43 "state-owned passenger motor vehicle" includes any state-owned passenger motor vehicle,
44 whether or not owned, maintained or controlled by the Department of Administration, and
45 regardless of the source of the funds used to purchase it. Notwithstanding the provisions of
46 G.S. 20-190 or any other provisions of law, all state-owned passenger motor vehicles are
47 subject to the provisions of this subdivision 7a; no section. No permanent assignment shall be
48 made and no one shall be exempt from payment of reimbursement for commuting or from the
49 other provisions of this subdivision 7a section except as provided by this subdivision 7a
50 section. Commuting, as defined and regulated by this subdivision, section, is limited to those
51 specific cases in which the Secretary of Administration has received and accepted written

1 justification, verified by historical data. The Department of Administration shall not assign any
2 state-owned motor vehicle that may be used for commuting other than those authorized by the
3 procedure prescribed in this ~~subdivision~~section. The Department of Administration shall adopt
4 rules to govern the permanent assignment of State-owned passenger motor vehicles based on

10 ~~motor vehicle shall also not be permanently assigned to an agency that is likely to drive it on~~
11 ~~official business at a rate of less than 3,150 miles per quarter unless the agency can justify to~~

13 ~~unique use of the vehicle. Each agency, other than the Department of Transportation, that has a~~
14 ~~vehicle assigned to it or has an employee to whom a vehicle is assigned shall submit a quarterly~~
15 ~~report to the Division of Motor Fleet Management on the miles driven during the quarter by the~~
16 ~~assigned vehicle. The Division of Motor Fleet Management shall review the report to verify~~
17 ~~that each motor vehicle has been driven at the minimum allowable rate. If it has not and if the~~
18 ~~department by whom the individual to which the car is assigned is employed or the agency to~~
19 ~~which the car is assigned cannot justify the lower mileage for the quarter, the permanent~~
20 ~~assignment shall be revoked immediately. The Department of Transportation shall submit an~~
21 ~~annual report to the Division of Motor Fleet Management on the miles driven during the year~~
22 ~~by vehicles assigned to the Department or to employees of the Department. If a vehicle~~
23 ~~included in this report has not been driven at least 12,600 miles during the year, the Department~~
24 ~~of Transportation shall review the reasons for the lower mileage and decide whether to~~
25 ~~terminate the assignment. The Division of Motor Fleet Management may not revoke the~~
26 ~~assignment of a vehicle to the Department of Transportation or an employee of that Department~~
27 ~~for failure to meet the minimum mileage requirement unless the Department of Transportation~~
28 ~~consents to the revocation.~~

29 (b) Commuting Policy. – Every individual who uses a State-owned passenger motor
30 vehicle, pickup truck, or van to drive between the individual's official work station and his or
31 her home, shall reimburse the State for these trips at a rate computed by the Department. This
32 rate shall approximate the benefit derived from the use of the vehicle as prescribed by federal
33 law. Reimbursement shall be for 20 days per month regardless of how many days the individual
34 uses the vehicle to commute during the month. Reimbursement shall be made by payroll
35 deduction. Funds derived from reimbursement on vehicles owned by the ~~Motor Fleet~~
36 ~~Management Division~~Department of Administration shall be deposited to the credit of the
37 ~~Division;~~that Department; funds derived from reimbursements on vehicles initially purchased
38 with appropriations from the Highway Fund and not owned by the ~~Division~~Department of
39 Administration shall be deposited in a Special Depository Account in the Department of
40 Transportation, which shall revert to the Highway Fund; funds derived from reimbursement on
41 all other vehicles shall be deposited in a Special Depository Account in the Department of
