Comm. Sub. [YES]  
Amends Title [NO]  
Third Edition

Date \_\_\_\_\_, 2014

Representative Collins

- 1 moves to amend the bill on page 29, lines 13 and 14, by adding between the lines:
- 2       "(5) The economic impact of net metering on all customers, including an analysis
- 3       of whether and to what extent customers using net metering systems are
- 4       subsidized by other retail electric customers who do not employ net
- 5       metering. The study shall examine the benefits and costs of net metering
- 6       systems to North Carolina's electric distribution and transmission systems
- 7       and the extent to which customers owning net metering systems contribute
- 8       to the fixed costs of the State's electric public utilities."
