"NAVIGABLE AND TO CREATE THE OREGON INLET LAND ACQUISITION TASK FORCE.":

and on page 1, line 35, by rewriting the line to read:

"SECTION 3.1. There is hereby created the Oregon Inlet Land Acquisition Task Force for the purpose of determining, reviewing, and considering the State's options for acquiring the federal government's right, title, and interest in Oregon Inlet and the real property adjacent thereto, including submerged lands. A more particular description of the property to be acquired is provided in section 3.8 of this act. Acquiring the property described in section 3.8 of this act will allow the State to preserve Oregon Inlet and to develop long-term management solutions for preserving and enhancing the navigability of Oregon Inlet, which is both a critical transportation corridor and a critical source of commerce for the State's Outer Banks. The Task Force shall have duties including the following:

- (1) Consulting with the State Property Office and agencies and departments of the federal government, including the United States Department of Fish and Wildlife, United States National Park Service, Congressional Budget Office, and members of the North Carolina congressional delegation to establish the monetary value of Oregon Inlet and the real property adjacent thereto.
- (2) Determining whether and to what degree the federal government will sell to the State Oregon Inlet and the real property adjacent thereto or exchange the property for State-owned real property. If the federal government expresses a willingness to exchange the property for State-owned property, the Task Force shall determine the identity of the State-owned property and the monetary value of the property.
- (3) Exploring any and all options for acquiring Oregon Inlet and the real property adjacent thereto, including condemnation of the coastal lands conveyed to the federal government in a deed dated August 7, 1958, and recorded September 3, 1958, in the Dare County Registry of Deeds.
- (4) Considering any other issues deemed relevant by the Task Force that are related to the acquisition of Oregon Inlet and the real property adjacent thereto.
