzlement, wrongful sequestration, dissipation, or  
10           diversion of the assets of the SPFC attributable to the affected protected cell  
11           or cells intended to be used to pay amounts owed to the counterparty or the  
12           holders of SPFC securities of the affected protected cell or cells.

13           (2)    The affected protected cell is insolvent and the holders of a majority in  
14           outstanding principal amount of each class of SPFC securities attributable to  
15           that particular protected cell request or consent to rehabilitation or  
16           liquidation pursuant to the provisions of this Part.

17           (d)    The Court may not grant relief provided by subdivision (b)(1) or (c)(1) of this  
18           section, unless after notice and a hearing, the Commissioner, who shall have the burden of  
19           proof, establishes by preponderance of the evidence that relief must be granted. The court's  
20           order may be made with respect to one or more protected cells by name, rather than the SPFC  
21           generally.

22           (e)    Notwithstanding another provision in this Chapter, rules adopted under this Chapter,  
23           or another applicable law or regulation, upon any order of rehabilitation or liquidation of a  
24           SPFC, or one or more of the SPFC's protected cells, the receiver shall manage the assets and  
25           liabilities of the SPFC pursuant to the provisions of this Part. The receiver shall ensure that the  
26           assets linked to one protected cell are not applied to the liabilities linked to another protected  
27           cell or to the SPFC generally, unless an asset or liability is linked to more than one protected  
28           cell, in which case the receiver shall deal with the asset or liability in accordance with the terms  
29           of any relevant governing instrument or contract.

30           (f)    With respect to amounts recoverable under an SPFC contract, the amount  
31           recoverable by the receiver must not be reduced or diminished as a result of the entry of an  
32           order of rehabilitation or liquidation with respect to the counterparty, notwithstanding another  
33           provision in the contracts or other documentation governing the SPFC insurance securitization.

34           (g)    Notwithstanding the provisions of Article 30 of this Chapter or other laws of this  
35           State:

36           (1)    An application or petition, or a temporary restraining order or injunction  
37           issued pursuant to the provisions of Article 30 of this Chapter, with respect  
38           to a counterparty does not prohibit the transaction of a business by an SPFC,  
39           including any payment by an SPFC made pursuant to an SPFC security, or
