The General Assembly of North Carolina enacts:

Any basic or standard health benefit plans described in G.S. 58-50-125(a) that are not "grandfathered health plans," as that term is used under Section 1251 of the Affordable Care Act, P.L. 11-148, as amended, shall be terminated on the next anniversary date on or after January 1, 2014, and the small employer carrier shall offer the employer replacement coverage from available small group health benefit plans pursuant to and in accordance with all applicable State and federal laws and regulations.
