14 appeal procedures described in this section or G.S. 108D-7.

15 (f) Request Form for Contested Case Hearing. – In the same mailing as the notice of
16 resolution, the LME/MCO shall also provide the enrollee with an appeal request form for a

18 **"§ 108D-7. Expedited LME/MCO level appeals.**

19 (a) Request for Expedited Appeal. – When the time limits for completing a standard
20 appeal could seriously jeopardize the enrollee's life or health or ability to attain, maintain, or
21 regain maximum function, an enrollee, or a network provider authorized in writing to act on
22 behalf of an enrollee, has the right to file a request for an expedited appeal of a managed care
23 action no later than 30 days after the mailing date of the notice of managed care action. For
24 expedited appeal requests made by enrollees, the LME/MCO shall determine if the enrollee
25 qualifies for an expedited appeal. For expedited appeal requests made by network providers on
26 behalf of enrollees, the LME/MCO shall presume an expedited appeal is necessary.

27 (b) Notice of Denial for Expedited Appeal. – If the LME/MCO denies a request for an
28 expedited LME/MCO level appeal, the LME/MCO shall make reasonable efforts to give the
29 enrollee and all other affected parties oral notice of the denial and follow up with written notice
30 of denial by United States mail by no later than two calendar days after receiving the request
31 for an expedited appeal. In addition, the LME/MCO shall resolve the appeal within the time
32 limits established for standard LME/MCO level appeals in G.S. 108D-6.

33 (c) Continuation of Benefits. – An LME/MCO shall continue the enrollee's benefits
34 during the pendency of an expedited LME/MCO level appeal to the extent required under 42
35 C.F.R. § 438.420.

36 (d) Notice of Resolution. – If the LME/MCO grants a request for an expedited
37 LME/MCO level appeal, the LME/MCO shall resolve the appeal as expeditiously as the
38 enrollee's health condition requires, and no later than three working days after receiving the
39 request for an expedited appeal. The LME/MCO shall provide the enrollee and all other
40 affected parties with a written notice of resolution by United States mail within this three-day
41 period.

42 (e) Right to Request Contested Case Hearing. – An enrollee, or a network provider
43 authorized in writing to act on behalf of an enrollee, may file a request for a contested case
44 hearing under G.S. 108D-8 as long as the enrollee or network provider has exhausted the
45 appeal procedures described in G.S. 108D-6 or this section.

46 (f) Reasonable Assistance. – An LME/MCO shall provide the enrollee with reasonable
47 assistance in completing forms and taking other procedural steps necessary to file an appeal,
48 including providing interpreter services and toll-free numbers that have adequate
49 teletypewriter/telecommunications devices for the deaf (TTY/TDD) and interpreter capability.

1 (g) Request Form for Contested Case Hearing. – In the same mailing as the notice of
2 resolution, the LME/MCO shall also provide the enrollee with an appeal request form for a
3 contested case hearing that meets the requirements of G.S. 108D-8(f).

4 **"§ 108D-8. Contested case hearings on disputed managed care actions.**

5 (a) Jurisdiction of the Office of Administrative Hearings. – The Office of
6 Administrative Hearings does not have jurisdiction over a dispute concerning a managed care
7 action, except as expressly set forth in this Chapter.

8 (b) Exclusive Administrative Remedy. – Notwithstanding any provision of State law or
9 rules to the contrary, this section is the exclusive method for an enrollee to contest a notice of
10 resolution issued by an LME/MCO. G.S. 108A-70.9A, 108A-70.9B, and 108A-70.9C do not
11 apply to enrollees contesting a managed care action.

12 (c) Request for Contested Case Hearing. – A request for an administrative hearing to
13 appeal a notice of resolution issued by an LME/MCO is a contested case subject to the
14 provisions of Article 3 of Chapter 150B of the General Statutes. An enrollee, or a network
15 provider authorized in writing to act on behalf of an enrollee, has the right to file a request for
16 appeal to contest a notice of resolution as long as the enrollee or network provider has
17 exhausted the appeal procedures described in G.S. 108D-6 or G.S. 108D-7.

18 (d) Filing Procedure. – An enrollee, or a network provider authorized in writing to act
19 on behalf of an enrollee, may file a request for an appeal by sending an appeal request form that
20 meets the requirements of subsection (e) of this section to OAH and the affected LME/MCO by
21 no later than 30 days after the mailing date of the notice of resolution. A request for appeal is
22 deemed filed when a completed and signed appeal request form has been both submitted into
23 the care and custody of the chief hearings clerk of OAH and accepted by the chief hearings
24 clerk. Upon receipt of a timely filed appeal request form, information contained in the notice of
25 resolution is no longer confidential, and the LME/MCO shall immediately forward a copy of
26 the notice of resolution to OAH electronically. OAH may dispose of these records after one
27 year.

28 (e) Parties. – The LME/MCO shall be the respondent for purposes of this appeal. The
29 LME/MCO or enrollee may move for the permissive joinder of the Department under Rule 20
30 of the North Carolina Rules of Civil Procedure. The Department may move to intervene as a
31 necessary party under Rules 19 and 24 of the North Carolina Rules of Civil Procedure.

32 (f) Appeal Request Form. – In the same mailing as the notice of resolution, the
33 LME/MCO shall also provide the enrollee with an appeal request form for a contested case
34 hearing which shall be no more than one side of one page. The form shall include at least all of
35 the following:

36 (1) A statement that in order to request an appeal, the enrollee must file the form
37 in accordance with OAH rules, by mail or fax to the address or fax number
38 listed on the form, by no later than 30 days after the mailing date of the
39 notice of resolution.

40 (2) The enrollee's name, address, telephone number, and Medicaid identification
41 number.

42 (3) A preprinted statement that indicates that the enrollee would like to appeal a
43 specific managed care action identified in the notice of resolution.

44 (4) A statement informing the enrollee of the right to be represented at the
45 contested case hearing by a lawyer, a relative, a friend, or other
46 spokesperson.

47 (5) A space for the enrollee's signature and date.

48 (g) Continuation of Benefits. – An LME/MCO shall continue the enrollee's benefits
49 during the pendency of an appeal to the same extent required under 42 C.F.R. § 438.420.
50 Notwithstanding any other provision of State law, the administrative law judge does not have

1 the power to order and shall not order an LME/MCO to continue benefits in excess of what is
2 required by 42 C.F.R. § 438.420.

3 (h) Simple Procedures. – Notwithstanding any other provision of Article 3 of Chapter
4 150B of the General Statutes, the chief administrative law judge of OAH may limit and
5 simplify the administrative hearing procedures that apply to contested case hearings conducted
6 under this section in order to complete these cases as expeditiously as possible. Any simplified
7 hearing procedures approved by the chief administrative law judge under this subsection must
8 comply with all of the following requirements:

9 (1) OAH shall schedule and hear cases by no later than 55 days after receipt of a
10 request for a contested case hearing.

11 (2) OAH shall conduct all contested case hearings telephonically or by video
12 technology with all parties, unless the enrollee requests that the hearing be
13 conducted in person before the administrative law judge. An in-person
14 hearing shall be conducted in the county that contains the headquarters of the
15 LME/MCO unless the enrollee's impairments limit travel. For enrollees with
16 impairments that limit travel, an in-person hearing shall be conducted in the
17 enrollee's county of residence. OAH shall provide written notice to the
18 enrollee of the use of telephonic hearings, hearings by video conference, and
19 in-person hearings before the administrative law judge, as well as written
20 instructions on how to request a hearing in the enrollee's county of residence.

21 (3) The administrative law judge assigned to hear the case shall consider and
22 rule on all prehearing motions prior to the scheduled date for a hearing on
23 the merits.

24 (4) The administrative law judge may allow brief extensions of the time limits
25 imposed in this section only for good cause shown and to ensure that the
26 record is complete. The administrative law judge shall only grant a
27 continuance of a hearing in accordance with rules adopted by OAH for good
28 cause shown and shall not grant a continuance on the day of a hearing,
29 except for good cause shown. If an enrollee fails to make an appearance at a
30 hearing that has been properly noticed by OAH by United States mail, OAH
31 shall immediately dismiss the case, unless the enrollee moves to show good
32 cause by no later than three business days after the date of dismissal. As
33 used in this section, "good cause shown" includes delays resulting from
34 untimely receipt of documentation needed to render a decision and other
35 unavoidable and unforeseen circumstances.

36 (5) OAH shall include information on at least all of the following in its notice of
37 hearing to an enrollee:

38 a. The enrollee's right to examine at a reasonable time before and
39 during the hearing the contents of the enrollee's case file and any
40 documents to be used by the LME/MCO in the hearing before the
41 administrative law judge.

42 b. The enrollee's right to an interpreter during the hearing process.

43 c. The circumstances in which a medical assessment may be obtained at
44 the LME/MCO's expense and made part of the record, including all
45 of the following:

46 1. A hearing involving medical issues, such as a diagnosis, an
47 examining physician's report, or a decision by a medical
48 review team.

49 2. A hearing in which the administrative law judge considers it
50 necessary to have a medical assessment other than the

1 medical assessment performed by an individual involved in
2 any previous level of review or decision making.

3 (i) Mediation. – Upon receipt of an appeal request form as provided by G.S. 108D-8(f)
4 or other clear request for a hearing by an enrollee, OAH shall immediately notify the Mediation
5 Network of North Carolina, which shall contact the enrollee within five days to offer mediation
6 in an attempt to resolve the dispute. If mediation is accepted, the mediation must be completed
7 within 25 days of submission of the request for appeal. Upon completion of the mediation, the
8 mediator shall inform OAH and the LME/MCO within 24 hours of the resolution by facsimile
9 or electronic messaging. If the parties have resolved matters in the mediation, OAH shall
10 dismiss the case. OAH shall not conduct a hearing of any contested case involving a dispute of
11 a managed care action until it has received notice from the mediator assigned that either (i) the
12 mediation was unsuccessful, (ii) the petitioner has rejected the offer of mediation, or (iii) the
13 petitioner has failed to appear at a scheduled mediation. Nothing in this subsection shall restrict
14 the right to a contested case hearing.

15 (j) Burden of Proof. – The enrollee has the burden of proof on all issues submitted to
16 OAH for a contested case hearing under this section and has the burden of going forward. The
17 administrative law judge shall not make any ruling on the preponderance of evidence until the
18 close of all evidence in the case.

19 (k) New Evidence. – The enrollee shall be permitted to submit evidence regardless of
20 whether it was obtained before or after the LME/MCO's managed care action and regardless of
21 whether the LME/MCO had an opportunity to consider the evidence in resolving the
22 LME/MCO level appeal. Upon the receipt of new evidence and at the request of the
23 LME/MCO, the administrative law judge shall continue the hearing for a minimum of 15 days
24 and a maximum of 30 days in order to allow the LME/MCO to review the evidence. Upon
25 reviewing the evidence, if the LME/MCO decides to reverse the managed care action taken
26 against the enrollee, it shall immediately inform the administrative law judge of its decision.

27 (l) Issue for Hearing. – For each managed care action, the administrative law judge
28 shall determine whether the LME/MCO substantially prejudiced the rights of the enrollee and
29 whether the LME/MCO, based upon evidence at the hearing:

30 (1) Exceeded its authority or jurisdiction.

31 (2) Acted erroneously.

32 (3) Failed to use proper procedure.

33 (4) Acted arbitrarily or capriciously.

34 (5) Failed to act as required by law or rule.

35 (m) To the extent that anything in this Part, Chapter 150B of the General Statutes, or any
36 rules or policies adopted under these Chapters is inconsistent with the Social Security Act or 42
37 C.F.R. Part 438, Subpart F, federal law prevails and applies to the extent of the conflict. All
38 rules, rights, and procedures for contested case hearings concerning managed care actions shall
39 be construed so as to be consistent with federal law and shall provide the enrollee with no
40 lesser and no greater rights than those provided under federal law.

41 **"§ 108D-9. Notice of final decision and right to seek judicial review.**

42 The administrative law judge assigned to conduct a contested case hearing under
43 G.S. 108D-8 shall hear and decide the case without unnecessary delay. The judge shall prepare
44 a written decision that includes findings of fact and conclusions of law and send it to the parties
45 in accordance with G.S. 150B-37. The written decision shall notify the parties of the final
46 decision and of the right of the enrollee and the LME/MCO to seek judicial review of the
47 decision under Article 4 of Chapter 150B of the General Statutes."

48 **SECTION 2.** G.S. 122C-151.3 reads as rewritten:

49 **"§ 122C-151.3. Dispute with area authorities or county programs.**

50 (a) An area authority or county program shall establish written procedures for resolving
51 disputes over decisions of an area authority or county program that may be appealed to the

1 State MH/DD/SA Appeals Panel under G.S. 122C-151.4. The procedures shall be informal and
2 shall provide an opportunity for those who dispute the decision to present their position.

3 (b) This section does not apply to LME/MCOs, enrollees, applicants, providers of
4 emergency services, or network providers subject to Chapter 108D of the General Statutes."

5 **SECTION 3.** G.S. 122C-151.4(g) reads as rewritten:

6 "(g) This section does not apply to ~~providers of community support services who appeal~~
7 ~~directly to the Department of Health and Human Services under the Department's community~~
8 ~~support provider appeal process.~~LME/MCOs, enrollees, applicants, providers of emergency
9 services, or network providers subject to Chapter 108D of the General Statutes."

10 **SECTION 4.** G.S. 150B-23 is amended by adding a new subsection to read:

11 "(a3) A Medicaid enrollee, or network provider authorized in writing to act on behalf of
12 the enrollee, who appeals a notice of resolution issued by an LME/MCO under Chapter 108D
13 of the General Statutes may commence a contested case under this Article in the same manner
14 as any other petitioner. The case shall be conducted in the same manner as other contested
15 cases under this Article. Solely and only for the purposes of contested cases commenced as
16 Medicaid managed care enrollee appeals under Chapter 108D of the General Statutes, an
17 LME/MCO is considered an agency as defined in G.S. 150B-2(1a). The LME/MCO shall not
18 be considered an agency for any other purpose."

19 **SECTION 5.** By September 30, 2013, the Department of Health and Human
20 Services shall take any action necessary to implement this act, including submitting to the
21 Centers for Medicare and Medicaid Services a Medicaid State Plan Amendment with a
22 retroactive effective date of July 1, 2013. On or before September 30, 2013, the Department of
23 Health and Human Services shall report to the Joint Legislative Oversight Committee on
24 Health and Human Services on the status of the implementation of this act.
