Senator Tillman

1 moves to amend the bill on page 5, line 45 through page 6, line 2 by rewriting the lines to read:
2
3 "At the request of the charter school, the local board of education of the local school
4 administrative unit in which the charter school will be located shall lease any available building
5 or land to the charter school unless the board demonstrates that the lease is not economically or
6 practically feasible or that the local board does not have adequate classroom space to meet its
7 enrollment needs. Notwithstanding any other law, a local board of education may provide a
8 school facility to a charter school free of charge; however, the charter school is responsible for
9 the maintenance of and insurance for the school facility. If a charter school has requested to
10 lease available buildings or land and is unable to reach an agreement with the local board of
11 education, the charter school shall have the right to appeal to the board of county
12 commissioners in which the building or land is located. The board of county commissioners
13 shall have the final decision-making authority on the leasing of the available building or land."
