3
4 "The Department of Transportation is authorized to study a statewide pilot program for
5 contracted services cost savings for the 2013-2014 budget cycle. The Department of
6 Transportation shall study methods to reduce its existing facilities maintenance, repair,
7 operation, and service costs by ten percent (10%) by implementing cost-effective and
8 streamlined procurement strategies as recommended in this act. The ten percent (10%)
9 reduction provided for in this section shall be based upon the funds appropriated to the
10 Department in the Appropriations Act of 2013. The Department shall report its findings to the
11 Joint Legislative Commission on Governmental Operations and the Joint Legislative
12 Transportation Oversight Committee on or before April 1, 2014. Any implementation plans
13 may include but are not limited to the following: To obtain the reduction provided for in this
14 section, the Department shall investigate and study, among other things, whether cost
15 reductions can be achieved by efforts to: (i) procure services through integrated facility service
16 contracts"; and
